RE: Request Council Authorization to Execute Change Order #1 with O'Rourke Wrecking Company in the amount of \$13,710 for additional demolition for PSOC Project Phase 1/A Contract #164-2014

The Department of Public Safety is recommending execution of Change Order #1 for \$13,710 with O'Rourke Wrecking Company, Cincinnati, Ohio, for additional demolition. The new contract total is \$265,710.

The change order compensates the contractor for additional demolition work that was discovered during the initial demolition. The additional demolition work was required for work site safety, and to expedite the construction process. Additional cement block interior walls had to be demolished because they were not supported and presented a safety hazard.

Sufficient funds are budgeted in the following account:

FUND	DEPT ID	SECTION	ACCOUNT	AMOUNT
2602	505001	5011	91017	\$13,710

Council authorization to execute Change Order #1 to the agreement with O'Rourke Wrecking Company is hereby requested.
