SUBJECT: Reorganization – Division of Facilities & Fleet and Department of Public Safety

The attached is requesting authorization to transfer one (1) classified position of Administrative Officer (Grade 523E), one (1) classified position of Security Supervisor (Grade 514N), twelve (12) classified positions of Security Officers (Grade 507N), and one (1) unclassified position of Security Officer P/T (Grade 507N) and their incumbents from the Division of Facilities and Fleet Management to the Department of Public Safety, effective upon passage by Council.

This action is being requested due to the Council's request for a more "Security and Safety oriented" operation. Under the new Public Safety Commissioner, who has an extensive background in safety and law enforcement, there will be increased opportunities for shared resources with other Public Safety divisions and sections to enhance our safety program.

The fiscal impact for FY2015 will be budget neutral.
