Re: OnBase Application Enabler

Request approval to purchase the Onbase software module Enterprise Application Enabler. The purchase of this software module will allow for integrating Onbase with existing LFUCG software applications to assist in automation of manual processes.

Funds are budgeted in the FY16 CIP. FY16 impact is \$50,000 for the software and \$10,000 for maintenance. Maintenance fee will be paid annually.

Cc: Chad Cottle, Deputy CIO
