SUBJECT: Invitation to Bid #68-2013 – Emergency Generator Connections

On June 10, 2013 the Division of Central Purchasing received bids for Bid #68-2013 for Emergency Generator Connections for the Division of Water Quality.

Notices were sent via Economic Engine to four hundred forty five (445) vendors for this particular commodity. Twenty eight (28) vendors reviewed the document. Central Purchasing received one (1) bid from T.E.M. Group, Inc. in the amount of \$393,067.00.

The budget and engineer's estimate for this project was \$567,900.00; therefore, T.E.M.'s bid was \$174,833.00 under budget. T.E.M. is currently the electrical subcontractor to Smith Contractors for Division of Water Quality's SCADA project. T.E.M. has indicated that they can complete this project in conjunction with the SCADA work being conducted at the pump station sites.

The bid submitted by T.E.M. Group, Inc. meets bid specifications and is reasonable and within budgetary constraints. I recommend the bid of T.E.M. Group, Inc. in the amount of \$393,067.00 be accepted.
