7. Organization represents that it has filed all federal, state and local income tax returns required by law in the legally prescribed time and manner. This Agreement shall not

become effective unless and until copies of all of the executed originals of the aforementioned tax returns filed for the Organization have been registered for the current tax year by the Organization in the office of the Sponsor, and the Organization shall not be compensated unless and until such registration has taken place.

9. Books of accounts shall be kept by the Organization and entries shall be made therein of all money, goods, effects, debts, sales, purchases, receipts, payments and any other transactions of the Organization. The books of accounts, together with all bonds, notes, bills, letters and other writings belonging to the Organization, shall be maintained at the principal place of business of the Organization as set forth in this Agreement. Government shall have free and complete access to the books, papers and affairs of the Organization, that relate to the performance of this Agreement, at all reasonable times, and if it desires, it may have the books and papers of the Organization, that relate to the performance of this Agreement, audited and examined by auditors, accountants or attorneys. Any examination shall be at the expense of the Government.

10. Government may designate such persons as may be necessary to monitor and evaluate the services rendered by the Organization. The Government, its agents and employees, shall, at all times, have unrestricted access to all places where or in which the services required hereunder are being carried on and conducted. Inspection and monitoring of the work by these authorities shall in no manner be presumed to relieve in any degree the responsibility or obligations of Organization, nor to constitute the Organization as an agent of the Government.

11. Organization shall provide equal opportunity in employment for all qualified persons, shall prohibit discrimination in employment because of race, color, creed, national origin, sex or age, and shall cause each of its subcontracting agencies to do so. This program of equal employment opportunity shall apply to every aspect of its employment policies and practices.

The policy shall be given to all employees and clients and shall be posted at all locations where Organization conducts business. The policy shall be submitted to Sponsor for review within thirty (30) days of the execution of this Agreement.

(2) Utilize the professional investment management facilities of a local bank trust department acting in a fiduciary capacity within the same approved investment policies and federal, state, local and trust laws and regulation. The trust department may utilize its regular short-term one hundred percent (100%) US Treasury Fund for daily funds investment.

The election of option 1 or 2 should be made consistent with the relative cost incurred and in the case of option 2 the cost shall be competitive among local trust departments.

C. Investment Policies - - Safety and Prudence.

(1) Short-term liquidity funds shall be invested in "riskless" investment, i.e., deposits in Kentucky commercial banks or savings and loan associations that are fully federally insured or deposits collateralized by U.S. Treasury securities with a current market value of at least one hundred percent (100%), or in direct obligations of U.S. Treasury securities.

Investments shall be diversified according to maturity in order to meet projected cash flow needs.

Collateral pledged to secure uninsured deposits shall be held at a federal reserve bank with the receipt providing absolute control by the agency.

(2) Retirement funds, endowment funds, long-term capital reserve funds and any other special funds may be held and invested by a local bank trust department under investment objectives and diversification in accordance with the individual nature of the funds and pursuant to the "prudent man" investment rule as well as general trust law.

(3) All investments shall be reviewed monthly by a finance or investment committee of the agency.

(4) Local brokerage firms may hold and invest funds provided that investments are located within Kentucky and are full insured.

D. Audit - - All investments shall be audited at least annually by independent certified public accountant who shall express an opinion as to whether or not investments during the year audited have conformed with state and local law and regulation and with the approved investment policies.

Laws and Regulations

All applicable state laws, municipal ordinances and regulations of all authorities having jurisdiction over the project shall apply to the contract, and shall be deemed to be incorporated herein by reference.

Equal Employment Opportunity

The Entity (regardless of whether construction contractor, non-construction contractor or supplier) agrees to provide equal opportunity in employment for all qualified persons, to prohibit discrimination in employment because of race, color, religion, sex (including pregnancy, sexual orientation or gender identity), national origin, disability, age, genetic information, political affiliation, or veteran status, and to promote equal employment through a positive, continuing program from itself and each of its sub-contracting agents. This program of equal employment opportunity shall apply to every aspect of its employment policies and practices.

Kentucky Equal Employment Opportunity Act

The Kentucky Equal Employment Opportunity Act of 1978 (KRS 45.560-45.640) requires that any "county, city, town, school district, water district, hospital district, or other political subdivision of the state shall include in directly or indirectly publicly funded contracts for supplies, materials, services, or equipment hereinafter entered into the following provisions:

"During the performance of this contract, the contractor agrees as follows:

- (1) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, age, or national origin;
- (2) The contractor will state in all solicitations or advertisements for employees placed by or on behalf of the contractors that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, age, or national origin;
- (3) The contractor will post notices in conspicuous places, available to employees and applicants for employment, setting forth the provision of the nondiscrimination clauses required by this section; and
- (4) The contractor will send a notice to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding advising the labor union or workers'

representative of the contractor's commitments under the nondiscrimination clauses."

The Act further provides:

"KRS 45.610. Hiring minorities -- Information required

(1) For the length of the contract, each contractor shall hire minorities from other sources within the drawing area, should the union with which he has collective bargaining agreements be unwilling to supply sufficient minorities to satisfy the agreed upon goals and timetables.

(2) Each contractor shall, for the length of the contract, furnish such information as required by KRS 45.560 to KRS 45.640 and by such rules, regulations and orders issued pursuant thereto and will permit access to all books and records pertaining to his employment practices and work sites by the contracting agency and the department for purposes of investigation to ascertain compliance with KRS 45.560 to 45.640 and such rules, regulations and orders issued pursuant thereto.

KRS 45.620. Action against contractor -- Hiring of minority contractor or subcontractor

(1) If any contractor is found by the department to have engaged in an unlawful practice under this chapter during the course of performing under a contract or subcontract covered under KRS 45.560 to 45.640, the department shall so certify to the contracting agency and such certification shall be binding upon the contracting agency unless it is reversed in the course of judicial review.

(2) If the contractor is found to have committed an unlawful practice under KRS 45.560 to 45.640, the contracting agency may cancel or terminate the contract, conditioned upon a program for future compliance approved by the contracting agency and the department. The contracting agency may declare such a contractor ineligible to bid on further contracts with that agency until such time as the contractor complies in full with the requirements of KRS 45.560 to 45.640.

(3) The equal employment provisions of KRS 45.560 to 45.640 may be met in part by a contractor by subcontracting to a minority contractor or subcontractor. For the provisions of KRS 45.560 to 45.640, a minority contractor or subcontractor shall mean a business that is owned and controlled by one or more persons disadvantaged by racial or ethnic circumstances.

KRS 45.630 Termination of existing employee not required, when

Any provision of KRS 45.560 to 45.640 notwithstanding, no contractor shall be required to terminate an existing employee upon proof that employee was employed prior to the date of the contract.

KRS 45.640 Minimum skills

Nothing in KRS 45.560 to 45.640 shall require a contractor to hire anyone who fails to demonstrate the minimum skills required to perform a particular job."

It is recommended that all of the provisions above quoted be included as special conditions in each contract. In the case of a contract exceeding \$250,000, the contractor is required to furnish evidence that his workforce in Kentucky is representative of the available work-force in the area from which he draws employees, or to supply an Affirmative Action plan which will achieve such representation during the life of the contract.

LFUCG Non-Appropriation Clause

Contractor acknowledges that the LFUCG is a governmental entity, and the contract validity is based upon the availability of public funding under the authority of its statutory mandate.

In the event that public funds are unavailable and not appropriated for the performance of the LFUCG's obligations under this contract, then this contract shall automatically expire without penalty to the LFUCG thirty (30) days after written notice to Contractor of the unavailability and non-appropriation of public funds. It is expressly agreed that the LFUCG shall not activate this non-appropriation provision for its convenience or to circumvent the requirements of this contract, but only as an emergency fiscal measure during a substantial fiscal crisis, which affects generally its governmental operations.

In the event of a change in the LFUCG's statutory authority, mandate and mandated functions, by state and federal legislative or regulatory action, which adversely affects the LFUCG's authority to continue its obligations under this contract, then this contract shall automatically terminate without penalty to the LFUCG upon written notice to Contractor of such limitation or change in the LFUCG's legal authority.

EQUAL OPPORTUNITY AGREEMENT

Standard Title VI Assurance

The Lexington Fayette-Urban County Government, (hereinafter referred to as the "Recipient") hereby agrees that as a condition to receiving any Federal financial assistance from the U.S. Department of Transportation, it will comply with Title VI of the Civil Rights Act of 1964, 78Stat.252, 42 U.S.C. 2000d-4 (hereinafter referred to as the "Act"), and all requirements imposed by or pursuant to Title 49, Code of Federal Regulations, U.S. Department of Transportation, Subtitle A, Office of the Secretary, (49 CFR, Part 21) Nondiscrimination in Federally Assisted Program of the Department of Transportation – Effectuation of Title VI of the Civil Rights Act of 1964 (hereinafter referred to as the "Regulations") and other pertinent directives, no person in the United States shall, on the grounds of race, color, national origin, sex, age (over 40), religion, sexual orientation, gender identity, veteran status, or disability be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity for which the Recipient receives Federal financial assistance from the U.S. Department of Transportation, including the Federal Highway Administration, and hereby gives assurance that will promptly take any necessary measures to effectuate this agreement. This assurance is required by subsection 21.7(a) (1) of the Regulations.

The Law

- Title VII of the Civil Rights Act of 1964 (amended 1972) states that it is unlawful for an employer to discriminate in employment because of race, color, religion, sex, age (40-70 years) or national origin.
- Executive Order No. 11246 on Nondiscrimination under Federal contract prohibits employment discrimination by contractor and sub-contractor doing business with the Federal Government or recipients of Federal funds. This order was later amended by Executive Order No. 11375 to prohibit discrimination on the basis of sex.
- Section 503 of the Rehabilitation Act of 1973 states:

The Contractor will not discriminate against any employee or applicant for employment because of physical or mental handicap.

- Section 2012 of the Vietnam Era Veterans Readjustment Act of 1973 requires Affirmative Action on behalf of disabled veterans and veterans of the Vietnam Era by contractors having Federal contracts.
- Section 206(A) of Executive Order 12086, Consolidation of Contract Compliance Functions for Equal Employment Opportunity, states:

The Secretary of Labor may investigate the employment practices of any Government contractor or sub-contractor to determine whether or not the contractual provisions specified in Section 202 of this order have been violated.

The Lexington-Fayette Urban County Government practices Equal Opportunity in recruiting, hiring and promoting. It is the Government's intent to affirmatively provide employment opportunities for those individuals who have previously not been allowed to enter into the mainstream of society. Because of its importance to the local Government, this policy carries the full endorsement of the Mayor, Commissioners, Directors and all supervisory personnel. In following this commitment to Equal Employment Opportunity and because the Government is the benefactor of the Federal funds, it is both against the Urban County Government policy and illegal for the Government to let contracts to companies which knowingly or unknowingly practice discrimination in their employment practices. Violation of the above mentioned ordinances may cause a contract to be canceled and the contractors may be declared ineligible for future consideration.

Please sign this statement in the appropriate space acknowledging that you have read and understand the provisions contained herein. Return this document as part of your application packet.

Bidders

I/We agree to comply with the Civil Rights Laws listed above that govern employment rights of minorities, women, Vietnam veterans, handicapped and aged persons.

1.0 GENERAL INFORMATION & SCOPE

1.1 **Background**

Each fiscal year the Mayor and Urban County Council allocate funds for use by selected 501(c)(3) non-profit partner agencies through the Department of Social Services' Extended Social Resource (ESR) Program.

This grant cycle shall cover Fiscal Years 2025 and 2026 (July 1, 2024 – June 30, 2026), and will award grants between the four Funding Priorities, which each have separate required Proposal Submittals and criteria, and awarded on an approximate scale, listed below.

Funding Priority Area: Childhood & Youth Development

Projected funding target is approximately \$660,000 of total ESR Grant Program Community Based Initiatives Award. This amount is subject to change upon Council ratification of the Fiscal Year 2025 Budget.

LFUCG seeks to strengthen and enhance **Childhood and Youth Development** by supporting programs and services for early childhood through teenage populations (birth through 18 years old). These programs would include, but not be limited to: **addressing student learning loss (specifically kindergarten through 12th grade), youth violence prevention, and mentorship**. LFUCG intends to award grants for priority-rated programs and services based on documentation of marginalized client populations and articulated individual and community outcomes. The program should utilize best practices and evidence-based models when engaging, assessing, intervening, and terminating services with underserved population groups.

2.0 GENERAL PROVISIONS

2.1 **Purpose**

The LFUCG is accepting applications from qualified non-governmental, non-profit agencies with current **501(c)3** tax exempt status and with a physical business or program site location in Fayette County (hereinafter, referred to as "Applicant") ESR funding for FY2025 & 2026 (July 1, 2024 – June 30, 2026). This funding is intended to support agency **programs** which respond to the **funding priorities** established herein. **THIS FUNDING IS NOT INTENDED TO SUPPORT GENERAL AGENCY OPERATIONS, other than overhead required to support the subject program.**

2.2 **Funding Period**

The funding period is from July 1, 2024 through June 30, 2026.

2.3 **ESR Grant Informational Workshop**

Proposal submissions containing significant omissions of required information will be considered non-responsive and removed from the RFP funding process on the application deadline date (April 25th, 2024). Significant missing responses to questions constitute an incomplete application. The final decision regarding application completeness and penalties will be determined by the LFUCG Division of

Procurement in consultation with the Commissioner of Social Services. **All proposals must be written in a clear and concise manner, as there will be no follow-up or clarifications to proposer's Proposal Submittal Form once the evaluation process begins.**

If your agency is submitting a proposal for the funding of more than one program in a single priority area, please note that they must be included in a single Proposal Submittal completed and submitted for that priority area RFP. Only one Proposal Submittal per agency per priority area will be accepted. Agencies/Organizations may submit only ONE Proposal Submittal per proposed program in all priority areas.

2.5 Acceptance/Rejection of Submissions

The LFUCG reserves the right to reject any proposals which may be considered irregular, show serious omissions, contain unauthorized alteration of the Proposal Submittal form, or are incomplete.

The LFUCG reserves the right to accept or reject any or all applications in whole or in part, with or without cause, to waive technicalities, to implement scoring penalties, or to accept applications or portions thereof which, in the Urban County Government's judgment, best serve the interests of Urban County Government.

In evaluating whether to ultimately award funding to an agency, the Lexington-Fayette Urban County Government may consider how much funding, if any, an agency has previously received from LFUCG during the same funding cycle, and reserves the right to not fund, or to reduce the amount of funding that an agency might otherwise receive, based upon such an evaluation.

All proposals must be written in a clear and concise manner, as there will be no follow-up or clarifications to proposer's Proposal Submittal Form once the evaluation process begins.

Funding Priority Area: Childhood and Youth Development

Projected funding is \$660,000 of ESR Grant Program – Community Based Initiatives

LFUCG seeks to strengthen and enhance **Childhood and Youth Development** by supporting programs and services for early childhood through teenage populations (birth through 18 years old). The term “client” is used throughout this proposal; however we understand that within the context of your work “client” may not mean an individual. For some agencies it may be helpful to think of “client” as whole system (such as a school) or as a neighborhood, group, or community.

5.1 Program Proposal & Design

5.1.1 Needs Statement—Purpose of the Program Proposal / Problem Statement 15 Points

Using local data, provide a description of the problem in Fayette County. Identify the specific population your program is targeting (i.e. age, geographical region, economic status, etc.) and explain why. Discuss whether this population is under-served or at-risk. Describe your understanding of the local system of services addressing this problem, obstacles and/or opportunities your clients face, and how your agency fits within this system of services.

5.1.2 Service Delivery Model 15 Points

What steps will you take or what activities will you provide to assist clients in achieving these goals? Describe each “unit of service” you will provide for clients and how often and how long this service will be provided (e.g. a one-time three-hour training; a weekly one-hour support group for 12 weeks; one 30-minute health exam twice a year; 1-3 hour advocacy services as needed; etc.) How will these services address the problem as identified in the Needs Statement above? Be specific.

5.1.3 Client Eligibility and Requirements 5 Points

What eligibility requirements must clients meet to qualify for services? What are the expectations of clients while receiving services? (e.g. client must pay \$30 fee for each class; client must remain sober; client is responsible for chores; nothing other than participation in services; etc.)

5.1.4 Evidence-Based/Best Practice 10 Points

Describe the evidence-based or promising practice model on which this service approach is based. Provide particular sources that indicate what you are proposing is best-practice.

5.2 Program Measures & Evaluation

5.2.1 Service Efficacy & Desired Outcomes 10 Points

What do you hope to help your clients achieve? What are some examples of goals you will set with clients? What is your service philosophy in terms of helping your clients achieve these goals? Describe how you define “successful” completion of services. (e.g. service is complete if: client remains for entire three-hour training; client continues services until judge orders otherwise; etc.) What percentage of clients meet that criteria for success?

5.2.2 Client Empowerment & Community Impact 10 Points

Describe what meaningful difference these services make in the lives of people served. What value is added to the community? Provide examples. (e.g. client demonstrates change in attitude; client has behavior change; etc.)

5.2.3 Data Assessment & Quality Improvement

10 Points

While it doesn't have to be complicated, evaluation is more than saying "we provided this many 'units of service.'" How will you know if your services have been effective? How does this relate to the desired outcomes for your clients? How will the information gathered be used to improve your services in the future? Be specific (for example, data collection may be through focus groups, pre-and post-tests, client satisfaction surveys, etc.), and also **be specific regarding sampling size and frequency of evaluation.**

5.3 Capacity & Sustainability

5.3.1 Staff Qualifications & Experience

5 Points

Provide information on the key/primary individuals that will be involved in the provision of services and demonstrate that they have the capacity to address the stated need. List each position by title and name of employee, if available. Describe the anticipated roles and responsibilities for each person as it relates to this project. Describe the experience, expertise, and capacity of each individual to address the proposed activities.

5.3.2 Partnership & Resource Leverage

5 Points

How do your programs and services support our community's comprehensive response to the identified priority area of Community Wellness & Safety? Does your organization have any formal agreements or informal working relationship with other local service programs?

What role does your governing board members, volunteers, and / or donors play in facilitating viable service delivery and program administration? Does your program have any major civic benefactors or corporate sponsors? Describe other secured funding sources and committed operational resources your organization has allocated for the proposed program.

5.3.3 Outreach & Inclusion Strategy

15 Points

Demonstrate how the program will ensure services are available and accessible by all potential participants, especially related to language barriers for persons with limited English proficiency, including a language access plan; persons with physical or other disabilities; and persons impacted by poverty and economic distress.

Has your organization enacted any policies (or employs any standard operating procedures) to ensure equitable service opportunity and / or benefit program to a diverse cross-section of the greater community? How does your proposal support or enhance the recommendations made by the Mayor's Commission on Racial Justice & Equality?

6.0 Program Budget Summary Form

Proposal Submittal shall be considered incomplete and shall be rejected without completed Budget Summary Form. (which will be the total amount of FY25 ESR grant request)

Budget Form will be for Fiscal Year 2025 ESR Request only. Funds awarded for Fiscal Year 2026 shall be the same amount as awarded for Fiscal Year 2025, and contingent on Council approval of the Fiscal Year 2026 budget.

5.1 Program Proposal & Design

5.1.1 Needs Statement—Purpose of the Program Proposal / Problem Statement

15 Points

Using local data, provide a description of the problem in Fayette County. Identify the specific population your program is targeting (i.e. age, geographical region, economic status, etc.) and explain why. Discuss whether this population is under-served or at-risk. Describe your understanding of the local system of services addressing this problem, obstacles and/or opportunities your clients face, and how your agency fits within this system of services.

There is a 5-10 point achievement gap between students in Title 1 & Non-Title 1 schools in FCPS, disproportionately impacting students of color. Since the pandemic, FCPS has reported that previous gaps in academics have been accompanied by social/emotional learning challenges, disproportionately impacting students in Title 1 schools. This can be addressed by sustaining and expanding the LASC STEAM (Science, Technology, Engineering, Art, and Math) Program initiatives: Science Explorers (SE), SE Celebration Nights, SE Summer Camp, STEAM Outreach, and Mobile Field Trips in Title 1 schools where 100% of students receive free/reduced lunch and 10%-72% are Hispanic/Latino and 13.2%-90% are African American.

Kids Count Data shows that 16% of children live in poverty, with 40% of FayCo children in low-income families who cannot afford extracurricular educational opportunities. Research shows that art integrated into STEM programs, after-school opportunities for youth, and inclusive instructional strategies can decrease achievement gaps and increase future opportunities for economic mobility that benefit our entire community. The LASC STEAM Edu Program is free for Title 1 schools, students, and families, blending art & science to provide evidence-based educational support that promotes interactivity, using hands-on STEAM concepts. Schools have expressed a need for our programs, but we are not able to meet the demand. We humbly request funding to sustain our STEAM Programs in 6 existing schools, expand to 2 additional Title 1 schools (all ranking in the bottom 10% in math/reading test scores), support our STEAM Outreach initiatives, and Mobile Field Trip Program.

5.1.2 Service Delivery Model

15 Points

What steps will you take or what activities will you provide to assist clients in achieving these goals? Describe each “unit of service” you will provide for clients and how often and how long this service will be provided (e.g. a one-time three-hour training; a weekly one-hour support group for 12 weeks; one 30-minute health exam twice a year; 1-3 hour advocacy services as needed; etc.) How will these services address the problem as identified in the Needs Statement above? Be specific.

The LASC will assist clients through the following: Provide a safe environment for students in Title 1 schools to experience hands-on, engaging and fun STEAM instruction that builds on classroom concepts, provide students with positive role models, provide teachers with community support, resources, and affordable/free options to engage their students in STEAM subjects, provide families and students in low-income communities with evidence-based, year-round educational programming at Title 1 schools and at the LASC.

Science Explorers (SE): The LASC will continue its partnership with FCPS Title 1 schools (William Wells Brown, Northern Elementary, Cardinal Valley, Dixie, Crawford, Winburn) and expand into 2 additional schools (Russell Cave and Harrison) with 16 weeks of free, project-based after-school STEAM instruction, based on FCPS Core Curriculum, NSTA directives, and KY Association for Environmental Education guidelines. LASC Educators go to schools - eliminates cost/transportation barriers. The program culminates in SE Celebration Night (planetarium show, activity, dinner) at the LASC. Students receive LASC gift certificate for free admission for 6 people.

The LASC strives to reduce barriers that can interfere with student success through the implementation of SE, our Mobile Field Trips, scholarships to SE Summer Camp, and STEAM Outreach resources to 8-10 schools Title 1 schools per year. Initiatives encourage family involvement by providing transportation for field trips and interactive mobile field trips that eliminate cost barriers for schools. To encourage learning together, SE students and 6 family members can visit the LASC for free.

5.1.3 Client Eligibility and Requirements

5 Points

What eligibility requirements must clients meet to qualify for services? What are the expectations of clients while receiving services? (e.g. client must pay \$30 fee for each class; client must remain sober; client is responsible for chores; nothing other than participation in services; etc.)

SE Afterschool program: Title 1 School in FCPS District, Interest in participation from teachers and administrators, Up to 25 students/school/semester can participate and parents' permission, One teacher available after school, Free for the school if the LASC receives funding for the program.

SE Summer Camp: Graduates of the SE program during the school year. 50 students at each school are eligible to participate. Teachers connect families to the LASC. Parental consent is required.

Mobile Field Trips: FCPS that are unable to afford the cost of bussing and field trips to the LASC.

Scholarships: All students in SE and Title 1 schools are eligible for scholarships for our camps and classes. Eligible for discounts on family memberships that provide unlimited free admission to the LASC.

STEAM Outreach: The LASC participates on an as-needed basis at Title 1 schools in FCPS.

The LASC has a formal contract with each participating school that outlines FCPS teacher attendance requirements and FCPS background checks for LASC staff. Each student must have parental consent to participate in the afterschool program. Teachers fill out pre and post-surveys. Parents are encouraged to fill out pre and post-surveys.

5.1.4 Evidence-Based/Best Practice

10 Points

Describe the evidence-based or promising practice model on which this service approach is based. Provide particular sources that indicate what you are doing is best-practice.

LASC's STEAM Education Outreach programs align seamlessly with FCPS's core curriculum, drawing from over 14 years of partnerships with local schools and more than 30 years of community programming. Our current schools reflect diverse demographics, with equitable representation among genders and ethnicities, a trend mirrored in expansion plans and participation in Mobile Field Trips and STEAM nights. Research consistently underscores the importance of addressing racial, ethnic, socioeconomic, and gender disparities in STEM education, which impact academic pathways and career opportunities. Our four initiatives within the STEAM Education Outreach Program support teachers and provide essential afterschool learning environments, offering creative outlets for students and alleviating childcare concerns for families.

With 30 years of partnership with FCPS, Science Explorers, STEAM Nights, Summer Camp, and Mobile Field Trips tackle challenges head-on & promote access, equity, inclusion, and positive outcomes. They enhance student success by fostering exploration, inquiry, and innovative problem-solving skills, crucial for future STEM careers. After-school programs bolster academic performance & nurture social/emotional/physical development, reducing high-risk behaviors. The significant return on investment in such programs underscores their value in shaping the future workforce and curbing societal challenges.

By integrating STEAM into schools, we not only reinforce core curriculum but break down barriers and empower students for success in the classroom. These findings underscore the critical importance of subsidized programs like the LASCs, ensuring all children have access to enriching after-school experiences regardless of financial constraints.

5.2 Program Measures & Evaluation

5.2.1 Service Efficacy & Desired Outcomes

10 Points

What do you hope to help your clients achieve? What are some examples of goals you will set with clients? What is your service philosophy in terms of helping your clients achieve these goals? Describe how you define "successful" completion of services. (e.g. service is complete if: client remains for entire three-hour training; client continues services until judge orders otherwise; etc.) What percentage of clients meet that criteria for success?

The LASC uses qualitative and quantitative measurements to track progress. Educators adapt goals based on student population and needs. Goals - increased access to STEAM programs, free weekly interactive and experiential learning, increased understanding of STEAM concepts, & expanded free resources available to families, teachers, and students. Our service philosophy is to support student success, and teacher effectiveness, and provide resources to families through accessible and equitable programming that is:

-Consistent: Students work with the same Educator every week, which builds trust and stability for students to try new things, and concepts, and develop comfortability vocalizing ideas within a safe space to encourage confidence in expressing ideas in larger groups.

-Collaborative & Adaptable: Our Director of Education regularly communicates with school contacts. This allows us to modify/adapt program delivery, activities, and structure to meet the needs of each student.

*Success Criteria: 16 weeks of programming in 8 schools - FY 25 and FY26, 90% student retention, 100% school partner retention, 60% student attendance at Celebration Nights, 500 students with Mobile Field Trips, 30 students enrolled in SE Summer Camp. Pre/post surveys with responses of increased self-esteem, confidence in learning ability, and interest in future STEM careers. Our overarching goal is to ensure that if students can't come to LASC, programs will come to them - that all students have access to free educational support. For those who can visit LASC, we offer free admission to families on WIC/EBT, benefiting a significant portion of our school partners.

5.2.2 Client Empowerment & Community Impact

10 Points

Describe what meaningful difference these services make in the lives of people served. What value is added to the community? Provide examples. (e.g. client demonstrates change in attitude; client has behavior change; etc.)

*Empowerment and Confidence:

- Students see themselves in STEAM careers, fostering a sense of relevance and belonging.
- Increased confidence in expressing ideas and embracing experimentation, even in the face of failure.

*Resilience Building:

- Encouraging students to try new things and learn from failures, fostering resilience.
- Creating a supportive social network among peers, extending beyond the classroom.

*Community Engagement:

- Increasing awareness among parents and caregivers about free or low-cost resources available to them.
- Providing activities that encourage family interactivity and shared learning experiences.

*Family Bonding:

- Strengthening familial bonds through collaborative exploration of STEAM concepts.
- Creating lasting memories and deepening relationships through shared educational experiences.

Reach 200-400 students through SE After-school program, 30 through SE Summer Camp, a minimum of 500 students through Mobile Field Trips (include animal meet-and-greets, science lesson, interactive activity, and planetarium show), and up to 1,500 students/families through STEAM Outreach.

5.2.3 Data Assessment & Quality Improvement

10 Points

While it doesn't have to be complicated, evaluation is more than saying "we provided this many 'units of service.'" How will you know if your services have been effective? How does this relate to the desired outcomes for your clients? How will the information gathered be used to improve your services in the future? Be specific (for example, data collection may be through focus groups, pre-and post-tests, client satisfaction surveys, etc.), and also **be specific regarding sampling size and frequency of evaluation.**

Data collection will involve pre-and post-tests, parent, student, and teacher satisfaction surveys. The sample size will be restricted to teachers at each SE school, Mobile Field Trips, program participants, and participating students' parents.

- SE: Three surveys - beginning, middle, and end of the school year for teachers, parents, and students
- Mobile Field Trips - post-Field Trip satisfaction surveys completed by teachers
- SE Summer Camp - post-program completed by students and caregivers
- Celebration Nights - post satisfaction surveys completed by students, teachers, and caregivers

The effectiveness of our programs will be evaluated by assessing improvements in academic performance, critical thinking skills, and confidence levels among participants. Qualitative and quantitative information will be gathered through surveys, verbal feedback, observations, and student classroom performance. Our Educators will evaluate programming through quantitative data (surveys) from teachers, administrators, and students. They will collect qualitative data from families, students, and teachers. Observations of increased fine motor skills, confidence in participating in group projects or answering questions, ability to connect concepts and problem-solve, and interest in science, technology, engineering, art, and math will be included in the qualitative evaluation. Surveys will be analyzed to identify strengths and areas for improvement in each initiative in our STEAM Program. Feedback from evaluations will inform program adjustments and enhancements to better meet student, teacher, and school needs. Regular evaluation and feedback ensure continuous improvement, maximizing the effectiveness and impact of our efforts on schools and the community.

5.3 Capacity & Sustainability

5.3.2 Partnership & Resource Leverage

5 Points

How do your programs and services support our community's comprehensive response to the identified priority area of Community Wellness & Safety? Does your organization have any formal agreements or informal working relationship with other local service programs?

What role does your governing board members, volunteers, and / or donors play in facilitating viable service delivery and program administration? Does your program have any major civic benefactors or corporate sponsors? Describe other secured funding sources and committed operational resources your organization has allocated for the proposed program.

Our programs directly contribute to community wellness and safety by providing access to quality STEAM education and promoting critical thinking, problem-solving, and innovation skills essential for addressing complex societal challenges. Students are engaged with consistent positive role models through interaction in small groups with our Educators.

We have formal agreements with local schools and informal relationships with other service programs, collaborating to maximize our impact. These partnerships enable us to build community trust & reach more students and families and coordinate efforts to address community needs comprehensively.

Our governing board members, volunteers, and donors are instrumental in ensuring viable service delivery and program administration. Board members provide strategic direction, volunteers assist with program implementation, and donors provide financial support crucial for sustaining our initiatives.

We receive funding through LFUCG, LG&E KU, Kentucky Social Welfare Foundation for our STEAM Outreach programs.

Overall, our organization is committed to fostering community wellness and safety through innovative STEAM education initiatives, collaborative partnerships, and dedicated support from our stakeholders.

5.3.3 Outreach & Inclusion Strategy

15 Points

Demonstrate how the program will ensure services are available and accessible by all potential participants, especially related to language barriers for persons with limited English proficiency, including a language access plan; persons with physical or other disabilities; and persons impacted by poverty and economic distress.

Has your organization enacted any policies (or employs any standard operating procedures) to ensure equitable service opportunity and / or benefit program to a diverse cross-section of the greater community? How does your proposal support or enhance the recommendations made by the Mayor's Commission on Racial Justice & Equality?

LASC STEAM Program supports & enhances recommendations by reducing transportation/cost barriers for students & families of color in low-income & high-poverty communities. The LASC prioritizes DEIA to support a vibrant, equitable, & inclusive community.

Our Core Values: Lifelong Learning, Community Outreach, Diversity in Service, Accountability, Transparency, and Interactivity. All of our services/programs are implemented with those values in mind. Our visuals could be more accessible if translated into multiple languages & we're working to meet that goal. We plan to translate fliers, print materials, and website into one additional language. We host field trips for students from KRM & collaborate with organizations representing the Latino community. Services are adapted for persons who are neurodivergent and have physical or learning disabilities, with small class sizes for one-on-one support. Print materials use fonts easily read by persons with reading disabilities. Admission is free for WIC/EBT and classes/camps are discounted. Scholarships available. Our Board-appointed DEAI committee implemented policies & procedures to reflect our values. Incorporate input from diverse community members to make sure our programs are accessible, regardless of ability, background, or socioeconomic status. We are continuously evaluating and improving our practices and have prioritized: Improving LASC building accessibility, preparing students for school & life through free educational programs, collaborative partnerships with schools, cultivating social-emotional learning through hands-on, interactive learning activities, whole family approach - after-school programs that increase hours of intentional learning opportunities for children of working families in safe, structured environments, community resources, free admission for WIC/EBT, membership discounts.
