Ref: Invitation to Bid #65-2014  
Repeater for Radio System for Community Corrections**

Southern Communications would like to thank you for the opportunity to bid on your communications needs. We have bid the Tait TB-9100 Repeater as specified. Due to the fact that the equipment is dependent on the FCC license that you have applied for we will need to know the frequencies before we can order your equipment. Once this is know we should have your equipment in approximately 35 days from order date. The only exception we have is item six on addendum #2 requiring us to have your equipment up in running in 24 hours. We will make every effort to get your system back in operation however we are limited to the availability of the manufacture having parts in stock to be delivered in that time frame. We highly recommend having either a spare unit or spare modules on hand to have your unit repaired quickly. As an option we will provide spare modules for 25% off the manufactures list price. We will provide the service for the two year warranty period and recommend a maintenance contract after the warranty period. Should you have any questions please let me know.

Thank You,

Mike Munafo

### The Law

- Title VII of the Civil Rights Act of 1964 (amended 1972) states that it is unlawful for an employer to discriminate in employment because of race, color, religion, sex, age (40-70 years) or national origin.
- Executive Order No. 11246 on Nondiscrimination under Federal contract prohibits employment discrimination by contractor and sub-contractor doing business with the Federal Government or recipients of Federal funds. This order was later amended by Executive Order No. 11375 to prohibit discrimination on the basis of sex.
- Section 503 of the Rehabilitation Act of 1973 states:

*The Contractor will not discriminate against any employee or applicant for employment because of physical or mental handicap.*

- Section 2012 of the Vietnam Era Veterans Readjustment Act of 1973 requires Affirmative Action on behalf of disabled veterans and veterans of the Vietnam Era by contractors having Federal contracts.
- Section 206(A) of Executive Order 12086, Consolidation of Contract Compliance Functions for Equal Employment Opportunity, states:

*The Secretary of Labor may investigate the employment practices of any Government contractor or sub-contractor to determine whether or not the contractual provisions specified in Section 202 of this order have been violated.*

\*\*\*\*\*

The Lexington-Fayette Urban County Government practices Equal Opportunity in recruiting, hiring and promoting. It is the Government's intent to affirmatively provide employment opportunities for those individuals who have previously not been allowed to enter into the mainstream of society. Because of its importance to the local Government, this policy carries the full endorsement of the Mayor, Commissioners, Directors and all supervisory personnel. In following this commitment to Equal Employment Opportunity and because the Government is the benefactor of the Federal funds, it is both against the Urban County Government policy and illegal for the Government to let contracts to companies which knowingly or unknowingly practice discrimination in their employment practices. Violation of the above mentioned ordinances may cause a contract to be canceled and the contractors may be declared ineligible for future consideration.

Please sign this statement in the appropriate space acknowledging that you have read and understand the provisions contained herein. Return this document as part of your application packet.

### Bidders
