

RESOLUTION NO. 653 -2013

A RESOLUTION URGING THE COMMONWEALTH OF KENTUCKY TO CLARIFY AND RECONSIDER ITS DECISION TO CUT CHILD CARE ASSISTANCE FUNDING, REQUESTING THAT THE KENTUCKY GENERAL ASSEMBLY AUTHORIZE AND DIRECT THE LEGISLATIVE RESEARCH COMMISSION TO COMPLETE AN ECONOMIC IMPACT STUDY OF THE EFFECT OF THESE CUTS, REQUESTING THAT THE GENERAL ASSEMBLY TAKE APPROPRIATE MEASURES TO ELIMINATE OR REDUCE THE IMPACT OF THESE CUTS ON IMPACTED FAMILIES, REQUESTING THAT THE GENERAL ASSEMBLY APPROVE A WAIVER ON THE CUTS TO ASSISTANCE FOR NEW APPLICANTS THAT HAVE BEEN A VICTIM OF DOMESTIC VIOLENCE OR ABUSE, AND HEREBY NOTIFYING THE APPROPRIATE OFFICIALS.

WHEREAS, beginning in April 2013 the Commonwealth of Kentucky's Cabinet for Health and Family Services placed a freeze on applications for child care assistance funds to working parents and enacted the most restrictive income guidelines in the nation; and

WHEREAS, these cuts have reduced child care assistance funding by tens of millions of dollars, impacted an estimated existing 8,700 families and 20,000 children that were previously eligible for assistance and have resulted in new applicants being denied assistance that would have been otherwise previously eligible for these funds; and

WHEREAS, these child care assistance benefits allow low income family members to work and/or attain higher education and enable struggling low income families to work to improve their stations in life;

WHEREAS, the cuts to child care assistance by the Commonwealth of Kentucky could result in primary care givers having to choose between sub-standard care or leaving the workforce because they can no longer afford to simultaneously earn an income through work while providing their child with quality care; and

WHEREAS, the cuts to child care assistance by the Commonwealth of Kentucky could discourage parents from working by capping the amount of income they can earn to an amount that is, for many families, less than the minimum wage for a family working forty hours a week; and

WHEREAS, the cuts to child care assistance by the Commonwealth of Kentucky could provide a disincentive for struggling families to work or go to school by reducing the maximum income level for child care assistance to 100 percent of the federal

poverty level, an eligibility cut-off that is lower than any other state and consequently incentivize increased dependence on public assistance programs; and

WHEREAS, the net result of the cuts to child care assistance by the Commonwealth of Kentucky is likely to include the reversal of any gains that have been made with respect to the children of the Commonwealth having the developmentally appropriate skill-set as measured by the BRIGANCE Early Childhood assessment when they enter kindergarten; and

WHEREAS, many of the children that are no longer able to receive the benefits of this assistance are denied the opportunity to receive a quality early education which will have a significant long term negative economic and societal impact on those children and, by extension, upon the future workforce of the Commonwealth of Kentucky, and

WHEREAS, it is critical that funds be available to families impacted by domestic violence as they are necessary for the safety and well being of the children and affected parent by allowing separation from the violence and abuse.

WHEREAS, the cuts to child care assistance directly impact the economic development of the state, in that the Commonwealth of Kentucky, by making these cuts, fails to invest adequately in its future workforce and reduces the Commonwealth's ability to produce a workforce capable of competing in the global economy in coming decades, and

WHEREAS, it is a legislative priority of the Council of the Lexington-Fayette Urban County Government to seek reversal of the cuts made to child care assistance funding, to seek reinstatement of previous levels of funding, and to seek the lifting of the moratorium against applications for child care assistance,

NOW, THEREFORE, BE IT RESOLVED BY THE COUNCIL OF THE LEXINGTON-FAYETTE URBAN COUNTY GOVERNMENT:

Section 1 – That the Preamble to this Resolution be and hereby is incorporated by reference as if fully set out herein.

Section 2 – That the Council of the Lexington-Fayette Urban County Government hereby requests that the Commonwealth of Kentucky clarify and reconsider its decision to cut child care assistance and specifically address how the needs of those no longer

Specifically, the Council of the Lexington-Fayette Urban County Government requests that the Commonwealth of Kentucky reconsider its decision to cut these critical funds based on the impact those cuts will have on economic development in the Commonwealth of Kentucky and its ability to grow and maintain a workforce that is ready to compete in the global economy.

Section 5 – The Council of the Lexington-Fayette Urban County Government hereby requests the Kentucky General Assembly to approve a waiver to the cuts to child care assistance funding for new applicants that have been a victim of domestic violence or abuse to allow an applicant to separate from the violent situation.
