

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (hereinafter referred to as "MOU") is made and entered into this 26th day of September 2019, by and between Lexington-Fayette Urban County Government (hereinafter referred to as "LFUCG") and the Lexington & Fayette County Parking Authority (hereinafter referred to as "LEXPARK").

RECITALS

WHEREAS, Ordinance No. 42-2019 ("the Ordinance") created Section 17D of the Lexington-Fayette Urban County Code of Ordinances ("the Code"), which includes a permitting process for dockless vehicle rentals within the right-of-way in Lexington-Fayette County; and

WHEREAS, the Ordinance established LEXPARK and the Division of Police as the enforcement mechanism for parking violations of dockless vehicles within Lexington-Fayette County; and

WHEREAS, the parties desire to collaborate with each other to implement a dockless vehicle rental program in Lexington-Fayette County and to establish the terms by which LEXPARK shall enforce the parking requirements of Chapter 17D of the Code in a pilot program of six (6) months.

NOW, THEREFORE, in consideration of the mutual covenants and conditions contained herein, the parties hereby agree as follows:

1) OBLIGATIONS OF LFUCG

LFUCG will:

- a) Agree that LEXPARK shall be entitled to all fees it collects while enforcing the parking requirements of Chapter 17D of the Code.
- b) Provide 3 accounts to LEXPARK to enable its use of the mobility management software for its regulatory efforts within Lexington-Fayette County.
- c) Provide electronic notice to LEXPARK of all violations of Section 17D-3(1); Section 17D-8(5); Section 17D-10(2); and any section of Chapter 17D in which impoundment is a remedy, identified by LFUCG or provided to LFUCG in a citizen complaint. Such notice shall contain any evidence required by LEXPARK, including, but not limited to, electronic records from the mobility management software, citizen complaints, and its own observations.
- d) Acknowledge that its ability to provide notice under Section 17D-8(5) relies on citizens' complaints to LFUCG.

- e) Update LEXPARK on the contact information for each Licensee provided in the Licensee's application for an Operating Authority License or update thereof.

2) OBLIGATIONS OF LEXPARK

LEXPARK will:

- a) Issue parking citations for violations of Section 17D-8(5) no earlier than two (2) hours after receiving notice from LFUCG of each violation as described in Section 1(c) of this MOU. Parking citations shall be delivered to the contact person provided by LFUCG in Section 1(e) of this MOU.
- b) Issue parking citations for violations of Section 17D-3(1) and Section 17D-10(2), at its discretion, within a reasonable time after receiving notice from LFUCG. If LEXPARK chooses not to issue a citation, it shall inform LFUCG of the decision.
- c) Impound dockless vehicles for violations of Chapter 17D of the Code, at its discretion, at any time after receiving notice from LFUCG. If LEXPARK chooses not to impound, it shall inform LFUCG of the decision.
- d) As part of its normal routes, monitor the parking locations of dockless vehicles to ensure conformity with Chapter 17D of the Code. Upon its own identification of violations of Section 17D-8(5), LEXPARK shall provide notification to the applicable Licensee and shall provide a parking citation to the Licensee if the Licensee does not remedy the violation within two (2) hours. Upon identifying parking violations of Section 17D-3(1); Section 17D-10(2); or any violation in which impoundment is a remedy, LEXPARK shall provide a parking citation to the Licensee or may impound the vehicle at its option. If LEXPARK identifies a violation that may warrant impounding a dockless vehicle but chooses not to impound, it shall inform LFUCG of the location of the dockless vehicle and its decision not to impound. Nothing in this subsection shall require LEXPARK to deviate from its normal routes or prioritize the citation or impoundment of dockless vehicles.
- e) Collect all fines for which LEXPARK has issued a citation.
- f) Present a progress report as to its activities before the Urban County Council's Planning and Public Safety Committee at the call of the chair, or as otherwise instructed by the Government. This subsection shall survive the termination of this MOU.
