The Affidavit in this bid must be completed before your firm can be considered for award of this contract.

AFFIDAVIT

Comes the Affiant, Megan Tackett, and after being first duly sworn under penalty of perjury as follows:

1. His/her name is Megan Tackett and he/she is the individual submitting the bid or is the authorized representative of

HP Products Corporation

the entity submitting the bid (hereinafter referred to as "Bidder").

2. Bidder will pay all taxes and fees, which are owed to the Lexington-Fayette Urban County Government at the time the bid is submitted, prior to award of the contract and will maintain a "current" status in regard to those taxes and fees during the life of the contract.

3. Bidder will obtain a Lexington-Fayette Urban County Government business license, if applicable, prior to award of the contract.

4. Bidder has authorized the Division of Central Purchasing to verify the above-mentioned information with the Division of Revenue and to disclose to the Urban County Council that taxes and/or fees are delinquent or that a business license has not been obtained.

5. Bidder has not knowingly violated any provision of the campaign finance laws of the Commonwealth of Kentucky within the past five (5) years and the award of a contract to the Bidder will not violate any provision of the campaign finance laws of the Commonwealth.

6. Bidder has not knowingly violated any provision of Chapter 25 of the Lexington-Fayette Urban County Government Code of Ordinances, known as "Ethics Act."

7. Bidder acknowledges that "knowingly" for purposes of this Affidavit means, with respect to conduct or to circumstances described by a statute or ordinance defining an offense, that a person is aware or should have been aware that his conduct is of that nature or that the circumstance exists.

Further, Affiant sayeth naught.

Megan Tackett

STATE OF Indiana

COUNTY OF Marion

The foregoing instrument was subscribed, sworn to and acknowledged before me

by Megan Tackett on this the 2nd day of December, 2011.

My Commission expires: July 24, 2014

Joan E. Gorman
NOTARY PUBLIC, STATE AT LARGE

Please refer to Section II. Bid Conditions, Item "U" prior to completing this form.

I. GREEN PROCUREMENT

A. ENERGY

The Lexington-Fayette Urban County Government is committed to protecting our environment and being fiscally responsible to our citizens.

The Lexington-Fayette Urban County Government mandates the use of Energy Star compliant products if they are available in the marketplace (go to www.Energystar.gov). If these products are available, but not submitted in your pricing, your bid will be rejected as non-compliant.

ENERGY STAR is a government program that offers businesses and consumers energy-efficient solutions, making it easy to save money while protecting the environment for future generations.

Key Benefits

These products use 25 to 50% less energy
Reduced energy costs without compromising quality or performance
Reduced air pollution because fewer fossil fuels are burned
Significant return on investment
Extended product life and decreased maintenance

B. GREEN SEAL CERTIFIED PRODUCTS

The Lexington-Fayette Urban County Government is also committed to using other environmentally friendly products that do not negatively impact our environment. Green Seal is a non-profit organization devoted to environmental standard setting, product certification, and public education.

Go to www.Greenseal.org to find available certified products. These products will have a reduced impact on the environment and on human health. The products to be used must be pre-approved by the LFUCG prior to commencement of any work in any LFUCG facility. If a Green Seal product is not available, the LFUCG must provide a signed waiver to use an alternate product. Please provide information on the Green Seal products being used with your bid response.

C. GREEN COMMUNITY

The Lexington-Fayette Urban County Government (LFUCG) serves as a principal, along with the University of Kentucky and Fayette County Public Schools, in the Bluegrass Partnership for a Green Community. The Purchasing Team component of the Partnership collaborates on economy of scale purchasing that promotes and enhances environmental initiatives. Specifically, when applicable, each principal is interested in obtaining best value products and/or services which promote environment initiatives via solicitations and awards from the other principals.

If your company is the successful bidder on this Invitation For Bid, do you agree to extend the same product/service pricing to the other principals of the Bluegrass Partnership for a Green Community (i.e. University of Kentucky and Fayette County Schools) if requested?

Yes x No

****Must be in HP's normal delivery area****

II. Bid Conditions

- A. No bid may be withdrawn for a period of sixty (60) days after the date and time set for opening.
- B. No bid may be altered after the date and time set for opening. In the case of obvious errors, the Division of Central Purchasing may permit the withdrawal of a bid. The decision as to whether a bid may be withdrawn shall be that of the Division of Central Purchasing.
- C. Acceptance of this proposal shall be enactment of an Ordinance by the Urban County Council.
- D. The bidder agrees that the Urban County Government reserves the right to reject any and all bids for either fiscal or technical reasons, and to award each part of the bid separately or all parts to one vendor.
- E. Minor exceptions may not eliminate the bidder. The decision as to whether any exception is minor shall be entirely that of the head of the requisitioning Department or Division and the Director of the Division of Central Purchasing. The Urban County Government may waive technicalities and informalities where such waiver would best serve the interests of the Urban County Government.
- F. Manufacturer's catalogue numbers, trade names, etc., where shown herein are for descriptive purposes and are to guide the bidder in interpreting the standard of quality, design, and performance desired, and shall not be construed to exclude proposals based on furnishing other types of materials and/or services. However, any substitution or departure proposed by the bidder must be clearly noted and described; otherwise, it will be assumed that the bidder intends to supply items specifically mentioned in this Invitation for Bids.
- G. The Urban County Government may require demonstrations of the materials proposed herein prior to acceptance of this proposal.
- H. Bids must be submitted on this form and must be signed by the bidder or his authorized representative. Unsigned bids will not be considered.
- I. Bids must be submitted prior to the date and time indicated for opening. Bids submitted after this time will not be considered.
- J. All bids mailed must be marked on the face of the envelope:

"Bid on #128-2011 Janitorial Chemicals & Supplies"

and addressed to: Division of Central Purchasing
 200 East Main Street, Room 338
 Lexington, Kentucky 40507

The Lexington-Fayette Urban County Government assumes no responsibility for bids that are not addressed and delivered as indicated above. Bids that are not delivered to the Division of Central Purchasing by the stated time and date will be rejected.

- K. Bidder is requested to show both unit prices and lot prices. In the event of error, the unit price shall prevail.
- L. A certified check or Bid Bond in the amount of XX percent of the bid price must be attached hereto. This check must be made payable to the Lexington-Fayette Urban County Government, and will be returned when the material and/or services specified herein have been delivered in accordance with specifications. In the event of failure to perform within the time period set forth

in this bid, it is agreed the certified check may be cashed and the funds retained by the Lexington-Fayette Urban County Government as liquidated damages. Checks of unsuccessful bidders will be returned when the bid has been awarded.

- M. The delivery dates specified by bidder may be a factor in the determination of the successful bidder.
- N. Tabulations of bids received may be mailed to bidders. Bidders requesting tabulations must enclose a stamped, self-addressed envelope with the bid.
- O. The Lexington-Fayette Urban County Government is exempt from Kentucky Sales Tax and Federal Excise Tax on materials purchased from this bid invitation. Materials purchased by the bidder for construction projects are not tax exempt and are the sole responsibility of the bidder.
- P. All material furnished hereunder must be in full compliance with OSHA regulations.
- Q. If more than one bid is offered by one party, or by any person or persons representing a party, all such bids shall be rejected.
- R. Signature on the face of this bid by the Bidder or his authorized representative shall be construed as acceptance of and compliance with all terms and conditions contained herein.
- S. The Entity (regardless of whether construction contractor, non-construction contractor or supplier) agrees to provide equal opportunity in employment for all qualified persons, to prohibit discrimination in employment because of race, color, creed, national origin, sex or age, and to promote equal employment through a positive, continuing program from itself and each of its sub-contracting agents. This program of equal employment opportunity shall apply to every aspect of its employment policies and practices.
- T. The Kentucky Equal Employment Opportunity Act of 1978 (KRS 45.560-45.640) requires that any county, city, town, school district, water district, hospital district, or other political subdivision of the state shall include in directly or indirectly publicly funded contracts for supplies, materials, services, or equipment hereinafter entered into the following provisions:

During the performance of this contract, the contractor agrees as follows:

- (1) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, age or national origin;*
- (2) The contractor will state in all solicitations or advertisements for employees placed by or on behalf of the contractors that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, age or national origin;*
- (3) The contractor will post notices in conspicuous places, available to employees and applicants for employment, setting forth the provisions of the non-discrimination clauses required by this section; and*
- (4) The contractor will send a notice to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding advising the labor union or workers' representative of the contractor's commitments under the nondiscrimination clauses.*

The Act further provides:

KRS 45.610. Hiring minorities - Information required

- (1) For the length of the contract, each contractor shall hire minorities from other sources*

within the drawing area, should the union with which he has collective bargaining agreements be unwilling to supply sufficient minorities to satisfy the agreed upon goals and timetable.

- (2) *Each contractor shall, for the length of the contract, furnish such information as required by KRS 45.560 to KRS 45.640 and by such rules, regulations and orders issued pursuant thereto and will permit access to all books and records pertaining to his employment practices and work sites by the contracting agency and the department for purposes of investigation to ascertain compliance with KRS 45.560 to 45.640 and such rules, regulations and orders issued pursuant thereto.*

KRS 45.620. Action against contractor - Hiring of minority contractor or subcontractor

- (1) *If any contractor is found by the department to have engaged in an unlawful practice under this chapter during the course of performing under a contract or subcontract covered under KRS 45.560 to 45.640, the department shall so certify to the contracting agency and such certification shall be binding upon the contracting agency unless it is reversed in the course of judicial review.*
- (2) *If the contractor is found to have committed an unlawful practice under KRS 45.560 to 45.640, the contracting agency may cancel or terminate the contract, conditioned upon a program for future compliance approved by the contracting agency and the department. The contracting agency may declare such a contractor ineligible to bid on further contracts with that agency until such time as the contractor complies in full with the requirements of KRS 45.560 to 45.640.*
- (3) *The equal employment provisions of KRS 45.560 to 45.640 may be met in part by a contractor by subcontracting to a minority contractor or subcontractor. For the provisions of KRS 45.560 to 45.640, a minority contractor or subcontractor shall mean a business that is owned and controlled by one or more persons disadvantaged by racial or ethnic circumstances.*

KRS 45.630 Termination of existing employee not required, when

Any provision of KRS 45.560 to 45.640 notwithstanding, no contractor shall be required to terminate an existing employee upon proof that that employee was employed prior to the date of the contract.

KRS 45.640 Minimum skills

Nothing in KRS 45.560 to 45.640 shall require a contractor to hire anyone who fails to demonstrate the minimum skills required to perform a particular job.

It is recommended that all of the provisions above quoted to be included as special conditions in each contract. In the case of a contract exceeding \$250,000, the contractor is required to furnish evidence that his work-force in Kentucky is representative of the available work-force in the area from which he draws employees, or to supply an Affirmative Action plan which will achieve such representation during the life of the contract.

- U. Any party, firm or individual submitting a proposal pursuant to this invitation must be in compliance with the requirements of the Lexington-Fayette Urban County Government regarding taxes and fees before they can be considered for award of this invitation and must maintain a "current" status with regard to those taxes and fees throughout the term of the contract. The contractor must be in compliance with Chapter 13 from the Code of Ordinances

of the Lexington-Fayette Urban County Government. The contractor must be in compliance with Ordinance 35-2000 pursuant to contractor registration with the Division of Building Inspection. If applicable, said business must have a Fayette County business license.

Pursuant to KRS 45A.343 and KRS 45A.345, the contractor shall

- (1) *Reveal any final determination of a violation by the contractor within the previous five year period pursuant to KRS Chapters 136 (corporation and utility taxes), 139 (sales and use taxes), 141 (income taxes), 337 (wages and hours), 338 (occupational safety and health of employees), 341 (unemployment and compensation) and 342 (labor and human rights) that apply to the contractor; and*
- (2) *Be in continuous compliance with the above-mentioned KRS provisions that apply to the contractor for the duration of the contract.*

A contractor's failure to reveal the above or to comply with such provisions for the duration of the contract shall be grounds for cancellation of the contract and disqualification of the contractor from eligibility for future contracts for a period of two (2) years.

- V. Vendors who respond to this invitation have the right to file a notice of contention associated with the bid process or to file a notice of appeal of the recommendation made by the Director of Central Purchasing resulting from this invitation.

Notice of contention with the bid process must be filed within 3 business days of the bid/proposal opening by (1) sending a written notice, including sufficient documentation to support contention, to the Director of the Division of Central Purchasing or (2) submitting a written request for a meeting with the Director of Central Purchasing to explain his/her contention with the bid process. After consulting with the Commissioner of Finance the Chief Administrative Officer and reviewing the documentation and/or hearing the vendor, the Director of Central Purchasing shall promptly respond in writing findings as to the compliance with bid processes. If, based on this review, a bid process irregularity is deemed to have occurred the Director of Central Purchasing will consult with the Commissioner of Finance, the Chief Administrative Officer and the Department of Law as to the appropriate remedy.

Notice of appeal of a bid recommendation must be filed within 3 business days of the bid recommendation by (1) sending a written notice, including sufficient documentation to support appeal, to the Director, Division of Central Purchasing or (2) submitting a written request for a meeting with the Director of Central Purchasing to explain his appeal. After reviewing the documentation and/or hearing the vendor and consulting with the Commissioner of Finance and the Chief Administrative Officer, the Director of Central Purchasing shall in writing, affirm or withdraw the recommendation.

III. Procurement Contract Bid Conditions

- A. The terms of this agreement shall be for 1 year from the date of acceptance of this contract by the Lexington-Fayette Urban County Government. This agreement may be extended for an additional 1 year renewal upon the written agreement of the bidder and the Lexington-Fayette Urban County Government. Said agreement must be in writing and must be executed prior to the expiration of the current agreement.

- B. Price Changes (Space Checked Applies)
 - (XXX) 1. Prices quoted in response to the Invitation shall be firm prices for the first 90 days of the Procurement Contract. After 90 days, prices may be subject to revision and such changes shall be based on general industry changes. Revision may be either increases or decreases and may be requested by either party. There will be no more than one (1) price adjustment per quarter. Requests for price changes shall be received in writing at least twenty (20) days prior to the effective date and are subject to written acceptance before becoming effective. Proof of the validity of a request for revision shall be responsibility of the requesting party. The Lexington-Fayette Urban County Government shall receive the benefit of any decline that the seller shall offer his other accounts.

 - 2. No provision for price change is made herein. Prices are to be firm for the term of this contract.

 - 3. Procurement Level Contract

- C. If any contract item is not available from the vendor, the Lexington-Fayette Urban County Government, at its option, may permit the item to be back-ordered or may procure the item on the open market.

- D. All invoices must bear reference to the Lexington-Fayette Urban County Government Purchasing document numbers which are being billed.

- E. This contract may be canceled by either party thirty (30) days after delivery by canceling party of written notice of intent to cancel to the other contracting party.

- F. This contract may be canceled by the Lexington-Fayette Urban County Government if it is determined that the Bidder has failed to perform under the terms of this agreement, such cancellation to be effective upon receipt of written notice of cancellation by the Bidder.

- G. No substitutions for articles specified herein may be made without prior approval of the Division of Central Purchasing.

EQUAL OPPORTUNITY AGREEMENT

The Law

Title VII of the Civil Rights Act of 1964 (amended 1972) states that it is unlawful for an employer to discriminate in employment because of race, color, religion, sex, age (40-70 years) or national origin.

Executive Order No. 11246 on Nondiscrimination under Federal contract prohibits employment discrimination by contractor and sub-contractor doing business with the Federal Government or recipients of Federal funds. This order was later amended by Executive Order No. 11375 to prohibit discrimination on the basis of sex.

Section 503 of the Rehabilitation Act of 1973 states:

The Contractor will not discriminate against any employee or applicant for employment because of physical or mental handicap.

Section 2012 of the Vietnam Era Veterans Readjustment Act of 1973 requires Affirmative Action on behalf of disabled veterans and veterans of the Vietnam Era by contractors having Federal contracts.

Section 206(A) of Executive Order 12086, Consolidation of Contract Compliance Functions for Equal Employment Opportunity, states:

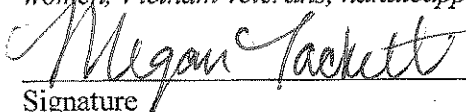

The Secretary of Labor may investigate the employment practices of any Government contractor or sub-contractor to determine whether or not the contractual provisions specified in Section 202 of this order have been violated.

The Lexington-Fayette Urban County Government practices Equal Opportunity in recruiting, hiring and promoting. It is the Government's intent to affirmatively provide employment opportunities for those individuals who have previously not been allowed to enter into the mainstream of society. Because of its importance to the local Government, this policy carries the full endorsement of the Mayor, Commissioners, Directors and all supervisory personnel. In following this commitment to Equal Employment Opportunity and because the Government is the benefactor of the Federal funds, it is both against the Urban County Government policy and illegal for the Government to let contracts to companies which knowingly or unknowingly practice discrimination in their employment practices. Violation of the above mentioned ordinances may cause a contract to be canceled and the contractors may be declared ineligible for future consideration.

Please sign this statement in the appropriate space acknowledging that you have read and understand the provisions contained herein. Return this document as part of your application packet.

Bidders

I/We agree to comply with the Civil Rights Laws listed above that govern employment rights of minorities, women, Vietnam veterans, handicapped and aged persons.

 www.spartanchemical.com

**HIGH SOLIDS/HIGH GLOSS/
 NON-YELLOWING:**

Modern polymer technology affords formula features that include exceptional clarity, depth of gloss, and superior durability, without yellowing.

GREEN SEAL™ CERTIFIED:

Green Solutions Floor Seal & Finish meets Green Seal's GS-40 standard for industrial and institutional floorcare products based on reduced human and aquatic toxicity and reduced smog production potential.

**NO VOCs, GLYCOL ETHER, HEAVY METALS
 OR ZINC:**

A specialty surfactant blend is used as an alternative to glycol ethers in film formation. These surfactants have no VOCs and have been shown not to cause human health concerns. Because of this less aggressive product formulation, this product must be protected from freezing.

CROSSLINKING POLYMERS:

Substituting alternative crosslinking agents to replace zinc, this product does not contribute to the monitoring issues for hazardous or suspect ingredients. Green Solutions Floor Seal & Finish maintains detergent resistance with all-purpose cleaners, yet removes easily with Green Solutions Floor Finish Remover and other various floor finish strippers.

DIRECTIONS FOR USE:

Some individuals may be sensitive to ingredients in this product. Before using, read product label and MSD sheet. Wet floors may be slippery. Prevent pedestrian traffic with signs or barricades.

Distributed by:

INITIAL APPLICATION:

1. Completely strip all old floor finish with Spartan Green Solutions Floor Finish Remover.
2. Remove the stripping solution and follow with two to three clear water rinses. Allow to dry.
3. Apply Green Solutions Floor Seal & Finish in a uniform, thin coat. Let dry thoroughly: normal conditions, 30 minutes; high humidity, 45 minutes or longer. Apply subsequent coats in the same manner. Three to five coats are recommended.

NOTE: For best results always use Spartan floor cleaners and strippers.

MAINTENANCE:

1. Dust mop or sweep floor as necessary. Spartan water-based Dust Mop/Dust Cloth Treatment is recommended.
2. Damp mop using Green Solutions All Purpose Cleaner or another neutral Spartan cleaner.
3. To easily repair traffic areas between finish applications:

Conventional Machines: Spray-buff using Spartan's Green Solutions Floor Seal & Finish diluted 1:4. You may also use this product as a mop-on restorer, diluted 1:2. Traffic lanes may be recoated as necessary.

High Speed Machines: Mix one gallon of Green Solutions Floor Seal & Finish with

two gallons of water (1:2). Saturate clean mop and wring thoroughly. Apply thin coat of diluted finish and let dry. Dry buff or burnish using a non-aggressive polishing pad. Traffic lanes may be recoated as necessary.

4. For heavily soiled areas, machine scrub and re-coat or completely strip and re-finish.

Be sure to read all Directions, Precautionary and First Aid Statements on product labels before use of this or any Spartan product. If questions remain, consult your employer or a physician. Material Safety Data Sheets for all Spartan products are available from your authorized Spartan distributor or by visiting www.spartanchemical.com.

SPECIFICATIONS:

Total Solids – 26.5%
 Non-Volatile Solids – 21.5%
 pH (Concentrate) – 8.0 - 8.5

Stability:

- a. Storage @24°C/75°F – One year minimum
- b. Accelerated @49°C/120°F – 30 days minimum
- c. Protect from freezing

Gloss (Gardner)

- a. 1 coat – 80-85
- b. 2 coats – 85-90

COVERAGE:

2,000 to 3,000 square feet per gallon depending on application method and porosity of floor.

PACKAGING

350460	275-gallon totes
350455	55-gallon drum
350430	30-gallon drum
350415	15-gallon drum
350405	5-gallon pail
350404	1-gallon (4 per case)

This product meets the Green Seal™ standard for industrial and institutional floor-care products based on its reduced human and aquatic toxicity and reduced smog production potential.

Label copy is available in English, Spanish, and French. Secondary labels are also available.

GUARANTEE: Spartan's modern manufacturing and laboratory control insure uniform quality. If dissatisfied with performance of product, any unused portion may be returned for credit within one year of the date of manufacture. Use product as directed and read all precautionary statements.

Product Available Worldwide. For institutional and industrial use only.

LOW ODOR AND NO VOCs:

Green Solutions Floor Finish Remover is fragrance free and has low VOCs (volatile organic compounds). Use in facilities and confined areas with confidence. An ideal choice for healthcare facilities, retail establishments, schools, administrative type offices, and public buildings. No need to schedule floor stripping during "off hours" due to extremely offensive odors. Use 24 hours a day! Anytime and anywhere!

GREEN SEAL™ CERTIFIED:

Green Solutions Floor Finish Remover meets Green Seal's GS-40 standard for industrial and institutional floorcare products based on reduced human and aquatic toxicity and reduced smog production potential.

GO GREEN - NO BUTOXYETHANOL:

Green Solutions Floor Finish Remover does not contain butoxyethanol; however, it is a very effective floor stripper and wax emulsifier. Assertive, not aggressive is the best way to describe Green Solutions Floor Finish Remover. Butoxyethanol, also commonly referred to as butyl, is often used as a very effective solvent, however, it is a potential inhalation and skin hazard.

HIGH PERFORMANCE. EASY RINSE:

Green Solutions Floor Finish Remover is rated as a high performance floor finish remover due to the speed of the emulsification process and the ease at which it quickly releases Green Solutions Floor Seal & Finish and other cross-linked acrylic finishes. Green Solutions Floor Finish Remover works fast and efficiently. Heavy build-ups of finish and wax are removed with little effort. Green Solutions Floor Finish Remover rinses easily.

DIRECTIONS FOR USE:

Some individuals may be sensitive to ingredients in this product. Before using, read product label and MSD sheet. Wet floors may be slippery. Prevent pedestrian traffic with signs or barricades.

1. Depending on build-up, dilute Green Solutions Floor Finish Remover from 1:3 to 1:20 (6 oz. to 43 oz./gal. of water) with water. Automatic scrubbers: dilute up to 1:10 (12 oz./gal. of water).
2. Liberally apply Green Solutions Floor Finish Remover with mop to small section (100 sq. ft.) of floor. Be sure to completely cover floor to baseboards.
3. After 3 to 5 minutes, agitate the wet section with a mop or machine scrub. Pick up solution using a mop, wet vac or automatic scrubber.
4. Rinse thoroughly with clear water to remove residue or squeegee tracks as necessary.

NOTE: Cold water is recommended for dilution.

Be sure to read all Directions, Precautionary and First Aid Statements on product labels before use of this or any Spartan product. If questions remain, consult your employer or a physician. Material Safety Data Sheets for all Spartan products are available from your authorized Spartan distributor or by visiting www.spartanchemical.com.

SPECIFICATIONS:

- Total Active Ingredients – 41.4%
- Specific Gravity – 1.009
- Density – 8.40 lbs./gal.
- pH Concentrate – 10.5 – 11.5
- Flash Point (Cleveland Open Cup) – None
- Stability:
 - a. Shelf @ 25°C/75°F – in excess of one year
 - b. Accelerated @ 49°C/120°F – in excess of 90 days
 - c. Freeze/Thaw Cycle – can withstand 3 cycles

GREEN SEAL™ CERTIFIED: 

The Green Seal™ is awarded to products that have less impact on the environment and work well. To earn the Green Seal a product must meet the Green Seal standard for the category as demonstrated by rigorous evaluation and testing and a plant visit.

NO VOCs, NO SILICATES AND NO BUTYL:

Green Solutions All Purpose Cleaner will not cause problems with filterability in wastewater treatment systems or add residue. Green Solutions All Purpose Cleaner is VOC free and will not add to the total VOC count in any industrial facility. Green Solutions All-Purpose Cleaner is very effective without the use of butyl. Butyl is not permitted in many large manufacturing plants, government and automotive production facilities.

ENVIRONMENTALLY RESPONSIBLE:

Green Solutions All-Purpose Cleaner incorporates a state-of-the-art surfactant system eliminating the need for Nonylphenol detergents. Many current cleaners and degreasers depend on this type of detergent for their cleaning ability. Green Solutions All-Purpose Cleaner offers excellent surfactant/wetting agent with emulsification abilities through the use of more readily biodegradable alternative surfactant chemistries. Biodegradable. No phosphates. Green Solutions All Purpose Cleaner is easily waste treatable.

AREAS FOR USE:

Green Solutions All Purpose Cleaner can be used on any surface not harmed by water. Apply with mop, brush, pressure washer, auto scrubber or use as a spray and wipe for walls and equipment.

DIRECTIONS FOR USE:

Some individuals may be sensitive to ingredients in this product. Before using, read product label and Material Safety Data Sheet. If questions remain, consult your employer or a physician.

Dispensing from the Green Solutions Lock & Dial or Clean on the Go 2-Liter systems:

For heavier soils, a higher concentrate of product may be required. Use additional metering tips provided with dispenser to obtain the desired dilution.

Cold water is recommended for dilution.

Light Duty Cleaning:

Dilute at 1:64 (2 oz./gal.) for everyday light duty cleaning. Spray surface and wipe with sponge, mop or other cleaning cloth.

Medium Duty Cleaning:

Dilute at 1:32 (4 oz./gal.) of water. Spray surface and wipe with sponge, mop or other cleaning cloth.

Floor Cleaning Using Mop and Bucket/ Auto Scrubber:

Dilution and fill in directions: For daily damp mopping, dilute 1:40 (3 oz./gal.) or (22,5 mL per liter). Fill bucket or auto scrubber. Mop and/or scrub with auto scrubber with Green Solutions All-Purpose Cleaner. Pick up soil and excess cleaner with clean mop. Rinse mops frequently and change solution as needed.

See product label for complete directions for use and more applications.

CAUTION: Undiluted product causes eye and skin irritation. May be harmful if swallowed. Inhalation of product mist may cause respiratory irritation.

Do not get in eyes, on skin, or on clothing. Do not taste or swallow. Avoid breathing product mist. Wash thoroughly after handling.

DO NOT MIX WITH OTHER CHEMICALS.

Be sure to read all Directions, Precautionary and First Aid Statements on product labels before use of this or any Spartan product. If questions remain, consult your employer or a physician. Material Safety Data Sheets for all Spartan products are available from your authorized Spartan distributor or by visiting www.spartanchemical.com.

TRIPLE ACTION CLEANING PERFORMANCE:

TriBase Multi Purpose Cleaner is formulated with bio-based surfactant blends for outstanding cleaning performance, while displaying the benefits bio-based materials possess. The three main surfactant ingredients were derived from corn, coconut and palm kernel, each supporting a different area of agriculture.

FLEXIBLE FORMULA:

TriBase Multi Purpose Cleaner can be used to clean a variety of soils found on many surface types. This multi purpose cleaner will work on glass, mirrors, floors, walls, and kitchen surfaces, and tile; almost any surface not harmed by water. This product was formulated to handle everyday cleaning tasks, as well as, heavier duty challenges. Apply with a mop, brush, pressure washer, auto scrubber or use a spray and wipe application.

ENVIRONMENTALLY PREFERABLE:

TriBase Multi Purpose Cleaner product meets the Green Seal™ standard for industrial and institutional cleaners based on its reduced human and environmental toxicity and reduced volatile organic compound content.

BIO-BASED FORMULA SEAL:

TriBase Multi Purpose Cleaner is certified by a third party to contain 72% bio-based material. The testing was performed by an outside, USDA approved, laboratory to insure the biobased content of TriBase Multi Purpose Cleaner. The bio-based seal, found on product labels and literature, allows end users to easily identify the biobased content in each BioRenewables product. This seal guarantees the percentage of ingredients that are made from renewable resources.

Distributed by:

ECONOMICAL AND VARIED DILUTIONS:

TriBase Multi Purpose Cleaner's formula can be customized to meet the cleaning task at hand by simply changing the dilution ratio.

Task	Dilution Ratio	Oz. of product per Gal. of water
Light Cleaning	1:64	2 oz.
Glass Cleaning	1:128	1 oz.
Damp Mopping	1:128 to 1:32	1 oz. to 4 oz.
Degreasing or Deep Scrubbing	1:16	8 oz.

DIRECTIONS FOR USE:

Some individuals may be sensitive to ingredients in this product. Before use, read product label and Material Safety Data Sheet.

NOTE: Cold water recommended for dilution.

Dispensing from the SAM Press & Fill Chemical Management System:

For heavier soils, a higher concentrate of product may be required. Use additional metering tips provided with dispenser to obtain the desired dilution. Cold water is recommended for dilution.

Light-Duty Cleaning: Dilute at 1:64 (2 oz. per gal.) for everyday light duty cleaning. Spray surface and wipe with sponge, mop or other cleaning cloth.

Glass Cleaning: Dilute at 1:128 (1 oz. per gal.) for glass cleaning. Spray surface and wipe dry with a clean cloth or paper towel. Turn cloth frequently so clean side is always in use.

Medium-Duty Cleaning/Degreasing: Dilute at 1:32 (4 oz. per gal.) of water. Spray surface and wipe with sponge, mop or other cleaning cloth.

Heavy-Duty Cleaning/Degreasing: Dilute at 1:16 (8 oz. per gal.) of water. Spray surface and

wipe with sponge, mop or other cleaning cloth. To use as a deep scrub before finish recoating, dilute and apply liberally to the floor. Scrub with blue, green or red pad, pick up with wet-dry vac and rinse with clear water. Once the floor is dry, it can be recoated with floor finish.

Floor Cleaning Using Mop and Bucket/Auto Scrubber:

For daily damp mopping, dilute 1:128 to 1:32 (1 oz. to 4 oz. per gal.). Fill bucket or auto scrubber. Mop and/or scrub with auto scrubber with TriBase Multi Purpose Cleaner. Pick up soil and excess cleaner with clean mop. Rinse mops frequently and change solution as needed.

DO NOT MIX WITH OTHER CHEMICALS.

Be sure to read all Directions, Precautionary and First Aid Statements on product labels before use of this or any Spartan product. If questions remain, consult your employer or a physician. Material Safety Data Sheets for all Spartan products are available from your authorized Spartan distributor or by visiting www.spartanchemical.com.

SPECIFICATION DATA:

Specific Gravity – 1.005 @ 24°C/75°F

Density – 8.36 lbs./gal.

pH – 8.0-9.0

Flash Point – None

Color – Golden yellow

Stability –

- a. Shelf @ 24°C/75°F – one year minimum
- b. Accelerated @ 49°C/120°F – 30 days minimum
- c. Freeze/Thaw – will withstand three cycles

Phosphate free

Biodegradable

PACKAGING	
383055	55-gallon drum
383030	30-gallon drum

Certain facilities and areas of facilities need the effectiveness of germicidal and virucidal products. Those attributes are found only in a disinfectant cleaner.

This product, when used as directed, is formulated to disinfect hard non-porous inanimate environmental surfaces such as floors, walls, metal surfaces, bathrooms, shower stalls, bathtubs and cabinets. For larger areas such as operating rooms and patient care facilities, this product is designed to provide both general cleaning and disinfecting. This product deodorizes those areas which generally are hard to keep fresh smelling, such as garbage cans, storage areas, empty garbage bins and cans, toilet bowls, and other areas which are prone to odours caused by microorganisms. This product is formulated to a neutral pH and will not dull high-gloss floor finishes with repeated use.

KILLS GERMS IN MINUTES! :

Effective against the following Bacteria:

Pseudomonas aeruginosa PRD-10, *Salmonella enterica* subsp. *enterica* serotype *choleraesuis*, *Staphylococcus aureus*, *Staphylococcus aureus* (clinical isolate), *Bordetella bronchiseptica*, *Corynebacterium ammoniagenes*, *Enterobacter aerogenes*, *Enterobacter cloacae*, *Enterobacter cloacae* (clinical isolate), *Enterococcus faecalis*, *Enterococcus faecalis* (clinical isolate), *Escherichia coli*, *Escherichia coli* (clinical isolate), *Fusobacterium necrophorum*, *Klebsiella pneumoniae* subsp. *pneumoniae*, *Lactobacillus casei* subsp. *rhamnosus*, *Listeria monocytogenes*, *Pasteurella multocida*, *Proteus vulgaris*, *Proteus mirabilis* ATCC 9921, *Proteus mirabilis* ATCC 25933, *Salmonella enterica* subsp. *enterica* serotype *paratyphi B*, *Salmonella enterica* subsp. *enterica* serotype *typhi*, *Salmonella enterica* subsp. *enterica* serotype *typhimurium*, *Salmonella enterica* subsp. *enterica* serotype *pullorum*, *Serratia marcescens*, *Shigella sonnei*,

Shigella flexneri Type 2b, *Shigella dysenteriae*, *Staphylococcus aureus* subsp. *aureus*, *Staphylococcus epidermidis*, *Staphylococcus epidermidis* (clinical isolate), *Streptococcus pyogenes* (Clinical – Flesh Eating Strain BIRD M3), *Streptococcus pyogenes* Group A, *Xanthomonas maltophilia* (clinical isolate), *Vancomycin resistant Enterococcus faecalis* (VRE), *Methicillin resistant Staphylococcus aureus* (MRSA), and *Vancomycin intermediate resistant Staphylococcus aureus* (VISA), *Community Associated Methicillin Resistant Staphylococcus aureus* (CA-MRSA) NRS 123 Genotype USA 400, *Community Associated Methicillin Resistant Staphylococcus aureus* (CA-MRSA) NRS 384 Genotype USA 300

Effective against the following Viruses:

HIV-1, HIV-2, Hepatitis B virus (HBV), Hepatitis C virus (HCV), Herpes Simplex Type 1 (causative agent of fever blisters), Herpes Simplex Type 2 (genital), Influenza A2/Hong Kong, Vaccinia, Rotavirus, Human Coronavirus (ATCC VR-740, Strain 229E), SARS Associated Coronavirus, Rabies Virus, Bovine Viral Diarrhea Virus (BVDV), Pseudorabies, Bovine Rhinotracheitis, Feline Leukemia, Feline Picornavirus, Canine Distemper Virus, Avian Influenza A Virus, and Porcine Respiratory & Reproductive Syndrome Virus (PRRSV), Pandemic 2009 H1N1 Influenza A virus

Fungicidal claims:

Candida albicans, *Trichophyton mentagrophytes*

DIRECTIONS FOR USE:

Use GS Neutral Disinfectant for these application and more:

GENERAL CLEANING: Apply product to soiled area with a mop, cloth, sponge, low pressure coarse sprayer or hand pump trigger sprayer. This product can be diluted at 2 ounce per gallon or applied at full strength. Thoroughly wet soiled surface and scrub as necessary.

DISINFECTION: To disinfect inanimate, hard non-porous surfaces add 16 mL of this product per Litre of water. Apply solution with a mop, cloth, sponge

or hand-pump trigger sprayer so as to wet all surfaces thoroughly. Allow to remain wet for 10 minutes, then remove excess liquid. For heavily soiled areas, a pre-cleaning step is required. Prepare a fresh solution for each use.

TO DISINFECT TOILET BOWLS: Remove gross filth or soils from surfaces with bowl brush. Add 16 mL of product to the bowl water. Brush or swab the bowl completely using a scrub brush or toilet mop making sure to get under the rim. Let stand for 10 minutes and flush.

Be sure to read all Directions, Precautionary and First Aid Statements on product labels before use of this or any Spartan product. If questions remain, consult your employer or a physician. Material Safety Data Sheets for all Spartan products are available from your authorized Spartan distributor or by visiting www.spartanchemical.com.

SPECIFICATION DATA:

Specific Gravity - 0.997 @ 24°C/75°F
Density - 8.32 lbs./gal. @ 24°C/75°F
pH (Concentrate) – 6.0 – 7.0
Flash Point - None to boiling
Cloud Point - None to boiling
Viscosity - Water thin
Color – Clear to light yellow
Fragrance – No fragrance added
Stability:

- a. Shelf @ 24°C/75°F - One year minimum
 - b. Freeze/Thaw - 3 cycles
- Contains biodegradable surfactants
Phosphate free
EPA Reg. No. 1839-169-5741

ALL YOU NEED:

Pale blue in color, with a fresh spring rain fragrance, Clean by Peroxy is pleasant to use. It tackles most soils and can be characterized as an all-you-need, all-purpose cleaner. Clean by Peroxy has been created from specially selected surfactants and blended with hydrogen peroxide. This combination provides unprecedented cleaning action to most surfaces and surface soils. Clean by Peroxy will even tackle grease and grime found in grout and on glazed ceramic tile!

ONE PRODUCT SIMPLICITY:

Clean by Peroxy is a unique product that will effectively clean windows, mirrors, floors, walls, carpets, restrooms, kitchens, tile and grout without streaking. By stocking Clean by Peroxy in your inventory, you minimize SKUs, inventory surplus, and employee training. Having one product to choose from will reduce accidental product mix-ups.

ENVIRONMENTALLY PREFERABLE:

Clean by Peroxy is non-combustible and it does not contribute to the production of photochemical smog, tropospheric ozone or poor indoor air quality. Clean by Peroxy will not contribute to eutrophication.

Be sure to read all Directions, Precautionary and First Aid Statements on product labels before use of this or any Spartan product. Material Safety Data Sheets for all Spartan products are available from your authorized Spartan distributor or by visiting www.spartanchemical.com.

Distributed by:

DIRECTIONS FOR USE:

Always pretest for colorfastness in an inconspicuous area before use. Do not use on marble and other acid sensitive surfaces. Do not use with metal drum or pail pumps.

Glass Cleaner: Dilute at 1:128 (1 oz./gal.) for everyday glass and mirror cleaning. Spray surface and wipe with a lint-free cloth.

Light-Duty Cleaning: Dilute at 1:64 (2 oz./gal.) for everyday light-duty cleaning. Spray surface and wipe with sponge, brush, mop or other cleaning cloth.

Medium-Duty Cleaning: Dilute at 1:32 (4 oz./gal.). Spray surface and wipe with sponge, brush, mop or other cleaning cloth.

Heavy-Duty Cleaning and Degreasing: Dilute at 1:10 (12 oz./gal.). Spray surface and wipe with sponge, brush, mop or other cleaning cloth.

For Daily Damp Mopping: Dilute 1:128 (1 oz./gal.). Fill bucket. Mop with Clean by Peroxy. Pick up the soil and excess cleaner with a clean mop. Rinse mops frequently and change solution as needed.

Carpet Extraction: Dilute at 1:64 (2 oz./gal.). Fill extraction equipment. Extract carpet.

Note: Cold water is recommended for dilution.

SPECIFICATIONS:

Specific Gravity – 1.014
 Density – 8.45 lbs./gallon
 pH Concentrate – 2.0 - 3.0
 Flash Point – none

Stability

- a. Shelf @ 24°C/75°F – One year minimum
- b. Accelerated @ 49°C/120°F – 30 days minimum
- c. Freeze/Thaw – Stable. Withstands 3 freeze/thaw cycles.
- d. Miscibility – Complete in all proportions in both hot and cold water.

Green Seal Certified

Sustainability is integrated into Dial Professional products, from formula to packaging. We are convinced that effective environmental protection and social responsibility are essential for our long-term success as a company.

Henkel standards for sustainability often exceed those of many of the certifying organizations. Henkel complies with federal, state and local government regulations. Henkel has long been committed to providing efficacious products while protecting our natural resources and the environment.

Products within the Dial Professional Green Assurance Program meet and/or exceed the following green criteria:

- Biodegradable Formulas
- Meet CARB VOC Limits
- Hypoallergenic (personal care products)
- IFRA Compliant Fragrances
- Recycling Packages
- No Phosphates
- Non-Irritating Formulas (personal care products)

[Dial® Basics Hypoallergenic Liquid Soap](#)

Hypoallergenic Dial® Basics soap is a mild liquid lotion soap that is gentle on the skin. With its fresh floral fragrance and rich lotion look and feel, Dial® Basics soap is a premium product with an emphasis on value.

Perfect for any commercial setting including healthcare facilities, schools, offices, restaurants, daycare and more.

[Dial® Basics Foaming Lotion Soap](#)

Dial® Basics Foaming Lotion Soap has a mild aloe formula that is gentle on the skin and rinses clean. Its mild formula is dermatologist-tested and hypoallergenic, making it excellent for frequent handwashing.

Dial® Basics Foaming Lotion Soap is an ideal soap for any commercial setting, including healthcare facilities, schools, offices, restaurants, daycare and more.

WAUSAUPAPER®

Towel & Tissue Products

Green Seal™ Certified

Green Seal is an independent, non-profit organization, located in Washington, DC, that strives to achieve a healthier and cleaner environment by identifying and promoting products and services that cause less pollution and waste, conserve resources and habitats, and minimize global warming and ozone depletion. Green Seal provides credible and unbiased information in order to direct the purchaser to environmentally responsible products and services. For more information on Green Seal, Inc., visit www.greenseal.org.

To achieve and maintain the Green Seal certification, our towel and tissue products are continually subjected to rigorous evaluation and testing along with a quality-control audit of our papermaking processes at our mill in Middletown, Ohio.

Green Seal Standards for Paper Towels

100% Recycled (recovered after papermaking process)
 Minimum 40% post-consumer wastepaper content (EPA guidelines)
 Wastepaper is not de-inked using solvents containing chlorine or any other chemicals or compounds harmful to the environment.
 Wastepaper is not bleached using chlorine or any of its derivatives such as hypochlorite and chlorine dioxide.
 Paper towels do not contain any added pigments, inks, dyes or fragrances.
 Product is made in accordance with reasonable industry practice with respect to holes, tears, wrinkles, cleanliness, foreign materials or dirt. Product must dispense properly from the container (dispenser) or roll.
 The cores in the roll towels are made from 100% recycled materials.
 Packaging materials cannot contain lead, cadmium, mercury and hexavalent chromium in excess of 100 parts per million (above trace levels).

Green Seal Standards for Bath and Facial Tissue

100% Recycled (recovered after papermaking process)
 Minimum 20% post-consumer wastepaper content in bath tissue; 10% in facial tissue (EPA guidelines).
 Wastepaper is not de-inked using solvents containing chlorine or any other chemicals or compounds harmful to the environment.
 Wastepaper is not bleached using chlorine or any of its derivatives such as hypochlorite and chlorine dioxide.
 Bath and facial tissue does not contain any added pigments, inks, dyes, or fragrances.

Lexington, KY

Re: Janitorial Chemicals & Supplies

Thank you for giving HP Products Corporation the opportunity to bid on the custodial items for this year. We also encourage you to visit our website at www.hpproducts.com to view our full line of products and services.

We understand that Lexington-Fayette Urban County Government wishes to use Procurement Cards. HP will accept Procurement Cards; however there will be a 4% service charge.

All prices will be firm for the first 90 days of the contract. Manufacturer's price increases will be passed along after the 90 days due to volatile market conditions.

We look forward to working with you. Please let us know if there is anything else we can provide.

Sincerely,

Megan Tackett
Bid Coordinator
HP Products Corporation

TABULATIONS AND AWARD NOTIFICATION

THANK YOU FOR THE OPPORTUNITY TO PARTICIPATE IN YOUR BID REQUEST. PURSUANT TO THE FEDERAL FREEDOM OF INFORMATION ACT, HP PRODUCTS WOULD LIKE DISCLOSURE OF BID TABULATIONS AND NOTIFICATION OF BID AWARD(S) FOR OUR RECORDS. HP PRODUCTS WILL NOT BE RESPONSIBLE FOR THE COST/FEE TO PROVIDE THESE DOCUMENTS.

PLEASE ALLOW 2-10 DAYS FOR CONTRACTS TO BE SET UP BEFORE PLACING ORDERS. THE AWARD NOTIFICATION PRIOR TO ANY ORDERS BEING PLACED WILL ENSURE THAT PROPER PRICING IS APPLIED TO YOUR INVOICE.

SEND COPIES OF THE BID TABULATION AND AWARD NOTIFICATION TO THE FOLLOWING:

HP PRODUCTS
ATTN: BID DEPARTMENT
4220 SAGUARO TRAIL
INDIANAPOLIS, IN 46268

OR

EMAIL: bids@hpproducts.com

OR

FAX: 317-216-3440

HP PRODUCTS LOOKS FORWARD TO WORKING WITH YOU. THE BID TABULATIONS WILL HELP US PROVIDE BETTER PRICING FROM THE MANUFACTURERS ON FUTURE REQUESTS.

hereby grants

National Women's Business Enterprise Certification to HP Products Corporation

who has successfully met WBENC's standards as a Women's Business Enterprise (WBE).
This certification affirms the business is woman-owned, operated and controlled; and is valid through the date herein.

WBENC National WBE Certification was processed and validated by Women's Business Enterprise Council – Great Lakes, a WBENC Regional Partner Organization.

Expiration Date: 05/27/2012
WBENC National Certificate Number: 2005110533

Authorized by Michelle Richards, President,
Women's Business Enterprise Council – Great Lakes

NAICS Codes: 561720, 423850, 423840

UNSPSC Codes: 47120000, 14121500, 24121500, 42132100, 46000000, 47110000, 47130000

Indianapolis IN 46268

Subject: Application for WBE certification

Dear Bridget Walker,

Congratulations! The Indiana Department of Administration, Minority and Women's Business Enterprises Division is pleased to inform you that HP Products Corporation is hereby certified as a Women-owned Business Enterprise (WBE).

Your company provides a commercially useful function in the areas listed below. Only work performed in these areas will be counted towards Women Business Enterprise participation:

UNSPSC CODES(S)

Code	Description
47000000	Cleaning Equipment and Supplies
14111700	Personal paper products
24121500	Packaging boxes and bags and pouches
24141600	Cushioning supplies
39101600	Lamps and light bulbs
46181500	Safety apparel

This certification is valid through September 30, 2010. Although your certification is valid for a three-year period, you will be required to submit an annual *Affidavit of Continued Eligibility*, which reflects updates regarding the issues critical to maintaining your certification. However, you must notify us immediately if any changes occur. Failure to notify us of changes or to provide the *Affidavit of Continued Eligibility* form annually will result in revocation of your certification. Changes include, but are not limited to:

- Change in location or contact information (address, phone number, e-mail address, etc.)
- Change in services provided (amendment to certification)
- Change in ownership
- Change in control

In addition to your official notifications to this office, we encourage you to visit our website at www.in.gov/idoa/inwbe and update your Business Registration Profile. It is important that you review and update your profile regularly, because state purchasing agents and prime contractors will use this information to contact you for business opportunities. For questions regarding your registration profile, you may contact Shirley Houston at 317-232-6870.

While this letter serves as notification of certification, it does not serve to prove continued eligibility. Please visit <http://www.in.gov/idoa/minority/Certifications.xls> to verify certification status. Please contact our office at (317) 232-3061 if you have any other questions.

Sincerely,

Claudia Cummings
Claudia Cummings, Deputy Commissioner
Minority and Women's Business Enterprises Division
