EQUAL OPPORTUNITY AGREEMENT

The Law

- Title VII of the Civil Rights Act of 1964 (amended 1972) states that it is unlawful for an employer to discriminate in employment because of race, color, religion, sex, age (40-70 years) or national origin.
- Executive Order No. 11246 on Nondiscrimination under Federal contract prohibits employment discrimination by contractor and sub-contractor doing business with the Federal Government or recipients of Federal funds. This order was later amended by Executive Order No. 11375 to prohibit discrimination on the basis of sex.
- Section 503 of the Rehabilitation Act of 1973 states:

The Contractor will not discriminate against any employee or applicant for employment because of physical or mental handicap.

- Section 2012 of the Vietnam Era Veterans Readjustment Act of 1973 requires Affirmative Action on behalf of disabled veterans and veterans of the Vietnam Era by contractors having Federal contracts.
- Section 206(A) of Executive Order 12086, Consolidation of Contract Compliance Functions for Equal Employment Opportunity, states:

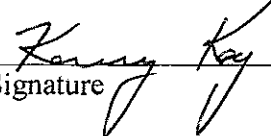

The Secretary of Labor may investigate the employment practices of any Government contractor or sub-contractor to determine whether or not the contractual provisions specified in Section 202 of this order have been violated.

The Lexington-Fayette Urban County Government practices Equal Opportunity in recruiting, hiring and promoting. It is the Government's intent to affirmatively provide employment opportunities for those individuals who have previously not been allowed to enter into the mainstream of society. Because of its importance to the local Government, this policy carries the full endorsement of the Mayor, Commissioners, Directors and all supervisory personnel. In following this commitment to Equal Employment Opportunity and because the Government is the benefactor of the Federal funds, it is both against the Urban County Government policy and illegal for the Government to let contracts to companies which knowingly or unknowingly practice discrimination in their employment practices. Violation of the above mentioned ordinances may cause a contract to be canceled and the contractors may be declared ineligible for future consideration.

Please sign this statement in the appropriate space acknowledging that you have read and understand the provisions contained herein. Return this document as part of your application packet.

INSURANCE AND INDEMNIFICATION**

INDEMNIFICATION AND HOLD HARMLESS PROVISION

- (1) It is understood and agreed by the parties that Vendor hereby assumes the entire responsibility and liability for any and all damages to persons or property caused by or resulting from or arising out of any act or omission on the part of Vendor or its employees, agents, servants, owners, principals, licensees, assigns or subcontractors of any tier (hereinafter "Vendor") under or in connection with this agreement and/or the provision of goods or services and the performance or failure to perform any work required thereby.
- (2) Vendor shall indemnify, save, hold harmless and defend the Lexington-Fayette Urban County Government and its elected and appointed officials, employees, agents, volunteers, and successors in interest (hereinafter "LFUCG") from and against all liability, damages, and losses, including but not limited to, demands, claims, obligations, causes of action, judgments, penalties, fines, liens, costs, expenses, interest, defense costs and reasonable attorney's fees that are in any way incidental to or connected with, or that arise or are alleged to have arisen, directly or indirectly, from or by Vendor's performance or breach of the agreement and/or the provision of goods or services provided that: (a) it is attributable to personal injury, bodily injury, sickness, or death, or to injury to or destruction of property (including the loss of use resulting therefrom), or to or from the negligent acts, errors or omissions or willful misconduct of the Vendor; and (b) not caused solely by the active negligence or willful misconduct of LFUCG.
- (3) In the event LFUCG is alleged to be liable based upon the above, Vendor shall defend such allegations and shall bear all costs, fees and expenses of such defense, including but not limited to, all reasonable attorneys' fees and expenses, court costs, and expert witness fees and expenses, using attorneys approved in writing by LFUCG, which approval shall not be unreasonably withheld.
- (4) These provisions shall in no way be limited by any financial responsibility or insurance requirements, and shall survive the termination of this agreement.

FINANCIAL RESPONSIBILITY

BIDDER/VENDOR understands and agrees that it shall, prior to final acceptance of its bid and the commencement of any work, demonstrate the ability to assure compliance with the above Indemnity provisions and these other risk management provisions.

INSURANCE REQUIREMENTS

YOUR ATTENTION IS DIRECTED TO THE INSURANCE REQUIREMENTS BELOW, AND YOU MAY NEED TO CONFER WITH YOUR INSURANCE AGENTS, BROKERS, OR CARRIERS TO DETERMINE IN ADVANCE OF SUBMISSION OF A RESPONSE THE AVAILABILITY OF THE INSURANCE COVERAGES AND ENDORSEMENTS REQUIRED HEREIN. IF YOU FAIL TO COMPLY WITH THE INSURANCE REQUIREMENTS BELOW, YOU MAY BE DISQUALIFIED FROM AWARD OF THE CONTRACT.

Required Insurance Coverage

Vendor shall procure and maintain for the duration of this contract the following or equivalent insurance policies at no less than the limits shown below and cause its subcontractors to maintain similar insurance with limits acceptable to LFUCG in order to protect LFUCG against

claims for injuries to persons or damages to property which may arise from or in connection with the provision of equipment or goods or the performance of the work or services hereunder by Vendor. The cost of such insurance shall be included in any bid:

<u>Coverage</u>	<u>Limits</u>
General Liability (Insurance Services Office Form CG 00 01)	\$1 million per occurrence, \$2 million aggregate or \$2 million combined single limit
Commercial Automobile Liability (Insurance Services Office Form CA 0001)	combined single, \$1 million per occurrence
Worker's Compensation	Statutory
Employer's Liability	\$500,000.00

The policies above shall contain the following conditions:

- a. All Certificates of Insurance forms used by the insurance carrier shall be properly filed and approved by the Department of Insurance for the Commonwealth of Kentucky. LFUCG shall be named as an additional insured in the General Liability Policy and Commercial Automobile Liability Policy using the Kentucky DOI approved forms.
- b. The General Liability Policy shall be primary to any insurance or self-insurance retained by LFUCG.
- c. The General Liability Policy shall include a Products Liability endorsement unless it is deemed not to apply by LFUCG.
- d. LFUCG shall be provided at least 30 days advance written notice via certified mail, return receipt requested, in the event any of the required policies are canceled or non-renewed.

Renewals

After insurance has been approved by LFUCG, evidence of renewal of an expiring policy must be submitted to LFUCG, and may be submitted on a manually signed renewal endorsement form. If the policy or carrier has changed, however, new evidence of coverage must be submitted in accordance with these Insurance Requirements.

Any such programs or retentions must provide LFUCG with at least the same protection from liability and defense of suits as would be afforded by first-dollar insurance coverage. If Vendor satisfies any portion of the

insurance requirements through deductibles, self-insurance programs, or self-insured retentions, Vendor agrees to provide Lexington-Fayette Urban County Government, Division of Risk Management, the following data prior to the final acceptance of bid and the commencement of any work:

Right to Review, Audit and Inspect

Vendor understands and agrees that LFUCG may review, audit and inspect any and all of its records and operations to insure compliance with these Insurance Requirements.

DEFAULT

Vendor understands and agrees that the failure to comply with any of these insurance, safety, or loss control provisions shall constitute default and that LFUCG may elect at its option any single remedy or penalty or any combination of remedies and penalties, as available, including but not limited to purchasing insurance and charging Vendor for any such insurance premiums purchased, or suspending or terminating the work.

NATIONWIDE LIMITED BATTERY WARRANTY

This limited warranty is extended only to you, the original purchaser, for the vehicle which the battery was purchased for, and not to anyone who may purchase your vehicle from you during the term of the warranty.

THIS LIMITED WARRANTY IS THE ONLY WARRANTY ON THE PRODUCT. ANY IMPLIED WARRANTIES ARE GOOD ONLY FOR THE LIMITED WARRANTY PERIOD. OTHERWISE, EAST PENN DISCLAIMS ALL OTHER WARRANTIES EXPRESS OR IMPLIED INCLUDING BUT NOT LIMITED TO THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

WHAT IS COVERED BY THIS LIMITED WARRANTY

Batteries eligible to be covered by this Limited Warranty are warranted from the date of sale for the stated period ("MTHS. FREE") shown at place of purchase. Should the battery fail within the free replacement period, due to a defect in materials and/or workmanship (not merely discharged), it will be replaced with the same model battery free of charge. If the same model battery is not available, it will be replaced with a like kind and quality battery. Full warranty will not apply to replacement battery. A free replacement warranty continues from the original battery's date of purchase and does not extend the original warranty period.

WHAT IS NOT COVERED BY THIS LIMITED WARRANTY

This warranty does not apply to discharged batteries that can be recharged and returned to service; labor costs for battery removal and installation; labor costs for other damage or repairs caused by the battery; batteries that have been opened, frozen, or damaged due to neglect or abuse including fire, flood, wreckage, or explosion; batteries with electrolyte other than as recommended by factory or with a "dope" or additive; batteries that fail as a result of a faulty electrical system or other components; batteries of an electrical size or capacity smaller than the one specified by the vehicle manufacturer; batteries used in applications for which they were not designed; nor in cases where the battery was installed and/or charged incorrectly. The warranty does not cover failures that occur outside the United States or Canada, service calls, towing charges, loss of time, inconvenience, loss of use of the vehicle, lost wages or lost profits. ALL CONSEQUENTIAL AND INCIDENTAL DAMAGES ARE HEREBY SPECIFICALLY EXCLUDED FROM THIS WARRANTY. Some states do not allow the exclusion or limitation of incidental or consequential damage, so the above limitation or exclusion may not apply to you. This warranty gives you specific legal rights, and you may also have other rights, which vary from state to state. Unless otherwise precluded by law, this limited warranty shall require no more than the replacement of the subject battery free.

HOW TO OBTAIN WARRANTY SERVICE

You must keep the original purchase invoice or a reasonable copy and present it, along with the battery, when seeking a replacement battery under this warranty.

If you are less than 25 miles away from the original place of purchase, you must return the battery to that place of purchase for any warranty service.

If you are more than 25 miles from the original place of purchase, then you must call the Warranty Administrator prior to any warranty service being performed, at 1-800-237-6126, from 8:00 a.m. to 8:00 p.m. Monday through Friday and Saturday from 9:00 a.m. to 6:00 p.m., (Eastern Time) excluding holidays. The Warranty Administrator will provide to you the nearest participating facility. If there are no participating facilities in your area, you may take your vehicle to a non-participating facility in your area. If the non-participating facility will not accept payment from the Warranty Administrator, you must pay for the warranty service and submit your original sales receipt (or legible copy) and subsequent sales receipt (or legible copy) to the Warranty Administrator for review within 60 days of the date of replacement.

This limited warranty is extended by East Penn Manufacturing Co. This warranty is not a warranty of Automotive Business Solutions, Inc., or its affiliates, subsidiaries, their employees or member companies. Automotive Business Solutions Inc. serves as the Warranty Administrator only.

REGULATORY BULLETIN

August 2009

EAST PENN MANUFACTURING CO., INC. ENVIRONMENTAL COMPLIANCE FACT SHEET

East Penn Manufacturing Co. operates a secondary lead smelting and recycling facility at our Lyon Station, Pennsylvania manufacturing complex. We are permitted to accept spent lead-acid batteries for recycling and metals recovery by the Pennsylvania Department of Environmental Protection (PA DEP) and the U.S. Environmental Protection Agency (EPA).

1. Hazardous Waste Permitting

East Penn operates a permitted (EPA ID NO. PAD002330165) secondary lead smelter that recovers lead, sulfuric acid (electrolyte), and polypropylene from spent lead-acid batteries. We manage a PA DEP permitted storage facility for the spent batteries prior to reclamation, and permit-by-rule facilities for recovery of the battery components, which are recycled for use in the production of new batteries at our Lyon Station campus.

2. Additional Permitting

East Penn's Lyon Station facilities include a PA DEP NPDES permitted process wastewater treatment plant (WTP). The WTP operates a zero discharge of treated wastewater by the re-use of all the treated process wastewater on-site primarily in the production of new batteries. Salt that is produced by our treatment process is sold on the open market.

Our smelter has been used as a model for EPA's Maximum Achievable Control Technology (MACT) Standards, and operates under a PA DEP Title V Permit. We produce a nitrogen sulfur solution as a result of our scrubbing of smelter exhaust gases, which is sold as a fertilizer product. Our battery manufacturing plants operate PA DEP permitted air pollution control devices.

3. Regulatory Agency

East Penn's permitted facilities are regularly inspected by personnel from the Reading Office of the PA DEP Southcentral Regional Office, who monitor our compliance with air, water, wastewater, storm water, and solid waste regulations. This office is located at 1005 Cross Roads Boulevard, Reading, PA. Phone 610-916-0100.

4. Site Security

The facility has twenty-four hour per day coverage by a contracted security service.

5. Personnel Training

East Penn's employees are trained to meet all applicable regulatory requirements. Such training includes but is not limited to the requirements of OSHA's occupational lead exposure standard, material handling equipment, hazard communication, fire training, RCRA (hazardous waste), and respiratory protection. Annual reviews are also conducted.

Our manufacturing campus has its own OSHA/EPA trained Hazmat emergency response team.

6. Financial Responsibility

East Penn has environmental impairment insurance with limits of 2 million dollars per occurrence and 4 million dollars aggregate. This insurance is issued through American International Group (AIG) Policy No. PLS5298499. Also, East Penn has satisfied the financial assurance requirements of the Pennsylvania Department of Environmental Protection for liability and post closure costs.

7. Inspection Records

East Penn maintains inspection records for production equipment and pollution control equipment utilized throughout the plant. These inspections exceed the requirements of our various environmental operating permits.

8. Environmental Monitoring

East Penn conducts a ground water monitoring program in accordance with the PA DEP requirements. Storm water discharge is monitored in accordance with PA DEP NPDES permit requirements. High volume ambient air samples are collected at the property boundaries. Air emission stack tests have been conducted as part of the permitting process. Employees are routinely monitored for their biological response and workplace exposure to promote employee awareness and comply with the OSHA standards.

9. Manifests and Record Keeping

All hazardous waste manifest record keeping is performed by the Metals Division staff. Manifests are maintained on site in accordance with PA DEP requirements.

10. Environmental Management System

East Penn's Manufacturing facilities at Lyon Station, as well as its Wire and Cable Manufacturing Division in Kurztown, PA, and its Distribution Center in Tipton, PA have received ISO 14001: 2004 Certification.
