The Government, its agents and employees, shall, at all times, have unrestricted access to all places where or in which the services required hereunder are being carried on and conducted. Inspection and monitoring of the work by these authorities shall in no manner be presumed to relieve in any degree the responsibility or obligations of Organization, nor to constitute the Organization as an agent of the Government.

9. Organization shall provide equal opportunity in employment for all qualified persons, shall prohibit discrimination in employment because of race, color, creed, national origin, sex or age, shall promote equal employment through a positive, continuing

program of equal employment, and shall cause each of its subcontracting agencies to do so. This program of equal employment opportunity shall apply to every aspect of its employment policies and practices.

A. Objectives: Capital preservation with surety of income. Reasonable competitive income consistent with high investment quality and purpose of funds. All investments shall conform with state and local law and regulations and these policies.

B. Investment Funds Management: The governing board may elect to either:

(1) Manage its investment through its executive director where the size or complexity of funds to be managed is deemed by the board to be within the training, expertise and/or available time capacity of the executive director and the operating staff; or

(2) Utilize the professional investment management facilities of a local bank trust department acting in a fiduciary capacity within the same approved investment policies and federal, state, local and trust laws and regulation. The trust department may utilize its regular short-term one hundred percent (100%) US Treasury Fund for daily funds investment.

The election of option 1 or 2 should be made consistent with the relative cost incurred and in the case of option 2 the cost shall be competitive among local trust departments.

C. Investment Policies - - Safety and Prudence.

(1) Short-term liquidity funds shall be invested in "riskless" investment, i.e., deposits in Kentucky commercial banks or savings and loan associations that are fully federally insured or deposits collateralized by U.S. Treasury securities with a current market value of at least one hundred percent (100%), or in direct obligations of U.S. Treasury securities.

Investments shall be diversified according to maturity in order to meet projected cash flow needs.

Collateral pledged to secure uninsured deposits shall be held at a federal reserve bank with the receipt providing absolute control by the agency.

(2) Retirement funds, endowment funds, long-term capital reserve funds and any other special funds

may be held and invested by a local bank trust department under investment objectives and diversification in accordance with the individual nature of the funds and pursuant to the "prudent man" investment rule as well as general trust law.

(3) All investments shall be reviewed monthly by a finance or investment committee of the agency.

(4) Local brokerage firms may hold and invest funds provided that investments are located within Kentucky and are full insured.

D. Audit - - All investments shall be audited at least annually by independent certified public accountant who shall express an opinion as to whether or not investments during the year audited have conformed with state and local law and regulation and with the approved investment policies.

Addendum

Agency: Carnegie Literacy Center, Inc.

Program Name: Carnegie Center Tutoring Program

LFUCG Partner Agency Program Funding: \$14,960

Program Summary: The Carnegie Center provides high-quality, affordable tutoring offered by volunteer tutors whom we screen, train, and match with compatible students. The tutors then meet weekly at the Carnegie Center with the same student for an entire school year. Families pay an annual fee of \$5-\$50, depending on need. After that, all tutoring sessions are free.

Unlike online homework help and small-group tutoring, each session at Carnegie is a personalized tutoring experience. We empower parents and students to be a part of active solutions to learning obstacles, starting the moment the parents and child sign a learning contract. In addition to academic tutoring, the personal mentoring that occurs between tutors and students is invaluable to both parties.

Our Literacy Specialist for reading tutors children who are two or more years behind in school, using diagnostic tools and expert knowledge to provide learning experiences that are effective for children with disabilities or who struggle with learning. Our Literacy Specialist for math tutors high school students needing assistance with advanced math as they prepare for college. Both specialists are retired teachers with extensive experience. Through grant support, we offer their services for free.

Long-Term Program Goals:

- 1) Maintain the number of students we serve in an effort to continue affordable, after-school tutoring;
- 2) Continuously improve the quality of the tutoring program by enhancing training and support for the volunteer tutors.
- 3) Partner with other agencies to leverage resources toward the goal of reducing illiteracy and poverty in our region.
