

MAYOR LINDA GORTON

LEXINGTON

CHARLES H. MARTIN, P.E.
DIRECTOR
WATER QUALITY

TO: Mayor Linda Gorton
Urban County Council

FROM: 
Charles H. Martin, P.E., Director
Division of Water Quality

DATE: July 31, 2020

SUBJECT: Memorandum of Agreement with University of Kentucky – Sanitary Sewer Upgrade

Request

The Division of Water Quality (DWQ) requests approval of a Memorandum of Agreement with the University of Kentucky (UK) for replacement of the existing sanitary sewer infrastructure adjacent to the S. Limestone Parking Facility.

Purpose of Request

Prior to the expansion of UK's parking structure, DWQ wanted the existing sewer line under the proposed expanded structure protected and upgraded. It was determined that the vitrified clay pipe should be upgraded to ductile cast iron prior to expanding the garage. Relocating the pipe to a different location had a negative impact on UK's garage construction schedule and DWQ's design for proposed upstream sewers. Ultimately, it was decided that an in-place upgrade was in the best interest of both parties and that a cost share agreement should be developed.

This agreement allows DWQ to reimburse UK's contractor for the upgrade of the pipeline, for a not to exceed amount of \$110,828.50, which represents 50% of the total project cost.

Project Cost in FY21 Budget and Future Budget Years

The FY21 budget impact is not to exceed \$110,828.50. There is no budgetary impact in future years.

Are Funds Budgeted

Funds are budgeted in: 4003-303408-3466-92811-UKTRUNKCD_2017-CONSENT_DE
