If Organization breaches this provision, Organization may be liable to LFUCG for that breach in an amount that shall not exceed the fair market value of the goods, property and/or equipment that it sold or otherwise transferred. LFUCG further reserves the right to enforce this provision through any remedy available at law, equity, or in bankruptcy.

Laws and Regulations

All applicable state laws, municipal ordinances and regulations of all authorities having jurisdiction over the project shall apply to the contract, and shall be deemed to be incorporated herein by reference.

Equal Employment Opportunity

The Entity (regardless of whether construction contractor, non-construction contractor or supplier) agrees to provide equal opportunity in employment for all qualified persons, to prohibit discrimination in employment because of race, color, religion, sex (including pregnancy, sexual orientation or gender identity), national origin, disability, age, genetic information, political affiliation, or veteran status, and to promote equal employment through a positive, continuing program from itself and each of its sub-contracting agents. This program of equal employment opportunity shall apply to every aspect of its employment policies and practices.

Kentucky Equal Employment Opportunity Act

The Kentucky Equal Employment Opportunity Act of 1978 (KRS 45.560-45.640) requires that any "county, city, town, school district, water district, hospital district, or other political subdivision of the state shall include in directly or indirectly publicly funded contracts for supplies, materials, services, or equipment hereinafter entered into the following provisions:

"During the performance of this contract, the contractor agrees as follows:

- (1) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, age, or national origin;
- (2) The contractor will state in all solicitations or advertisements for employees placed by or on behalf of the contractors that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, age, or national origin;
- (3) The contractor will post notices in conspicuous places, available to employees and applicants for employment, setting forth the provision of the nondiscrimination clauses required by this section; and
- (4) The contractor will send a notice to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding advising the labor union or workers'

representative of the contractor's commitments under the nondiscrimination clauses."

The Act further provides:

"KRS 45.610. Hiring minorities -- Information required

(1) For the length of the contract, each contractor shall hire minorities from other sources within the drawing area, should the union with which he has collective bargaining agreements be unwilling to supply sufficient minorities to satisfy the agreed upon goals and timetables.

(2) Each contractor shall, for the length of the contract, furnish such information as required by KRS 45.560 to KRS 45.640 and by such rules, regulations and orders issued pursuant thereto and will permit access to all books and records pertaining to his employment practices and work sites by the contracting agency and the department for purposes of investigation to ascertain compliance with KRS 45.560 to 45.640 and such rules, regulations and orders issued pursuant thereto.

KRS 45.620. Action against contractor -- Hiring of minority contractor or subcontractor

(1) If any contractor is found by the department to have engaged in an unlawful practice under this chapter during the course of performing under a contract or subcontract covered under KRS 45.560 to 45.640, the department shall so certify to the contracting agency and such certification shall be binding upon the contracting agency unless it is reversed in the course of judicial review.

(2) If the contractor is found to have committed an unlawful practice under KRS 45.560 to 45.640, the contracting agency may cancel or terminate the contract, conditioned upon a program for future compliance approved by the contracting agency and the department. The contracting agency may declare such a contractor ineligible to bid on further contracts with that agency until such time as the contractor complies in full with the requirements of KRS 45.560 to 45.640.

(3) The equal employment provisions of KRS 45.560 to 45.640 may be met in part by a contractor by subcontracting to a minority contractor or subcontractor. For the provisions of KRS 45.560 to 45.640, a minority contractor or subcontractor shall mean a business that is owned and controlled by one or more persons disadvantaged by racial or ethnic circumstances.

KRS 45.630 Termination of existing employee not required, when

Any provision of KRS 45.560 to 45.640 notwithstanding, no contractor shall be required to terminate an existing employee upon proof that employee was employed prior to the date of the contract.

KRS 45.640 Minimum skills

Nothing in KRS 45.560 to 45.640 shall require a contractor to hire anyone who fails to demonstrate the minimum skills required to perform a particular job."

It is recommended that all of the provisions above quoted be included as special conditions in each contract. In the case of a contract exceeding \$250,000, the contractor is required to furnish evidence that his workforce in Kentucky is representative of the available work-force in the area from which he draws employees, or to supply an Affirmative Action plan which will achieve such representation during the life of the contract.

LFUCG Non-Appropriation Clause

Contractor acknowledges that the LFUCG is a governmental entity, and the contract validity is based upon the availability of public funding under the authority of its statutory mandate.

In the event that public funds are unavailable and not appropriated for the performance of the LFUCG's obligations under this contract, then this contract shall automatically expire without penalty to the LFUCG thirty (30) days after written notice to Contractor of the unavailability and non-appropriation of public funds. It is expressly agreed that the LFUCG shall not activate this non-appropriation provision for its convenience or to circumvent the requirements of this contract, but only as an emergency fiscal measure during a substantial fiscal crisis, which affects generally its governmental operations.

In the event of a change in the LFUCG's statutory authority, mandate and mandated functions, by state and federal legislative or regulatory action, which adversely affects the LFUCG's authority to continue its obligations under this contract, then this contract shall automatically terminate without penalty to the LFUCG upon written notice to Contractor of such limitation or change in the LFUCG's legal authority.

EQUAL OPPORTUNITY AGREEMENT

Standard Title VI Assurance

The Lexington Fayette–Urban County Government, (hereinafter referred to as the "Recipient") hereby agrees that as a condition to receiving any Federal financial assistance from the U.S. Department of Transportation, it will comply with Title VI of the Civil Rights Act of 1964, 78Stat.252, 42 U.S.C. 2000d-4 (hereinafter referred to as the "Act"), and all requirements imposed by or pursuant to Title 49, Code of Federal Regulations, U.S. Department of Transportation, Subtitle A, Office of the Secretary, (49 CFR, Part 21) Nondiscrimination in Federally Assisted Program of the Department of Transportation – Effectuation of Title VI of the Civil Rights Act of 1964 (hereinafter referred to as the "Regulations") and other pertinent directives, no person in the United States shall, on the grounds of race, color, national origin, sex, age (over 40), religion, sexual orientation, gender identity, veteran status, or disability be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity for which the Recipient receives Federal financial assistance from the U.S. Department of Transportation, including the Federal Highway Administration, and hereby gives assurance that will promptly take any necessary measures to effectuate this agreement. This assurance is required by subsection 21.7(a) (1) of the Regulations.

- Executive Order No. 11246 on Nondiscrimination under Federal contract prohibits employment discrimination by contractor and sub-contractor doing business with the Federal Government or recipients of Federal funds. This order was later amended by Executive Order No. 11375 to prohibit discrimination on the basis of sex.
- Section 503 of the Rehabilitation Act of 1973 states:
The Contractor will not discriminate against any employee or applicant for employment because of physical or mental handicap.
- Section 2012 of the Vietnam Era Veterans Readjustment Act of 1973 requires Affirmative Action on behalf of disabled veterans and veterans of the Vietnam Era by contractors having Federal contracts.
- Section 206(A) of Executive Order 12086, Consolidation of Contract Compliance Functions for Equal Employment Opportunity, states:
The Secretary of Labor may investigate the employment practices of any Government contractor or sub-contractor to determine whether or not the contractual provisions specified in Section 202 of this order have been violated.

The Lexington-Fayette Urban County Government practices Equal Opportunity in recruiting, hiring and promoting. It is the Government's intent to affirmatively provide employment opportunities for those individuals who have previously not been allowed to enter into the mainstream of society. Because of its importance to the local Government, this policy carries the full endorsement of the Mayor, Commissioners, Directors and all supervisory personnel. In following this commitment to Equal Employment Opportunity and because the Government is the benefactor of the Federal funds, it is both against the Urban County Government policy and illegal for the Government to let contracts to companies which knowingly or unknowingly practice discrimination in their employment practices. Violation of the above mentioned ordinances may cause a contract to be canceled and the contractors may be declared ineligible for future consideration.

- Title VII of the Civil Rights Act of 1964 (amended 1972) states that it is unlawful for an employer to discriminate in employment because of race, color, religion, sex, age (40-70 years) or national origin.
- Executive Order No. 11246 on Nondiscrimination under Federal contract prohibits employment discrimination by contractor and sub-contractor doing business with the Federal Government or recipients of Federal funds. This order was later amended by Executive Order No. 11375 to prohibit discrimination on the basis of sex.
- Section 503 of the Rehabilitation Act of 1973 states:

The Contractor will not discriminate against any employee or applicant for employment because of physical or mental handicap.

- Section 2012 of the Vietnam Era Veterans Readjustment Act of 1973 requires Affirmative Action on behalf of disabled veterans and veterans of the Vietnam Era by contractors having Federal contracts.
- Section 206(A) of Executive Order 12086, Consolidation of Contract Compliance Functions for Equal Employment Opportunity, states:

The Secretary of Labor may investigate the employment practices of any Government contractor or sub-contractor to determine whether or not the contractual provisions specified in Section 202 of this order have been violated.

The Lexington-Fayette Urban County Government practices Equal Opportunity in recruiting, hiring and promoting. It is the Government's intent to affirmatively provide employment opportunities for those individuals who have previously not been allowed to enter into the mainstream of society. Because of its importance to the local Government, this policy carries the full endorsement of the Mayor, Commissioners, Directors and all supervisory personnel. In following this commitment to Equal Employment Opportunity and because the Government is the benefactor of the Federal funds, it is both against the Urban County Government policy and illegal for the Government to let contracts to companies which knowingly or unknowingly practice discrimination in their employment practices. Violation of the above mentioned ordinances may cause a contract to be canceled and the contractors may be declared ineligible for future consideration.

Please sign this statement in the appropriate space acknowledging that you have read and understand the provisions contained herein. Return this document as part of your application packet.

Facility Improvements – Client Bathroom Renovations

The New Life Day Center opened as a “daytime shelter” in 2011 with the goal of providing the homeless population with an out of the weather option where they could come and get connected with the services they need. From the very beginning our intention was not to provide services that other organizations were already providing for the homeless, but instead to fill the gaps, and to serve as a connecting point to other organizations and services. One of those gaps was breakfast; today we provide that first meal of the day for any that want to take advantage of it. Another huge gap we have addressed was the need for Lockers so that the homeless don’t have to always carry their belongings around with them.

While we continue to improve in all aspects of our mission, we have made great progress in the 10+ years since we opened. Today, clients of the day center apply for Social Security, receive preventative medical care, and meet with members of other organizations such as the VA, Lexington Rescue Mission (Jobs Program), Jubilee Jobs and several addiction and recovery programs, all without ever leaving the building. In addition, we refer our clients to services delivered at other organizations and provide transportation to get them there if needed. That’s what we mean when we say we are a “connecting point” for the homeless population.

The New Life Day Center has also partnered with the city on many initiatives to address challenges affecting both the homeless population and the “at risk of being homeless” population. Those include panhandling, evictions, and rental deposit assistance during the COVID-19 crisis, vaccinating the homeless population (through our partner Bluegrass Community Health Center located in our facility), etc.

The Panhandler Van program that we have partnered with the city on since 2016 has reduced the number of panhandlers on Lexington streets and has provided a source of income for the panhandlers and has helped to keep our streets and roadways clean.

Project Narrative (Facility Improvements – Client Bathroom Renovations)

The Building the New Life Day Center occupies was built in 1960. It is approximately 6,460 square feet, comprised of 2 levels (both above grade); each level is approximately 3,230 square feet. The upper floor is where the homeless come during the day to get out of the weather and to have their first meal of the day & coffee. It is also where most of the New Life Day Center programming occurs.

On the lower level there is a Medical Clinic which is run by Bluegrass Community Health Center (BCHC) as a free service to both the homeless and the medically underserved in the area.

The exterior of the building and all interior walls are cinderblock with the exception of a stone facing on the street facing portion of the building. This project Narrative is for completing client bathroom renovations desperately needed on the main floor of the building.

Water leaks, heavy usage and client abuse have destroyed the tile and damaged the subflooring in the client bathrooms. The Toilets, which are not commercial grade, are constantly clogged up and cannot be used. The same goes for the sinks, they also are not commercial grade, and are constantly clogged and unusable. We are having to spend a fortune in plumbing visits to maintain something that wasn't built for commercial

use. Our plan is to demolish and renovate both bathrooms entirely. This will include resituating things to hopefully permit wheelchair access. Everything will be replaced starting with the flooring, the doors, the stalls, toilets, sinks, light fixtures, everything. We will be replacing the toilets and sinks with commercial grade equipment. We are placing a particularly heavy contingency cost on this one (30%) due to the age of the building, the possibility of Asbestos, the known very poor condition of the pipes and plumbing and to ensure we don't go over on this most critical project. The New Life Day Center is requesting funding assistance in completing this project.

4.1 Directly Provide or Indirectly Facilitate the Provision of Services to Low-income, Underserved, or Marginalized Lexington-Fayette County Residents Agency

It is difficult to imagine a lower income, and more underserved and marginalized population than the homeless clients of Fayette County that we serve every day. Our primary mission and objectives are to:

- 1) Provide a safe place for the homeless to go during the day to get them off the streets and provide shelter from extreme weather.
- 2) Provide the first meal of the day.
- 3) Serve as a connecting point to help them get connected with Jobs, Training Programs, Housing, Medical Care, Social Security and many other services and programs.
- 4) Provide a place where other agencies that serve the homeless can come and help the homeless clients, we serve get connected with the services they provide.

- 5) Express and exemplify Christ's love for them in every way that we can by caring for them, showing respect, providing guidance, hope, encouragement and assisting them in any way we can.

To ensure that we cover all our bases with criteria 4.1:

- a) The Facility Improvement location is located in Fayette County and Operational Investments are for the purpose of serving Fayette County residents with these grant funds.
- b) We are good standing with the Kentucky Secretary of State.
- c) We are registered and have a current, complete Gold Seal of Transparency agency portrait on GuideStar.org.
- d) We acknowledge that Funds for the projects cannot be used to teach, advance, advocate or promote any religion.
- e) We agree to comply with all applicable local, state, and federal laws.

4.2 Demonstrated Need

- 1) "The type and scale of the project proposed clearly enables the capacity of the agency's mission."
 - i. This project clearly ties to our Agency Missions first objective, which is to "Provide a safe place for the homeless ...". Providing safe shelter includes providing clean and functional restrooms for use while the clients are at our facility. Due to the failed conditions of the current bathroom facilities, we feel that we are failing to meet this goal.

2) "Data provided that documents project need."

- a. Please see the attached document "Client Bathrooms Renovations - PICS of Existing Space.pdf" to see firsthand the need for this project. Pictures are worth a thousand words sometimes.
- b. **Details on Project Need - Water leaks, heavy usage and client abuse** have destroyed the tile and damaged the subflooring in the client bathrooms. The Toilets, which are not commercial grade, are constantly clogged up and cannot be used. The same goes for the sinks, they also are not commercial grade, and are constantly clogged and unusable. We are having to spend a fortune in plumbing visits to maintain something that wasn't built for commercial use. Our plan is to demolish and renovate both bathrooms entirely. - c. "If applicable, the facility proposed for use meets local codes, health, or safety standards. Or, the proposed project would remedy any code infractions or notices."
 - i. Don't think this one is applicable for this item.

4.3 Applicant Capacity for Project and Meeting LFUCG Requirements

- 1) Agency staff must have adequate credentials and experience to carry out the proposed project.
 - a. Regarding the client bathroom renovations project, we will be subcontracting this work to a company that specializes in this type of project. Our Day Center Coordinator, who is a former Facilities Manager and Handyman himself, will be managing these projects and will closely supervise them to ensure they get done right, on time and on budget with minimal disruption to the services we provide. Before we start the work, we will make sure we have outdoor toilets in place for use while this project is occurring.
- 2) Regarding our prior experience, suitable agency fiscal capacity and organizational infrastructure to implement the project, and employee experience in grant management.
 - a. The New Life Day Center has successfully partnered with LFUCG on numerous initiatives, including but not limited to:
 - i. Panhandler Van Jobs Program
 - ii. COVID Housing Grant
 - iii. Rental Deposit Assistance Program
 - iv. HUD Point in Time Counts
 - v. Homeless Prevention and Intervention Committee (Steve Polston served as chairperson for several years)

- vi. Extended Social Resource Grants (ESR)
- b. Regarding our fiscal capacity and organizational infrastructure to implement projects:
 - i. Fiscal Capacity – see attached letter of commitment from Community Trust Bank to provide a \$50,000 drawdown account that we can use as needed to cover project costs for later reimbursement through the grant. We will be able to space them out so that this fund plus any additional resources needed will allow us to cover the up-front costs of the projects.
 - ii. We have a strong and successful track record with the LFUCG on all historical projects.
 - iii. Our Day Center Coordinator, who is a former Facilities Manager and Handyman himself, will be managing this project.
- c. Regarding our employee experience in Grant Management
 - i. Refer to point 2) a) above where we have listed all the LFUCG grant programs where we have successfully partnered with LFUCG on Grant Management and Administration.

4.4 Operational Feasibility

- 1) “Clear and complete plans and timeline for implementing and completing the project.”
 - a. Complete Plans – Client Bathroom Renovations Project

- i. At this point we have obtained actionable quotes for this project.
The quotes followed in person meetings at the facility to clarify the scope and agree on exactly what we wanted done.
- ii. The vendors have stated that they have well-established processes for completing this project. As part of the project process, they will be providing us with drawings to approve regarding what the renovated bathrooms will look like. The process is not so complex that it will require a project plan, however, we will need to make sure we have portable toilets and wash stations in place to make up for the bathroom that is out of commission while being worked on. Of course, we will do them one at a time and have to manage one bathroom being shared during the time the other is out of commission.
- iii. Each vendor has provided detailed quotes for the work which is in essence their "Scope of Work". Once the funding is approved, updated, actionable quotes will be requested and provided by the subcontractors. We are adding a high % contingency cost on this project (30%) due to the age of the building, the possibility of Asbestos, the known very poor condition of the pipes and plumbing and to ensure we don't go over on this most critical project.

b. Timelines (provided by the vendors)

Once approved, we will be able to start this project in no more than 5 weeks and complete within 6 weeks of starting.

2) "An adequate strategy for securing additional support and commitment if needed. If applicable, include letters of commitment for other funding that will be used to implement the project."

- a. The New Life Day Center Board is made up of current and former senior leaders from many of the companies that have shaped Lexington including Lockheed Martin, Toyota and Valvoline, just to name a few. When we need to get something done these leaders have shown time and time again their ability to engage and make things happen. Our board is fully behind this process and the objectives we are pursuing here. If we need additional support or commitment, we are confident they can provide it.
- b. Fiscal Capacity – see attached letter of commitment from Community Trust Bank to provide a \$50,000 drawdown account that we can use as needed to cover project costs for later reimbursement through the grant. We will be able to space them out so that this fund plus any additional resources needed will allow us to cover the up-front costs of the projects.

3) "Adequate number of qualified staff to carry out the proposed project."

- a. There are no issues or concerns with having the qualified staff to complete this project as it will be done by hired professionals who complete this type of work on an everyday basis. We would be managing the project to ensure that deliverables, cost and timeline, are met, but all project work would be entirely performed by the selected vendor. The project management duties for this project would be overseen by both our

Executive Director and our Day Center Coordinator who is a former facilities manager.

- 4) “Indicators that demonstrate that the project can be completed by April 30, 2025.”
- a. The duration from start to finish for this project is 11 weeks or less. Given that they anticipate being able to start within 5 weeks and complete within 6 weeks after start, there is no reason to think there will be any issues with this target. In fact, we anticipate having this work completed no later than Q1 of 2024 if approved.

Our Plan

Our plan is to demolish and renovate both bathrooms entirely. This will include resituating things to hopefully permit wheelchair access. Everything will be replaced starting with the flooring, the doors, the stalls, toilets, sinks, light fixtures, everything. We will be replacing the toilets and sinks with commercial grade equipment. We are placing a particularly heavy contingency cost on this one (30%) due to the age of the building, the known very poor condition of the pipes and plumbing and to ensure we don't go over on this most critical project. The New Life Day Center is requesting funding assistance in completing this project.

Facility Improvements – Replace Ceiling Lights Panels Fans Etc.

The New Life Day Center opened as a “daytime shelter” in 2011 with the goal of providing the homeless population with an out of the weather option where they could come and get connected with the services they need. From the very beginning our intention was not to provide services that other organizations were already providing for the homeless, but instead to fill the gaps, and to serve as a connecting point to other organizations and services. One of those gaps was breakfast; today we provide that first meal of the day for any that want to take advantage of it. Another huge gap we have addressed was the need for Lockers so that the homeless don't have to always carry their belongings around with them.

While we continue to improve in all aspects of our mission, we have made great progress in the 10+ years since we opened. Today, clients of the day center apply for Social Security, receive preventative medical care, and meet with members of other organizations such as the VA, Lexington Rescue Mission (Jobs Program), Jubilee Jobs and several addiction and recovery programs, all without ever leaving the building. In addition, we refer our clients to services delivered at other organizations and provide transportation to get them there if needed. That's what we mean when we say we are a “connecting point” for the homeless population.

The New Life Day Center has also partnered with the city on many initiatives to address challenges affecting both the homeless population and the “at risk of being homeless” population. Those include panhandling, evictions, and rental deposit assistance during the COVID-19 crisis, vaccinating the homeless population (through our partner Bluegrass Community Health Center located in our facility), etc.

The Panhandler Van program that we have partnered with the city on since 2016 has reduced the number of panhandlers on Lexington streets and has provided a source of income for the panhandlers and has helped to keep our streets and roadways clean.

Project Narrative (Facility Improvements – Replace Ceiling Lights Panels Fans Etc.)

The Building the New Life Day Center occupies was built in 1960. It is approximately 6,460 square feet, comprised of 2 levels (both above grade); each level is approximately 3,230 square feet. The upper floor is where the homeless come during the day to get out of the weather and to have their first meal of the day & coffee. It is also where most of the New Life Day Center programming occurs.

On the lower level there is a Medical Clinic which is run by Bluegrass Community Health Center (BCHC) as a free service to both the homeless and the medically underserved in the area.

The exterior of the building and all interior walls are cinderblock with the exception of a stone facing on the street facing portion of the building. This project Narrative is for completing client bathroom renovations desperately needed on the main floor of the building.

There are many issues with the ceiling that go beyond just how bad it looks. There are issues with both safety and health standards that are apparent with our current state. Over time, water leaks from the ceiling have damaged and destroyed many of the ceiling tiles, diffusers, lights, speakers, etc. Since ceiling tiles serve as a line of defense

against dust, mold and disease, it is important that they be replaced periodically (or when damaged). Since most of the ceiling tiles in use today are porous fiber board, they are prone to water spots and sagging, making them a prime location to grow mold and mildew as well as harbor bacteria. These conditions are visibly apparent at New Life Day Center.

Ceiling tiles that are badly damaged and stained are normally due to leaks or even just condensation. In the case of the New Life Day Center, we have had many issues with roof leaks that we have had to address. Water spots on the ceiling tiles can be an indication of mold which is an obvious health concern. Mold can cause SBS (Sick Building Syndrome) and reduces indoor air quality.

The air diffusers in our ceilings are of unknown age. We know they were there when we started leasing the building in 2011 but have no idea how long they were there before that. Based on the way they look, they could be pre-historic. A neglected air diffuser can contribute to a host of health problems. The two biggest signs of neglected diffuser care are a) Mold and Condensation and b) Dust and Residue Formation. Both appear to be present at the New Life Day Center and can be seen in the pictures provided in the attached document ["Replace Ceiling Lights Panels - PICS of Existing Space.pdf"](#)

In addition to the above, many of the lights have been damaged by the water leaks and age and need to be replaced. The Ceiling Fans are in need of replacement as well, they are at least 12 years old and some are damaged.

Our plan is to completely remove the entire ceiling infrastructure and replace it. This includes the Ceiling Tiles, the Diffusers, Lighting, Fans, etc. We are placing a moderate contingency cost on this one (15%) due to the age of the building and the possibility of Asbestos. The New Life Day Center is requesting funding assistance in completing this project.

If applicable, include letters of commitment for other funding that will be used to implement the project."

a. The New Life Day Center Board is made up of current and former senior leaders from many of the companies that have shaped Lexington including Lockheed Martin, Toyota and Valvoline, just to name a few. When we need to get something done these leaders have shown time and time again their ability to engage and make things happen. Our board is fully behind this process and the objectives we are pursuing here. If we need additional support or commitment, we are confident they can provide it.

b. Fiscal Capacity – see attached letter of commitment from Community Trust Bank to provide a \$50,000 drawdown account that we can use as needed to cover project costs for later reimbursement through the grant.

We will be able to space them out so that this fund plus any additional resources needed will allow us to cover the up-front costs of the projects.

3) "Adequate number of qualified staff to carry out the proposed project."

- a. There are no issues or concerns with having the qualified staff to complete this project as it will be done by hired professionals who complete this type of work on an everyday basis. We would be managing the project to ensure that deliverables, cost and timeline, are met, but all project work would be entirely performed by the selected vendor. The project management duties for this project would be overseen by both our Executive Director and our Day Center Coordinator who is a former facilities manager.

4) "Indicators that demonstrate that the project can be completed by April 30, 2025."

- a. The duration from start to finish for this project is 11 weeks or less. Given that they anticipate being able to start within 5 weeks and complete within 6 weeks after start, there is no reason to think there will be any issues with this target. In fact, we anticipate having this work completed no later than Q1 of 2024 if approved.

The above is a screenshot of the project cost analysis and timeline taken from the attached / uploaded document "Project Budgets & Timeline Estimations.xlsx".

Extensive discussions and planning went into arriving at these project scopes and timelines. All of the above estimated costs were taken from the actionable quotes provided by potential vendors. EMINENT DOMAIN AND CONDEMNATION

8.1 Complete or Substantial Taking. If the whole Premises, or a substantial part of the buildings on the Premises shall be taken by eminent domain, or by agreement between the Lessor and the condemnor resulting from the threat of eminent domain, this Lease shall cease and terminate from the date of title vesting in the condemnor and the Lessee shall have no claim against the Lessor for the value of any unexpired term of this Lease, nor shall the Lessee be entitled to any share of the award to Lessor. Lessor agrees, however, that Lessee may proceed with or against condemnor and may pursue its own settlement of any damages or losses to Lessee as a result of said taking, so long as the award by condemnor shall in no way diminish or reduce the amount or method of the award and damages to the Lessor.

ARTICLE IX

INSURANCE

9.1 Insurance. Lessee shall, at its expense, maintain during the Term comprehensive public liability insurance, contractual liability insurance and property damage insurance under policies issued by insurers of recognized responsibility, with limits of not less than One Million Dollars (\$1,000,000.00) per occurrence, as such amount may be reasonably increased by Lessor from time to time, for personal injury, bodily injury, death, contractual liability, or for damage or injury to or destruction of Property (including the loss of use thereof). Lessee's policies shall name Lessor as additional insured and any mortgagee of the property as additional insured. Lessee shall furnish to Lessor a certificate evidencing such coverage. Lessee hereby acknowledges and agrees that it shall bear the risk of loss for all property belonging to the Lessee placed

within its office unit or other areas of these premises. Lessee shall purchase and maintain in full force and effect all property insurance coverage required and/or desired by the Lessee with respect to such property, including fire and extended coverage insurance.

Lessee agrees to indemnify, compensate, and hold forever harmless Lessor from any and all claims, damages, and/or liability whatsoever, including death of any person and/or damage and/or destruction of any property unless due to the fault of the Lessor.

At the signing of this agreement, Lessee agrees to waive subrogation against Lessor.

ARTICLE X

UTILITIES

10.1 Utilities. Lessee agrees to pay when due all charges for garbage, refuse, sewer, gas, electricity, lights, water, heat or power, water quality management fees, telephone or other communication services used, rendered or supplied upon, or in connection with the Premises throughout the term of the Lease.

ARTICLE XI

DESTRUCTION

11.1. Destruction. If, during the term of this Lease, the Premises shall be damaged by fire or other cause, without the fault of the Lessee, its servants, employees, customers, agents, visitors or licensees, the damages shall be repaired by, and at the expense of, the Lessor; and the Lessor shall repair the Premises and put them in a tenable state within a period of four (4) months. If the Lessor finds that it is unable to make such repairs within the four (4) month period, both the Lessor and the Lessee shall have the right to terminate this Lease at the expiration of said four (4) month period at their option. Should the Lessee not be able to occupy and utilize the Premises during said period of repair, then the monthly rentals and common area charges shall be abated until the Premises are restored and occupied, with the Lessor to be compensated through a "rent loss" rider to the casualty insurance coverage.

ARTICLE XII

DEFAULTS

12.1 Default by Lessee. (a) If the Lessee shall not pay any monthly installment of rent within ten (10) days of its due date, without any written demand being required (provided,

however, if Lessee shall be in default of its rent payment on more than three (3) occasions, such period shall be reduced to five (5) days); or (b) if Lessee shall fail to correct any other default within ten (10) days after written notice of such default; or (c) should the Lessee vacate the Premises (actually or effectively), then in any such event the Lessor may, at any time, if it elects to do so, terminate this Lease, re-enter upon the Premises and take possession thereof, with full right to sue for and collect all rents and other amounts for the payment of which the Lessee shall then be in default. The Lessor may, if it elects so to do, bring suit for the collection of rents and enforcement of the other provisions of this agreement, without entering into possession of the Premises or voiding or terminating this Lease. If this Lease is terminated, the Lessor is hereby given the right by Lessee to re-let the Premises as the agent of the Lessee, and in the event of re-entry by the Lessor, to receive the rents therefore, applying such rents first to the payment of such expenses as the Lessor may be put to in re-entering and re-letting said Premises (including commissions) and then to the payment of the rent due hereunder and the balance, if any, shall be the property of the Lessor as liquidated damages, but in the event the rent realized from such re-letting shall not be sufficient to pay the rents accruing hereunder, the Lessee shall continue to be liable for any deficiency during the remainder of the Lease term. The above remedies shall be cumulative and in addition to all other remedies available to the Lessor at law and in equity. Lessor may have the right to a Forcible Detainer and Writ of Possession for any default of this or any other provision hereunder, including Article XIII.

12.2 Late Fee. If Lessee fails to pay any Monthly Rent or Additional Rent on the date they are due and payable, the unpaid amounts will be subject to a late payment charge equal to 10% of the unpaid amounts for the month in which such unpaid amounts are due, and 10% per month or portion of additional months such amounts remain unpaid. This late payment is intended to compensate the Lessor for its additional administrative costs resulting from Lessee's failure, and has been agreed upon by Lessor and Lessee, after negotiation, as a reasonable estimate of the additional administrative costs that will be incurred by Lessor as a result of Lessee's failure. The actual cost in each instance is extremely difficult, if not impossible to determine. This late payment will constitute liquidated damages and will be paid to Lessor together with such unpaid amounts. The payment of this late payment charge will not constitute a waiver by Lessor of any default by Lessee under this Lease.

In the event some or all of this late payment charge shall be held to be unenforceable, it shall not be considered a breach of the Lease by the Landlord, but shall be enforceable to the extent permitted by law.

12.3 Indemnification Upon Default. Upon any default by Lessee hereunder, Lessee shall be liable for and hereby agrees to pay any and all liabilities, losses, costs and expenses including attorneys' fees incurred by Lessor as a result of Lessee's default and in exercising Lessor's rights and remedies in connection with such default.

12.4 Default of Lessor. Lessor shall in no event be charged with default in the performance of any of its obligations under this Lease unless and until Lessor shall have received written notice from Lessee specifying wherein Lessor has failed to perform such obligation or remedy such default, and such default has not been cured after thirty (30) days (or such additional time as is reasonably required to correct any such default) from Lessor's receipt of such notice from Lessee.

12.5 Status of Lessor. Lessee agrees that Lessee shall look solely to Lessor's interests in and to the Premises, subject to prior rights of any mortgagee of the Premises, for collection of any judgment (or other judicial process) requiring payment of money by Lessor in the event of default or breach by Lessor of any of the covenants, terms or conditions of this Lease to be observed or performed by Lessor, and that no other assets of Lessor shall be subject to levy, execution or other process for satisfaction of Lessee's remedies. The term "Lessor" as used in this Lease in relation to covenants, agreements and conditions to be observed and performed by Lessor, shall mean and include only the owner or owners from time-to-time of the Lessor's interest in this Lease and the Premises. In the event of any transfer or transfers of such interest (except a transfer for security), the Lessor named herein (or the transferor in the case of a subsequent transfer) shall, after the date of such transfer, be released from all personal liability for performance of any covenant, agreement and condition on the part of the Lessor which are thereafter to be performed hereunder. The transferee shall be deemed to have assumed (subject to the limitations of this paragraph) all of the covenants, agreements and conditions herein to be observed by Lessor with the result that such covenants, agreements and conditions shall bind the Landlord, its successors and assigns, only during and in respect of their respective successive periods of ownership.

ARTICLE XIII
CANCELLATION AND
SURRENDER OF THE PREMISES

- 13.1 The Lessor may cancel this Lease upon the happening of any of the following:
- (a) The Lessee, guarantors, any of them or any sublessee/sublessees hereunder, being adjudged a bankrupt, either voluntarily or involuntarily;
 - (b) Whenever the Lessee, guarantors or any of them, shall become insolvent, or execute an assignment for the benefit of their creditors;
 - (c) When said Premises are used in a manner in violation of statute, state administrative rulings, local and health ordinances, Urban County Ordinances and regulations;
 - (d) Whenever said Premises shall be, or through its use, becomes a nuisance, either public or private;
 - (e) Whenever an installment of rent is due and payable for a period of ten (10) days from the date upon which it is due;
 - (f) Whenever a lien has been filed against the land or building of which the Premises are a part; or
 - (g) Whenever the Premises are actually, effectively or constructively vacated.

In the event that the Lessor elects to cancel this Lease for the reasons aforesaid, the Lessee agrees that it will surrender and deliver up the said Premises upon ten (10) days written notice from the Lessor of the existence of any of the aforesaid facts.

ARTICLE XIV
ASSIGNMENT AND SUBLETTING

14.1 Assignment. The Lessee shall not assign this Lease or sublease the Premises in whole or in part, without the express written consent of the Lessor, which consent shall not be arbitrarily withheld. Any such assignment or subletting shall not relieve Lessee or Guarantor from liability for payment of rent or other sums herein provided or from the performance of any other obligations under this Lease.

ARTICLE XV

COVENANT OF QUIET ENJOYMENT

15.1 Covenants. Lessor covenants that the Lessee, on paying the rents and observing and keeping the covenants and stipulations of the Lease, shall lawfully, peaceably and quietly hold, occupy and enjoy said Premises during the term thereof, or any extension hereof, without hindrance or molestation.

ARTICLE XVI

CUMULATIVE REMEDIES OF LESSOR

16.1 The specified remedies to which the Lessor may resort under the terms hereof are cumulative and are not intended to be exclusive of any other remedies or means of redress to which the Lessor may be lawfully entitled in case of any breach by the Lessee of any provision or provisions of this Lease.

ARTICLE XVII

LIEN FOR RENT

17.1 Lien for Rent. It is further covenanted and agreed between the parties hereto that the whole amount of the rent reserved and hereby agreed to be paid, and the amount of any and all other charges mentioned herein and all interest for which the Lessee is liable hereunder shall be over and above, and in addition to, any statutory or legal liens provided by law.

ARTICLE XVIII

LESSOR'S RIGHT TO ENTER UPON PREMISES

18.1 Lessor's Right to Enter Upon Premises. The Lessor and/or its agents shall have the right to enter upon and into said Premises, or any part thereof, at any and all reasonable times for the purpose of examining same or making repairs to this or any other portion of the building. The Lessee also agrees to permit the Lessor and/or its agents to show the Premises for the purposes of selling same, and to permit them to place notices or signs on the Premises offering the Premises for sale. Lessor shall also have the right to place notices or signs on the Premises offering the Premises for rent within the last six (6) months of the end of the term.

ARTICLE XIX

NOTICES

19.1 Notices. All notices required herein shall be by personal delivery, Certified or Registered Mail, to the addresses shown at the beginning of this Lease. Any notification of the change of addresses or their addresses shall be made in the same manner as sending notices herein.

ARTICLE XX

PREMISES TO BE VACATED AT END OF TERM; HOLD OVER TENANCY

20.1 Vacation of Premises. At the expiration of the term specified in this Lease, or any extension thereof, if extended pursuant to the terms of this Lease, the Lessee shall vacate the Premises and surrender the same to Lessor without further notice or demand from Lessor, and said Premises shall be in as good order and condition, reasonable wear and tear, damage from the elements, fire or act of God excepted. Lessee shall be responsible for any damages, extra charges, cleaning or repairs made necessary to the Premises as a result of furnishings and fixture removal, the remnants, trash or abandoned property of Lessee or any other extra item of expense to Lessor in restoring the Premises as a result of the business fixtures or activities of the Lessee.

20.2 Hold Over Tenancy. If, without the execution of a new lease or written extension and with or without the consent of Lessor, Lessee shall hold over after the expiration of the Lease Term of this Lease, Lessee shall be deemed to be occupying the Premises as a tenant from month-to-month, which tenancy may be terminated by either Lessor or Lessee upon thirty (30) days prior written notice to the other. During such tenancy, Lessee agrees to pay to Lessor one hundred fifty percent (150%) of the monthly installment of Base Rental which was payable in the month immediately preceding the month in which the expiration or termination occurs, and to be otherwise bound by all of the other terms, covenants and conditions as herein specified. If Lessee fails to surrender the Premises upon the termination of this Lease, in addition to any other liabilities to Lessor arising therefrom, Lessee shall indemnify and hold Lessor harmless from loss or liability resulting, directly or indirectly, from such failure, including any claims made by any succeeding tenant founded on such failure.

ARTICLE XXI

COVENANTS BINDING ON HEIRS AND ASSIGNS

21.1 Binding Agreement. All the covenants, agreements, terms, conditions, provisions and undertaking in this Lease, or any amendments hereto shall be enforceable by and be binding upon the respective heirs, executors, administrators, successors and assigns of the Lessee Guarantor and the Lessor.

ARTICLE XXII

SUBORDINATION

22.1 Subordination. Lessor shall have the right from time to time to maintain or to place a mortgage or mortgages on said Premises. It is agreed by Lessee that this Lease is and shall at all times be fully subordinated to any ground leases, master leases, and to any mortgage or mortgages, whether now existing or subsequently placed on said property. Further, this subordination provision is self-operative, and no further instrument of subordination need be executed by Lessee, but Lessee covenants and agrees to execute any instrument or instruments permitting a mortgage or mortgages to be placed on the Premises or any part thereof as security for any indebtedness, and subordinating this Lease to said mortgage or mortgages, if required so to do by Lessor or the lending agency.

ARTICLE XXIII

The Lessee agrees, at any time and from time to time upon not less than five (5) business days prior written request by the Lessors, to execute, acknowledge and deliver to the Lessor a statement in writing certifying that this Lease is unmodified and in full force and effect (or if there have been modifications), and the dates to which the basic rent and other charges have been paid in advance, if any, it being intended that any such statement delivered pursuant to this Article XXIII may be relied upon by any prospective purchaser of the fee or mortgagee or assignee of any mortgage upon the fee of the Premises.

ARTICLE XXIV

26.1 Entire Understanding. This Lease and its Exhibits contains the entire understanding and agreement of the parties hereto, and no other understanding, undertaking, agreement, representation or warranty shall alter or modify this Lease or the terms hereof unless the same is in writing and duly executed by the parties hereto.

ARTICLE XXVII

27.1 Waiver. The waiver by Lessor of any breach of any term, covenant or condition herein contained shall not be deemed to be a waiver of any subsequent breach of the same or of any other term, covenant or condition hereof.

27.2 Accord and Satisfaction. No payment by Lessee or receipt by Lessor of a lesser amount than the monthly rent herein stipulated shall be deemed to be other than on account of the earliest stipulated rent, nor shall any endorsement or statement on any check or any letter accompanying any check or payment as rent be deemed an accord and satisfaction; and Lessors may accept such check or payment without prejudice to Lessor's right to recover the balance of such rent or pursue any other remedy in this Lease provided.

27.3 Amendment. No subsequent alteration, amendment, change or addition to this Lease shall be binding upon Lessor or Lessee unless reduced to writing and signed by them.

Anti-Harassment and No Retaliation

New Life Day Center's policy is to provide a safe and productive work environment that is free from unwelcome conduct such as harassment. Therefore, New Life Day Center will not tolerate harassment based on race, color, national origin, religion, gender (including pregnancy, childbirth and related medication conditions), sex, sexual orientation, age (40 and over), disability, health status and genetic information, and other characteristics protected under state, federal, or local law.

Such conduct is prohibited in any form in the workplace, at work-related functions, or outside of work if it affects the workplace or the organization at large. This policy applies to New Life Day Center employees at all levels of the organization, clients, customers, guests, vendors, and persons doing business with New Life Day Center

Harassment is a verbal action, nonverbal action, physical action, or any other conduct that relates to an individual's age, race, color, religion, gender, national origin, health status, genetic information or disability, and that is offensive. Sexual harassment, in particular, may include, but not be limited to, unwelcome explicit or insinuated sexual advances or flirtations, requests or propositions for sexual favors, leers, unsolicited and non-accidental touches or caresses, references to sexual preference or stereotype, the display in the workplace of sexually suggestive objects or pictures, or other sexual, verbal or physical conduct of an offensive nature. It is unlawful to harass a person (applicant or employee) because of that person's sex.

While this policy cannot list all possible examples of prohibited conduct, some examples are listed below:

- Racial or ethnic slurs, epithets, and any other offensive remarks
- Unwelcome or sexually suggestive touching
- Violating someone's "personal space"
- Whistling or making lewd, off-color, sexually-oriented or racial comments or jokes
- Foul or obscene language
- Leering, staring, stalking, threatening, or other menacing behavior
- Displaying suggestive or sexually explicit materials
- Offensive, threatening or harassing e-mail, voicemail, or text messages
- Sexually-oriented or explicit remarks, including written or oral references to sexual conduct
- Gossip regarding one's sex life, body, sexual activities, deficiencies, or prowess
- Repeated requests for dates
- Sexual favors in return for employment rewards, or threats if sexual favors are not provided
- Sexual assault or rape
- Abusive or malicious conduct that someone might find hostile, offensive, and unrelated to the organization's legitimate business interests
- Any other conduct or behavior deemed inappropriate by the organization

It is important to note that inappropriate or unprofessional remarks or conduct may still be reason for intervention and/or discipline, even if they do not rise to the level of harassment.

If you feel that you are being subjected to workplace harassment, you should:

1. Tell the harasser that his or her actions are not welcome, and they must stop, if you feel comfortable to do so.
2. Report the incident immediately to your supervisor/manager, the Chair of the New Life Day Center Board, or any member of the New Life Day Center Board you feel comfortable going to.
3. Report any additional incidents or retaliation that may occur to the same/ above sources.

Reports can be verbal or in writing, and employees are encouraged to report conduct they believe may be prohibited harassment (or that, if left unchecked, may rise to the level of prohibited harassment), even if they are not sure that the conduct violates the policy. Employees who witness harassing or inappropriate conduct towards another employee should also report such conduct to the organization's leadership.

All complaints will be investigated quickly and appropriately by the Board and/or a third party. Complaints and information learned during investigations will be kept confidential to the extent permitted by law and, in New Life Day Center's discretion, consistent with a thorough and impartial investigation. Employees are encouraged to respond to questions or to otherwise participate in investigations regarding alleged harassment. Appropriate actions will be taken by New Life Day Center to stop and remedy any and all harassment, including interim measures during a period of investigation.

Retaliation against an employee who reports a suspected incident of harassment or who cooperates in an investigation is prohibited. An employee who violates this policy or retaliates against an employee in any way will be subject to disciplinary action up to and including termination.
