Biannual financial reports are required for submission to Parks and Recreation. The neighborhood association will procure and maintain commercial general liability insurance in the amount of \$2 million, as well as worker's compensation insurance. Parks and Recreation will be responsible for utility and capital improvement costs at the facility. The initial term of the agreement is for 2 years, with an automatic renewal for 2 additional years.

**Budgetary Implication:**

The neighborhood association is eligible for financial stipends and allowances, up to a total of \$6,000 per year. Funds budgeted in 1101-707606-7641-75101
