SUBJECT: Bid #109-2011 Water Heater for Community Corrections

Bids for Water Heater for Community Corrections for the Division of Community Corrections were received in the Division of Central Purchasing on October 31, 2011.

Economic Engine notified two hundred fifty-nine (259) vendors with thirty-eight (38) vendors viewing the document. Two (2) bids were received. The low bid was submitted by Finney Company Inc. for \$92,234.00, however the bid submitted by Finney Company Inc. did not meet the specifications in that the company did not provide a one year on site warranty and did not get the proposed water heater model pre-approved as required by the specifications.

The second low bid was submitted by TP Mechanical Contractors for \$111,129.00. The bid submitted by TP Mechanical Contractors meets all the specification requirements and is within budgetary constraints, therefore, we recommend accepting the bid from TP Mechanical Contractors for \$111,129.00 for the Water Heater for Community Corrections.
