**1.04 BID SCHEDULE**

- A. The Bidder agrees to perform all the Work described in the Specifications and shown on the Plans for the following proposed lump sum and/or unit prices, if applicable, which shall include the furnishing of all labor, materials, supplies, equipment and/or vehicle usage, services, all items of cost, overhead, taxes (federal, state, local), and profit for the Contractor and any Subcontractor involved, within the time set forth herein. If unit prices are applicable, Bidder must make the extensions and additions showing the total amount of Bid. In all cases of discrepancies or math errors the amount written in for the unit price of an item shall govern.
- B. If a discrepancy between the unit price and the item total exists, the unit price prevails except:  
  
If the unit price is illegible, omitted, or the same as the item total, item total prevails and the unit price is the quotient of the item total and the quantity.
- C. If the unit price and the item total are illegible or are omitted, the Bid may be determined nonresponsive. If a lump sum total price is illegible or is omitted, the Bid may be determined nonresponsive.
- D. For a lump sum based bid, the item total is the bid amount the Owner uses for bid comparison.
- E. For a unit price based bid, the sum of the item totals is the bid amount the Owner uses for bid comparison.
- F. The Bidder must indicate the base bid pipe material by circling the selected pipe material at the time of the submission of the Bid.
- G. The Bidder must indicate the tunnel method by circling the selected tunneling method on the Bid Schedule at the time of the submission of the Bid.
- H. The Owner's decision on the bid amount is final.

## 1.09 EQUAL OPPORTUNITY AGREEMENT

### The Law

- \* Title VII of the Civil Rights Act of 1964 (amended 1972) states that it is unlawful for an employer to discriminate in employment because of race, color, religion, sex, age (40-70 years) or national origin.
- \* Executive Order No. 11246 on Nondiscrimination under Federal contract prohibits employment discrimination by contractor and subcontractor doing business with the Federal Government or recipients of Federal funds. This order was later amended by Executive Order No. 11375 to prohibit discrimination on the basis of sex.
- \* Section 503 of the Rehabilitation Act of 1973 States:
  - The Contractor will not discriminate against any employee or applicant for employment because of physical or mental handicap.*
- \* Section 2012 of the Vietnam Era Veterans Readjustment Act of 1973 requires Affirmative Action on behalf of disabled veterans and veterans of the Vietnam Era by contractors having Federal Contracts.
- \* Section 206 (A) of Executive Order 12086, Consolidation of Contract Compliance Functions for Equal Employment Opportunity, states:

*The Secretary of Labor may investigate the employment practices of any Government contractor or sub-contractor to determine whether or not the contractual provisions specified in Section 202 of this order have been violated.*

The Lexington-Fayette Urban County Government practices Equal Opportunity in recruiting, hiring and promoting. It is the Government's intent to affirmatively provide employment opportunities for those individuals who have previously not been allowed to enter into the mainstream of society. Because of its importance to the local Government, this policy carries the full endorsement of the Mayor, Commissioners, Directors, and all supervisory personnel. In following this commitment to Equal Employment Opportunity and because the Government is the benefactor of the Federal funds, it is both against the Urban County Government policy and illegal for the Government to let contracts to companies which knowingly or unknowingly practice discrimination in their employment practices. Violation of the above mentioned ordinances may cause an Agreement to be canceled and the contractor may be declared ineligible for future consideration.

Name of Business

The Entity (regardless of whether construction Contractor, non-construction Contractor or supplier) agrees to provide equal opportunity in employment for all qualified persons, to prohibit discrimination in employment because of race, color, creed, national origin, sex or age, and to promote equal employment through a positive, continuing program from itself and each of its sub-contracting agents. This program of equal employment opportunity shall apply to every aspect of its employment policies and practices.

The Kentucky Equal Employment Opportunity Act of 1978 (KRS 45.560-45.640) requires that any county, city, town, school district, water district, hospital district, or other political subdivision of the state shall include in directly or indirectly publicly funded contracts for supplies, materials, services, or equipment hereinafter entered into the following provisions:

During the performance of this contract, the contractor agrees as follows:

- (1) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, age or national origin;*
- (2) The contractor will state in all solicitations or advertisements for employees placed by or on behalf of the contractors that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, age or national origin;*
- (3) The contractor will post notices in conspicuous places, available to employees and applicants for employment, setting forth the provisions of the non-discrimination clauses required by this section; and*
- (4) The contractor will send a notice to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding advising the labor union or workers' representative of the contractor's commitments under the nondiscrimination clauses.*

The Act further provides:

KRS 45.610. Hiring minorities - Information required

- (1) For the length of the contract, each contractor shall hire minorities from other sources within the drawing area, should the union with which he has collective bargaining agreements be unwilling to supply sufficient minorities to satisfy the agreed upon goals and timetable.*
- (2) Each contractor shall, for the length of the contract, furnish such information as required by KRS 45.560 to KRS 45.640 and by such rules, regulations and orders issued pursuant thereto and will permit access to all books and records pertaining to his employment practices and work sites by the contracting agency and the department for purposes of investigation to ascertain compliance with KRS 45.560 to 45.640 and such rules, regulations and orders issued pursuant thereto.*

KRS 45.620. Action against contractor - Hiring of minority contractor or subcontractor

- (1) If any contractor is found by the department to have engaged in an unlawful practice under this chapter during the course of performing under a contract or subcontract covered under KRS 45.560 to 45.640, the department shall so certify to the contracting*

*agency and such certification shall be binding upon the contracting agency unless it is reversed in the course of judicial review.*

- (2) *If the contractor is found to have committed an unlawful practice under KRS 45.560 to 45.640, the contracting agency may cancel or terminate the contract, conditioned upon a program for future compliance approved by the contracting agency and the department. The contracting agency may declare such a contractor ineligible to bid on further contracts with that agency until such time as the contractor complies in full with the requirements of KRS 45.560 to 45.640.*
- (3) *The equal employment provisions of KRS 45.560 to 45.640 may be met in part by a contractor by subcontracting to a minority contractor or subcontractor. For the provisions of KRS 45.560 to 45.640, a minority contractor or subcontractor shall mean a business that is owned and controlled by one or more persons disadvantaged by racial or ethnic circumstances.*

KRS 45.630 Termination of existing employee not required, when

*Any provision of KRS 45.560 to 45.640 notwithstanding, no contractor shall be required to terminate an existing employee upon proof that that employee was employed prior to the date of the contract.*

KRS 45.640 Minimum skills

*Nothing in KRS 45.560 to 45.640 shall require a contractor to hire anyone who fails to demonstrate the minimum skills required to perform a particular job.*

In the case of an Agreement exceeding \$250,000, the Contractor will be required within seven (7) days following the Bid Opening to furnish evidence that its work-force in Kentucky is representative of the available work-force in the area from which it draws employees, or to supply an Affirmative Action plan which will achieve such representation during the life of the Contract.

A. SHEET NO. C-06—PROPERTY OWNER INFORMATION AND MOU CONDITIONS

ADD the following text to the Sheet:

“125 VENICE PARK

1. Existing Brush - The contractor shall remove the existing brush down to ground level along the existing fence line bordering the creek as well as the area of the lot line that will be disturbed during construction. The contractor shall **not** remove the trees/shrubs that the owners have marked.
2. The owner(s) agree to permit temporary access use of the 125 Venice Park driveway for the purpose of the tree removal of the overhanging tree along the common lot line adjoining 127 Venice Park.

391 SOUTHLAND DRIVE

1. Contractor shall mill and pave all areas disturbed by sewer construction activities. Pavement shall be restored to equivalent level surface of pre-construction conditions.
2. Pavement restoration shall include one restripe of any parking space disturbed by sewer construction activities.
3. Contractor will warrant the quality of materials and workmanship to be free of any defects for a period of one year from the date of installation of asphalt. Any such area to fall within the warranty parameters will be repaired according to industry standards. Warranty does not include damage caused by gas or oil spills.
4. Contractor will work with the Milward's Funeral Home representative so that "quiet work times" can occur during a scheduled funeral or visitation service. Milward's agrees to try and provide LFUCG/Contractor a 48-hour notice prior to a scheduled service so the contractor can schedule quiet work."

**TO ALL PROSPECTIVE SUBMITTERS:**

Please be advised of the following clarifications to the above referenced Bid:

	<b>Question</b>	<b>Answer</b>
1.	Will ductile iron w/ P401 lining be an allowed pipe material for this project? Also, will 20" ductile iron be allowed since our nominal inside diameter is 20". PVC's nominal inside diameter for 21" is 20.3"?	Ductile iron is permitted as long as it meets the requirements of the Specifications. For <u>this Project</u> , 20-inch DI will be permitted in lieu of 21-inch pipe.
2.	Bid items 16,17, and 18 specify 212 LF, 754 LF, and 1207 LF respectively of 21" PS46 Sewer Pipe for a total of 2,173 LF of 21" PS46 Sewer Pipe. Can 21" PS46 Direct Bury Vylon Pipe be approved as an equal for Bid items 16-18? Bid item 19 specifies 368 LF of 21" PS115 Sewer Pipe. Can 21" PS115 Vylon Direct Bury Pipe be approved as an equal for Bid item 19?	The approved types of pipe material are listed in the Specifications. Pipe must meet the Project Specifications to be used on the Project.

Please be advised of the following clarifications to the above referenced Bid:

	<b>Question</b>	<b>Answer</b>
1.	We kindly request to add Superlit as an approved manufacturer for FRP pipes.	Acceptable pipe materials for gravity sewage collection lines are identified in Section 02532 - Sewage Collection Lines. Other pipe materials <u>may</u> be approved by LFUCG after a detailed review of pipe properties available for the manufacturer but is not assured. A detailed review and determination of pipe materials not named in the Specifications will not be performed prior to the deadline for submission of bids for this project. Bidders who assume a pipe material not named in the Specifications do so at their own risk.
2.	Vylon PVC Gravity Sewer pipe (ASTM 1803), which is a closed profile wall pipe, meets all the same standards as ASTM 679 which is solid wall PVC pipe. May Vylon be used as an equal on line items 16,17,18 and 19?	Acceptable pipe materials for gravity sewage collection lines are identified in Section 02532 - Sewage Collection Lines. Other pipe materials <u>may</u> be approved by LFUCG after a detailed review of pipe properties available for the manufacturer but is not assured. A detailed review and determination of pipe materials not named in the Specifications will not be performed prior to the deadline for submission of bids for this project. 	Question	Answer
3.	Does the 11 SY sidewalk replacement include all sidewalk replacement for the laterals or do we need to include sidewalk replacement in each lateral price?	Sidewalk replacement for lateral installation is incidental to the lateral bid item. The "11 SY" is for disturbance of the sidewalk at Rosemont Garden where the pipe trench intersects the sidewalk and at the end of Elam Park where the pipe trench and sidewalk intersect.
4.	Does curb and gutter unit price include curb replacement for the laterals or do we include that in the lateral pricing?	Curb replacement for lateral installation is incidental to the lateral bid item.
5.	Looks like there will be some fence replacement. Will this be a separate unit or include it in our pipe unit?	Unless otherwise noted (MOU Conditions, plans, specifications, etc.), fence replacement, in kind, is incidental to the Project.
6.	Do we include the concrete cap for our trenches in our pipe price or asphalt trench price?	See Specification 01025 - Measurement and Payment, Paragraph 2.24
7.	Does the asphalt trench unit include the asphalt for the lateral line trenches?	Yes, pavement restoration from Section 01025 - Measurement and Payment, Paragraph 2.08 will be deleted. All trench restoration, in pavement, shall be covered under Section 01025, Paragraph 2.24, "Asphalt Paving: Trench Construction, Street/Parking Lot/Driveway."
8.	MH-G21 is on the RR property. Will there be any special requirements for the spoils excavated from RR property? In the past, sometimes the contractor is not allowed to haul this material off of the property and if so, it had to be tested.	There are no special requirements for spoils excavated from RR property.
9.	Will seed and straw and other units already established be used for MOU conditions, or do we figure seed and straw, etc., in the MOU conditions unit also?	If the seed and straw, for example, is used to complete an MOU condition, i.e. tree removal restoration, then it is incidental to the MOU conditions. If the seed and straw is installed for trench restoration, then it would be considered payable under Bid Item 44.

	Question	Answer
10.	Will Contractor be required to pay for flaggers when working on the section near the railroad?	Flaggers are not expected to be required when working on the section near the railroad. However, if flaggers are required, Contractor will not be responsible for the cost.

## MINORITY BUSINESS ENTERPRISE PROGRAM

Sherita Miller, MPA, CPSD  
Minority Business Enterprise Liaison  
Division of Procurement  
Lexington-Fayette Urban County Government  
200 East Main Street  
Lexington, KY 40507  
[smiller@lexingtonky.gov](mailto:smiller@lexingtonky.gov)  
859-258-3323

**OUR MISSION:** The mission of the Minority Business Enterprise Program (MBEP) is to facilitate the full participation of minority and women owned businesses in the procurement process and to promote economic inclusion as a business imperative essential to the long- term economic viability of Lexington-Fayette Urban County Government.

To that end the urban county council adopted and implemented Resolution 272-2024 – a Certified Minority and Women Business Enterprise seventeen percent (17%) minimum goal including minimum subgoals of five percent (5%) for Minority Business Enterprises (MBE) and a subgoal of twelve percent (12%) for Women Business Enterprises (WBE); a three (3%) minimum goal for Certified Veteran-Owned Small Businesses and/or Certified Service- Disabled Veteran Owned Businesses; and a goal of utilizing Disadvantaged Business Enterprises (DBE), where applicable, for government contracts.

The resolution states the following definitions shall be used for the purposes of reaching these goals:

***Certified Disadvantaged Business Enterprise (DBE)*** – a business in which at least fifty-one percent (51%) is owned, managed and controlled by a person(s) who is socially and economically disadvantaged as define by 49 CFR subpart 26.

***Certified Minority Business Enterprise (MBE)*** – a business in which at least fifty-one percent (51%) is owned, managed and controlled by an ethnic minority (i.e. Black American, Asian American, Hispanic American, Native American)

***Certified Women Business Enterprise (WBE)*** – a business in which at least fifty-one percent (51%) is owned, managed and controlled by a woman.

***Certified Veteran-Owned Small Business (VOSB)*** – a business in which at least fifty-one percent (51%) is owned, managed and controlled by a veteran who served on active duty with the U.S. Army, Air Force, Navy, Marines or Coast Guard.

***Certified Service -Disabled Veteran Owned Small Business (SDVOSB)*** – a business in which at least fifty-one percent (51%) is owned, managed and controlled by a disabled veteran who served on active duty with the U.S. Army, Air Force, Navy, Marines or Coast Guard.

The term “Certified” shall mean the business is appropriately certified, licensed, verified, or validated by an organization or entity recognized by the Division of Procurement as having the appropriate credentials to make a determination as to the status of the business.

The following certifications are recognized and accepted by the MBEP:

Kentucky Transportation Cabinet (KYTC), Disadvantaged Business Enterprise (DBE)  
Kentucky Minority and Women Business Enterprise (MWBE)  
Women's Business Enterprise National Council (WBENC)  
National Women Business Owners Corporation (NWBOC)  
National Minority Supplier Development Council (NMSDC)  
Tri-State Minority Supplier Development Council (TSMSSDC)  
U.S. Small Business Administration Veteran Small Business Certification (VetCert)  
Kentucky Service- Disabled Veteran Owned Small Business (SDVOSB)

To comply with Resolution 272-2024, prime contractors, minority and women business enterprises, veteran owned small businesses, and service-disabled veteran owned small businesses must complete monthly contract compliance audits in the Diverse Business Management Compliance system, <https://lexingtonky.diversitycompliance.com/>

A list of organizations that certify and/or maintain lists of certified businesses (i.e. DBE, MBE, WBE, VOSB and/or SDVOSB) is available upon request by emailing, Sherita Miller, [smiller@lexingtonky.gov](mailto:smiller@lexingtonky.gov).
