Request # _____

Sub-Grantee Lexington Fayette Urban County Government Date 09/25/2012

Mailing Address 200 E. Main Street
Lexington, KY 40507

Type of Modification Requested

Project Information

Change in Grant Award Period

Agreement # PO2-094-1200003007

Budget Revision

Project # 11-097

Modification to Scope of Work

Approved Grant Award \$161,000

Approved Scope of Work:

Second Party shall purchase robot upgrades to enhance special teams response capabilities.

Requested Change:

Request to add purchase of explosive storage boxes to enhance special teams response.

Justification for Request:

All requested robot upgrades have been successfully completed. Additional storage magazines are needed to store small quantities of explosives inside a police facility and away from the primary explosive storage location. The additional space enables more product to be kept on hand for training, and reduces time spent travelling to and from the permanent storage facility. The total amount remaining is \$807 which will be the cost of 2 small indoor magazines. AEL# 02EX-00-EXMP
