The first structure will be a sixteen (16) story building consisting of (i) 202 apartments of approximately 1,000 square feet each, (ii) a full gym and swimming pool on the seventh floor, and (iii) street-level restaurants and retail space using approximately 10,700 leasable square feet. The second structure will be two stories and developed for restaurant and retail use and will include an estimated 8,000 square feet at 4,000 square feet per floor. Third-parties will be allowed to lease and operate the retail and restaurant spaces in each structure.

The Developer shall have the right to assign any rights created by this Agreement to one or more of its Affiliates. The Developer and its Affiliates shall remain in good standing with the Office of the Secretary of State for the full term of this Agreement. In addition, the Developer and its Affiliates shall provide a listing of their officers and managers to the LFUCG Commissioner of Finance on or before June 30 of each year following the execution of this Agreement, with the current officer and managers of the Developer and its Affiliates being listed on Exhibit "D" attached hereto.

B. The Project shall be financed with Project Financing and equity provided by the Developer, and its Affiliates, subject to the pledge of State and LFUCG Incremental Revenues to reimburse the Developer for certain Capital Investments as set forth in Section V of this Agreement. The Developer shall keep LFUCG informed as to the status of the Project Financing for the Project.

C. The Project shall be constructed in accordance with local land use and other local and state requirements that govern the development of property within Lexington. The Developer shall not commence any site improvements without first obtaining the necessary permits and/or approvals from the relevant government agencies, including but not limited to, the LFUCG Divisions of Building Inspection, Engineering and Water Quality, with any relevant approvals by the State.

D. The Developer agrees to proceed expeditiously to complete construction plans and specifications to a level adequate to obtain all permits and approvals necessary to complete construction of the Project.

E. Project Costs. The Developer shall document all Project Costs and Capital Investment, including which costs represent Public Infrastructure Improvements associated with construction of the Project, and submit such costs to LFUCG and the Agency in the format to be determined by the Agency and KEDFA, to enable the Agency and LFUCG to comply with its reporting requirements as set forth in the Local Participation Agreement and the Tax Incentive Agreement.

F. The anticipated Public Infrastructure Improvements are itemized in Exhibit “C” to this Agreement and are eligible to be fully reimbursed by the Agency according to the terms of the Local Participation Agreement, and it is assumed that a portion of the costs associated with

such improvements will be eligible costs for reimbursement from State Incremental Revenues under the Tax Incentive Agreement and KRS 154.30-110.

G. The Developer shall assist the Agency in complying with any reporting requirements mandated by the Local Participation Agreement and Tax Incentive Agreement, in computing the baseline LFUCG and State “old revenues” applicable to the Development Area, and in calculating the Incremental Revenues that may be due to the Agency from LFUCG and the State. The Developer shall include provisions in any Affiliate agreements, construction agreements or leases relating to the construction or operation of the Project, to require the contractors constructing the Project and businesses operating within the Project to provide information, including federal and state tax identification numbers, etc., to the Agency or other information as may be required by the Agency, relating to LFUCG and State taxes that may be generated from the Project.

H. The Developer agrees to notify LFUCG, in writing, when it intends to request activation of the Development Area and/or if it intends to request an extension or delay of activation of the Development Area. The Developer agrees to provide LFUCG with a statement of Project Costs and expenditures incurred for every six (6) month period upon preliminary approval of the Tax Incentive Agreement application in compliance with the reporting requirements required by the Tax Incentive Agreement.

I. The Developer, with the assistance of LFUCG and the Agency shall prepare and submit the application under the Commonwealth Program to KEDFA and shall be responsible for paying all application fees, consultant fees, attorney fees or administration fees required by KEDFA.

SECTION V

Priority on the Use of Incremental Revenues

Pursuant to the provisions of the Act and the Local Participation Agreement, LFUCG and the Agency anticipate activating the Development Area upon Project completion, which will potentially allow for Incremental Revenues to be available to the Agency beginning in calendar year 2017. In consideration of the Developer constructing the Project and complying with the requirements and conditions of Section IV of this Agreement, LFUCG and the Agency agree that priority for the use of the Incremental Revenues received by the Agency from LFUCG and the State shall be as follows:

A. Each year following the Activation of the Development Area until its termination, an administrative charge based on 0.02% of the total project amount of \$33,000,000, or \$6,600, will be collected from the Incremental Revenues received by the Agency pursuant to the Local Participation Agreement and/or Tax Incentive Agreement and shall be retained by the Agency to cover administrative and other expenses incurred by the LFUCG or the Agency for the administration and implementation of the Development Area Ordinance, including complying with any reporting requirements set forth in the Local Participation Agreement and/or Tax Incentive Agreement. It is understood that if in any year the amount of Incremental Revenues received by the Agency are not sufficient to satisfy the annual charge of \$6,600, the amount not satisfied may be recovered by the Agency from the Incremental Revenues received by the Agency in future years.

B. After the Developer has met its obligations set forth in Section IV of this Agreement, and after the payment of any administrative charges that may be due LFUCG as provided in Section V(A) of this Agreement, the balance of the Incremental Revenues received

by the Agency pursuant to the Local Participation Agreement and/or Tax Incentive Agreement shall be annually paid to the Developer to reimburse the Developer for the Capital Investment of Public Infrastructure Improvements, up to the actual Capital Investment for Public Infrastructure Improvements as certified by the Developer, but not to exceed \$2,700,000 in Capital Investment. No Incremental Revenues shall be paid to the Developer pursuant to this paragraph until the Minimum Capital Investment of \$10,000,000 within the Development Area has been certified. It is acknowledged by the Parties that after the total reimbursement of Capital Investment for Public Infrastructure Improvements to the Developer, as provided in this Section V(B) of the Agreement has been achieved, any Incremental Revenues that may be received by the Agency under the Local Participation Agreement and/or Tax Incentive Agreement, may be expended for redevelopment assistance, as defined by the Act, within the Development Area as may be determined by LFUCG, or at its option, LFUCG may terminate the Development Area and any agreements incident thereto.

C. After the State gives final approval to the Project for a pledge of State Incremental Revenues, the Agency agrees to execute a Tax Incentive Agreement with the State that provides for the pledging of certain State Incremental Revenues to help pay for Public Infrastructure Improvements within the Development Area.

D. After the obligations set forth in Section V(A) and V(B) of this Agreement have been fully satisfied, Incremental Revenues received by the Agency pursuant to the Local Participation Agreement and/or Tax Incentive Agreement may be used by the Agency to pay for other eligible capital costs within the Development Area as set forth in the Local Participation Agreement and/or Tax Incentive Agreement.

E. It is understood by the Parties that after the activation of the Development Area any State Incremental Revenues that may be generated and available to be paid by the State to the Agency pursuant to the provisions of the Tax Incentive Agreement, shall be held by the State in escrow without interest accruing thereon, until the Minimum Capital Investment of \$10,000,000 in documented Project Costs, required for the release of State Incremental Revenues, are certified as may be provided in the Tax Incentive Agreement. It is further understood that the payment of State Incremental Revenues to the Agency are limited to reimbursement for Approved Public Infrastructure Costs that will be identified in the Tax Incentive Agreement, that are certified by the Agency to the State and approved by the State.

F. Notwithstanding anything to the contrary, nothing in this Agreement shall be interpreted to commit LFUCG and/or the Agency to pay for or reimburse any Project Costs, except from the Incremental Revenues that may be generated within the Development Area and due to the Agency as provided in the Local Participation Agreement and the Tax Incentive Agreement.

G. The obligations of the Agency to reimburse costs to the Developer as provided in Section V of this Agreement are contingent upon KEDFA approving the Project under the Commonwealth Program to allow a portion of the Capital Investment costs for Public Infrastructure Improvements to be reimbursed with State Incremental Revenues as Approved Public Infrastructure Costs. In addition, any obligations of LFUCG or the Agency to reimburse Project Costs from Incremental Revenues shall terminate in the event the Tax Incentive Agreement is terminated or not renewed as provided in the Act and the Tax Incentive Agreement. However, this Agreement shall continue in full force and effect to reimburse the

Developer for Public Infrastructure Improvement costs even if the State reimbursement has reached its maximum cap, as provided in the Tax Incentive Agreement.

SECTION VI

Default

If any Party or any Parties (in either case, the “Defaulting Party”) materially breaches or defaults on any of its obligations under this Agreement, the other Parties may give notice that remedial action must be taken by the Defaulting Party within sixty (60) days of the notice. The Defaulting Party shall correct such breach or default within sixty (60) days after such notice; provided, however, if (i) the default is one which cannot with due diligence be remedied by the Defaulting Party within sixty (60) days, and (ii) the Defaulting Party proceeds as promptly as reasonably possible after such notice and with all due diligence to remedy such default, the period after such notice within which to remedy such default shall be extended for such period as may be necessary to remedy the same with all due diligence. If such action is not taken, the non-defaulting parties may, in addition to all other remedies available at law or in equity (including but not limited to specific performance and/or recovery of damages, including reasonable attorneys’ fees and other costs and expenses), terminate this Agreement, or the portion of it affected by the default, by giving ten (10) days written notice to the defaulting Party or Parties.

In the event this Agreement is terminated, LFUCG and the Agency shall be (i) relieved of any executory obligations under this Agreement, (ii) released from undertaking any additional obligations as provided in this Agreement.

SECTION VII

Miscellaneous Provisions

A. Term; Survival; Termination. The term of this Agreement shall be from the date of this Agreement until the earliest of (i) the final payment of the Incremental Revenues and the use of such Incremental Revenues pursuant to this Agreement, the Local Participation Agreement and the Tax Incentive Agreement, (ii) the termination of this Agreement in accordance with its terms or (iii) the termination of the Local Participation Agreement and the Tax Incentive Agreement. This Agreement shall not terminate upon the execution of any agreements required or contemplated by this Agreement, or referred to in this Agreement, and the provisions of this Agreement shall not be deemed to be merged into any such agreements, it being the intent of the Parties that this Agreement shall survive the execution and delivery of any such agreements and shall continue throughout the entire development of the Development Area.

B. Governing Law. The laws of the State shall govern as to the interpretation, validity and effect of this Agreement.

C. Severability. If any provision of this Agreement or the application thereof to any person or circumstance shall to any extent be held in any proceeding to be invalid or unenforceable, the remainder of this Agreement, or the application of such provision to persons or circumstances other than those to which it was held to be invalid or unenforceable, shall not be affected thereby, and shall be valid and enforceable to the fullest extent permitted by law, but only if and to the extent such enforcement would not materially and adversely frustrate the parties' essential objectives as expressed herein.

D. Force Majeure. LFUCG, the Agency or the Developer shall not be deemed to be in default in the performance of any obligation on such parties' part to be performed under this

Agreement, other than an obligation requiring the payment of a sum of money, if and so long as the non-performance of such obligation shall be directly caused by Unavoidable Delays; provided, that within fifteen (15) days after the commencement of such Unavoidable Delay, the non-performing party shall notify the other party in writing of the existence and nature of any such Unavoidable Delay and the steps, if any, which the non-performing party shall have taken or planned to take to eliminate such Unavoidable Delay (provided, however, that a failure to give such notice timely shall not be a default hereunder or impair the non-performing party's immunities hereunder or account of Unavoidable Delay, unless the failure to give such notice timely actually prejudices the other party). Thereafter, the non-performing party shall, from time to time, on written request of the other party, keep the other party fully informed, in writing, of further developments concerning such Unavoidable Delay and the effort being made by the non-performing party to perform such obligation as to which it is in default.

E. Notices. Any notice to be given under this Agreement shall be in writing, shall be addressed to the party to be notified at the address set forth below or at such other address as each party may designate for itself from time to time by notice hereunder, and shall be deemed to have been given upon the earliest of (i) three (3) days following deposit in the U.S. Mail with proper postage prepaid, Certified or Registered, Return Receipt Requested, (ii) the next business day after delivery to a regularly scheduled overnight delivery carrier with delivery fees either prepaid or an arrangement, satisfactory with such carrier, made for the payment of such fees, or (iii) receipt of notice given by telecopy or personal delivery:

With respect to any duty or obligation imposed on a party to this Agreement, unless a time limit is specified for the performance of such duty or obligation, it shall be the duty or obligation of such party to commence and perform the same in a diligent and workmanlike manner and to complete the performance of such duty or obligation as soon as reasonably practicable after commencement of the performance thereof.
