

TO: Jim Gray, Mayor
FROM: 
Todd Slatin, Director
Division of Central Purchasing
DATE: January 5, 2018
SUBJECT: Bid 166-2017 Traffic Signal Installation & Repair

Bids for Traffic Signal Installation & Repair for the Division of Traffic Engineering were received in the Division of Central Purchasing on November 27, 2017.

Ionwave notified four hundred and four (404) vendors with twenty seven (27) vendors viewing the document. Two (2) bids were received. The bid received from Arrow Electric Co., Inc. was the low bid but did not meet the specifications on item numbers 34, 35, 36, and 37.

The bids from Davis H. Elliot Co., Inc. meet the bid specifications and are within budgetary constraints; therefore, I recommend Davis H. Elliot Co., Inc.
