Having considered the above matter on October 12, 2023, at a Public Hearing, and having voted 6-2 that this Recommendation be submitted to the Lexington-Fayette Urban County Council, the Urban County Planning Commission does hereby recommend **CONDITIONAL APPROVAL** of this matter for the following reasons:

1. There have been significant changes in the retail trends for the industries permitted under the original conditional zoning restrictions, and these represent a major economic change that was not anticipated in 1990.
2. The current conditional zoning restrictions unreasonably restrict the utilization of the subject property, and the ability to maintain the historic structure on-site.
3. Under the provisions of Article 6-7 of the Zoning Ordinance, the following use restrictions shall apply:
 - A. The permitted uses on the property, as regulated by Section 8-16 of the Zoning Ordinance for the Neighborhood Business (B-1) zone, shall be:
 1. Professional services including, but not limited to, financial services, legal services, business offices, medical, and dental offices.
 2. Schools for academic instruction.
 3. Libraries, museums, art galleries, and reading rooms.
 4. Studios for work or teaching of fine arts.
 5. Community centers and private clubs.
 6. Ticket and travel agencies.
 7. Kindergartens, nursery schools and childcare centers.
 8. Restaurants and brew-pubs.
 9. Establishments for the retail sale of merchandise.
 10. Beauty shops and barber shops.
 11. Shoe repair, clothing alterations, and tailoring services.
 12. Dwelling units.
 13. Athletic club facilities.
 14. Banquet facilities.
 15. Adult day care facilities.
 16. Places of religious assembly.
 17. Nursing homes, personal care facilities and assisted living facilities
 18. Rehabilitation homes
 19. Day shelters
 20. Establishments for the retail sale of food products
 21. Accessory parking areas
 - B. No merchandise for sale will be displayed on the building's porch or in the front or side yards.
 - C. The Parking lot will be screened from Forest Avenue by the brick wall and landscaping shown on the submitted development plan. A buffer/screening of up to fifteen feet in height shall be planted along the sides and rear of the property as approved by the Planning Commission on a

final development plan and consistent with findings of the Board of Architectural Review.

- D. Business signage on the property shall be limited to one freestanding sign, with indirect illumination, not to exceed 3 1/2 feet in height, to be constructed of natural materials such as wood and be consistent with the architecture of the principal structure.

Staff finds that these restrictions are appropriate and necessary to allow for reasonable utilization of the property, and to protect the character of the Bell Court Historic Area and the Main Street corridor.

- 4. This recommendation is made subject to approval and certification of PLN-MJDP-23-00052: Zee Faulkner Property (AMD) prior to forwarding a recommendation to the Urban County Council. This certification must be accomplished within two weeks of the Planning Commission's approval.

* * *

Upon motion by Mr. Sevigny, and seconded by Ms. Monarrez, the ordinance was approved by the following vote:

Aye: Monarrez, Plomin, Reynolds, Sevigny, -----12
Sheehan, Worley, Wu, F. Brown, J. Brown,
