NOTE: UNICOM is a U.S. government certified General Services Administration (GSA), Federal Technology Service (FTS), Federal Supply Service (FSS), and Central Contractor Registration (CCR) compliant contractor. As the U.S. Federal rules require, government customers and commercial customers can view UNICOM product pricing through the GSA website (www.gsa.gov) or by request to UNICOM. The prices stated are for products listed and are for informational use only. Applicable taxes and/or other charges are not shown. It is the responsibility of the user to ensure computers, system software, and services accuracy. All prices above reflect a 3% discount for payments made via check, wire, or electronic transfer. Please note the prices are all inclusive and subject to change without notice. This proposal expires thirty (30) days from date.
