

MAYOR LINDA GORTON

LEXINGTON

DOUG BURTON, P.E.
DIRECTOR
ENGINEERING

TO: LINDA GORTON, MAYOR
URBAN COUNTY COUNCIL

FROM: W. DOUGLAS BURTON, P.E. 
URBAN COUNTY ENGINEER

DATE: September 9, 2019

SUBJECT: Bridge Posting Requirements -2019

Request:

We are requesting that the Mayor and Council authorize the signing of the attached "Statement of Compliance" bridge posting requirements for filing with the Kentucky Transportation Cabinet.

Why are you requesting?

Each year the Kentucky Department of Highways informs the LFUCG of our bridge weight limit posting needs for the bridges in the National Bridge Inventory in Fayette County. The missing postings have been corrected and the LFUCG is now in compliance with the "National Bridge Inspection Standards, Bridge Posting Requirement". In order to remain in compliance and be eligible to receive Federal Bridge Rehabilitation or Replacement funds, we must sign and return the attached form as soon as possible.

What is the cost in this budget year and future budget years? There is no cost to the LFUCG.

Are the funds budgeted: N/A
