RE: EVSS SCRUBBER SERVICE

Dear Ms. Rank:

Evoqua Water Technologies LLC is the only factory trained and authorized provider of service contracts on our line of emergency vapor scrubber systems and LoPro Scrubber Systems. This includes the RJ-2000™ EVSS and LoPro wet scrubber lines manufactured exclusively at our facilities. RJ-2000 is a trademark of Evoqua Water Technologies LLC.

If you have any questions or need additional information, please do not hesitate to contact me at (502) 480-6704.

Sincerely,

Evoqua Water Technologies LLC
