

**AGREEMENT BETWEEN
KENTUCKY TRANSPORTATION CABINET
AND
LEXINGTON-FAYETTE URBAN COUNTY GOVERNMENT
ITS/CMS TRAFFIC IMPROVEMENTS PROJECT
\$519,200 SLX FUNDS**

This AGREEMENT is made and entered into, by and between the Commonwealth of Kentucky, Transportation Cabinet, hereinafter referred to as the CABINET, and the Lexington-Fayette Urban County Government, hereinafter referred to as the LFUCG.

WITNESSETH

WHEREAS, the Federal Highway Administration (FHWA) through Section 133 of Title 23, United States Code, established a surface transportation program to authorize Federal funds to be appropriated for projects specified in Title 23, United States Code, Section 133 (b), and the FHWA, through the CABINET, has approved \$519,200 in federal funding for the ITS/ CMS Traffic Improvements Project hereinafter the "PROJECT", known as Federal Project Number 3003-383 and the applicable Assistance Number is 20.287 – Surface Transportation Block Grant Program; and

WHEREAS, an allocation of these funds shall be made available by the CABINET to urbanized areas over 200,000 population and the PROJECT is part of the approved Transportation Improvement Program for the Lexington Urbanized Area, ; and

WHEREAS, the LFUCG has submitted a Scope of Work and Budget Summary for Intelligent Transportation System (ITS) and Congestion Management System (CMS) Traffic Improvements, hereinafter referred to as the PROJECT, for approval requesting Federal Surface Transportation Block Grant Program Metropolitan Lexington (STBG-SLX) funds in the amount of \$519,200, and local funds in the amount of \$129,800 (20% local share) for a total contract cost of \$649,000 for the period not to begin before July 1 2026 through June 30, 2028; and

WHEREAS, the CABINET is willing to provide these Federal funds to the LFUCG subject to annual Federal obligation limitations, the amount of which shall be 80% of the eligible costs associated with the PROJECT; and

WHEREAS, the LFUCG has agreed to provide Non-Federal funds to match the Federal-aid funds for the PROJECT, as more particularly set forth hereinafter; and

WHEREAS, the Federal-aid Highway Program is a State Administered Reimbursement Program and the LFUCG shall carry out this PROJECT in accordance with applicable Federal and State laws and regulations including all of Title 49 United States Code (USC), Title 23 United States Code (USC), 49 Code of Federal Regulations (CFR), 23 Code of Federal Regulations (CFR), and 2 CFR 200,

**LEXINGTON FAYETTE URBAN COUNTY GOVERNMENT
ITS-CMS TRAFFIC IMPROVMENTS
\$519,200 – SLX FEDERAL FUNDS**

WHEREAS, the LFUCG shall complete the work as described in the Scope of Work and Budget Summary (Attachment A) in accordance with the terms and conditions of this AGREEMENT, FHWA Form 1273, and the Project Development Checklist & Certification,

WHEREAS, the LFUCG shall refer to the Federal-Aid Project Development Guide for Local Public Agencies and any future revisions, the FHWA Contract Administration Manual, the CABINET/FHWA Stewardship Agreement, and all applicable State and Federal laws and regulations for assistance in complying with this AGREEMENT,

WHEREAS, all Federal-aid projects must also specifically comply with the National Environmental Policy Act (NEPA), Section 4(f) of 49 United States Code (USC) 303, Section 106 of the National Historic Preservation Act, Sections 401 and 404 of the Clean Water Act, the Endangered Species Act, and any other applicable environmental laws and regulations,

WHEREAS, all Federal-aid projects must also specifically comply with the Federal Funding Accountability and Transparency Act, Title VI of the Civil Rights Act of 1964, the Americans with Disabilities Act of 1990 (ADA),

WHEREAS, the requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act (Uniform Act), and the Federal Buy America construction contracts requirements, as spelled out in 23 CFR 635 Subpart D, apply to all Federal and Federal-aid transportation programs,

WHEREAS, the LFUCG must comply with Federal guidelines listed in 23 CFR 635 for procurement services, and KRS 177, KRS 179, and KRS 45A, the Kentucky Model Procurement Code (MPC), as it relates to State agencies,

WHEREAS, Federal-aid projects are to serve a public purpose, the LFUCG is responsible for perpetual maintenance any real property or facilities improved pursuant to the PROJECT on a non-profit basis,

WHEREAS, the LFUCG shall demonstrate and shall maintain adequate staff, provide delivery systems, and sufficient accounting control to complete the PROJECT in accordance with all Federal and State laws and regulations addressed herein, and

WHEREAS, the LFUCG shall accept responsibility for all administration, staffing, reporting, monitoring, maintenance and operation costs for the PROJECT as identified under this AGREEMENT.

NOW THEREFORE, in consideration of the mutual covenants and agreements herein set forth, the CABINET and the LFUCG hereby agree as follows:

Section 1. Scope of Work & Budget Summary. It is understood that the PROJECT will enhance the transportation system for the community as further described by the LFUCG in the Scope of Work and Budget Summary (Attachment A, attached hereto and made a part of this AGREEMENT). The FHWA through the CABINET agrees to reimburse the LFUCG up to \$519,200 for completion of work by the LFUCG, or consultants,

**LEXINGTON FAYETTE URBAN COUNTY GOVERNMENT
ITS-CMS TRAFFIC IMPROVMENTS
\$519,200 – SLX FEDERAL FUNDS**

contractors, or subcontractors hired by the LFUCG, under the obligations of this AGREEMENT for the following PROJECT:

The LFUCG shall identify and provide a point of contact, including adequate contact information, for who shall be in responsible charge to manage this PROJECT on the LFUCG's behalf, and be responsible for ensuring that the LFUCG adheres to all terms and conditions of this AGREEMENT. The LFUCG has agreed to execute the PROJECT. The CABINET/FHWA Project Development Checklist and Certification shall be submitted by the LFUCG and certified by the CABINET prior to construction, if applicable.

Section 2. Effective Date of Agreement and Term of Eligible Reimbursement. The effective date of this AGREEMENT is the date of signature by the Secretary of the CABINET. After execution of the AGREEMENT, the CABINET will return an original AGREEMENT to the LFUCG. Expenditures made prior to the effective date of the AGREEMENT and before the Notice To Proceed shall not be eligible for reimbursement. The Term of Eligible Reimbursement under this AGREEMENT shall end June 30, 2028, unless that Term is extended or amended by written agreement in accordance with the provisions of 23 CFR 635 and KRS 45A and with the mutual consent of the parties. Any and all funding obligated for any Phase of this PROJECT defined by the original Scope of Work and authorized changes shall be available to reimburse the LFUCG for eligible work activities completed and costs incurred after the effective date of this AGREEMENT and the Notice To Proceed, and prior to expiration of this AGREEMENT. After the end of the Term, no expenditures are eligible for reimbursement and the LFUCG shall be responsible for any unreimbursed expenses and any further expenses incurred to complete the PROJECT. This AGREEMENT is contingent upon the continued availability of appropriated Federal funding. If the funding appropriated for the PROJECT becomes unavailable for any reason including the Kentucky General Assembly's failure to appropriate the funding, by operation of law or as the result of a reduction in Federal funding, further reimbursement of PROJECT expenditures may be denied, the PROJECT may be cancelled, the timeline extended or the scope amended by the CABINET either in whole or in part without penalty. Denial of further reimbursement, PROJECT cancellation, extension or amendment because of an interruption in the appropriated funding is not a default or breach of this AGREEMENT by the CABINET nor may such denial, cancellation, extension or amendment give rise to any claim against the CABINET.

Section 3. Duration of Project. It is agreed by the parties hereto that the Scope of Work shall be completed between July 1, 2026 and June 30, 2028 and all project close-out completed within the period set forth herein under Section 2. In the event the LFUCG fails to complete the Scope of Work within the time allotted, or at any time the LFUCG fails to maintain adequate staff, project delivery systems, or sufficient accounting control, the CABINET reserves the right to cancel further reimbursements related to the PROJECT under this AGREEMENT. In the event the CABINET denies further reimbursement due to LFUCG's failures as

LEXINGTON FAYETTE URBAN COUNTY GOVERNMENT
ITS-CMS TRAFFIC IMPROVMENTS
\$519,200 – SLX FEDERAL FUNDS

noted above, the LFUCG shall refund all reimbursements made by the CABINET to the LFUCG under this AGREEMENT.

Section 4. Project Funding. It is expressly understood that federal funding for this PROJECT is being provided by the FHWA through the CABINET, specifically through the Assistance Listing Number is 20.287 – Surface Transportation Block Grant Program. Following prioritization and programming in the Lexington Metropolitan Planning Organization's (MPO's) Transportation Improvement Program (TIP), the CABINET has obligated up to \$519,200 in Federal Surface Transportation Block Grant Program Metropolitan Lexington (SLX) funding for this PROJECT.

The federal share of the total cost of this AGREEMENT shall not exceed \$519,200 in SLX funding unless otherwise approved in writing by the CABINET with the concurrence of FHWA. Reimbursement requests will be considered only for and up to the funding amount and type of work described in the approved Scope of Work and Budget and authorized by the Notice to Proceed. The LFUCG has agreed to accept up to \$519,200 in Federal reimbursement funding available as authorized for eligible PROJECT costs and shall be responsible for any costs in excess of \$519,200 that are necessary for completion of the approved Scope of Work and any authorized changes to the PROJECT. The 20% matching local share of \$129,800 shall be the responsibility of the LFUCG. The LFUCG agrees to provide local matching funds in the amount sufficient, together with the allocated Federal funds, to assure completion of the PROJECT.

The LFUCG shall pay all PROJECT expenses and only upon meeting all terms and conditions of this AGREEMENT will be eligible to receive Federal reimbursement funding. The Federal share of costs is payable quarterly by the CABINET upon presentation and approval of an invoice and two (2) copies of adequate documentation. All charges to the PROJECT shall be supported by properly executed invoices, contracts, vouchers, or monthly employment data evidencing in proper detail the nature and propriety of the charge. The CABINET or FHWA may require additional documentation at their discretion.

It is understood that the value and character of any "in-kind" services contributed toward the local match must be approved by the CABINET and FHWA prior to being credited to the PROJECT. All "in-kind" services must meet CABINET and FHWA eligibility and applicability requirements.

It is further understood that revisions in the PROJECT Budget may be necessary and may be allowed if they do not exceed the total sum set out above, subject to the prior written approval of the CABINET. In order for the LFUCG to be reimbursed for costs that are not listed in the PROJECT Budget, the LFUCG must obtain written approval from the CABINET prior to incurring these costs.

Regardless of whether the contract time is extended, unexpended funds at the end of the PROJECT shall not be carried forward to a future AGREEMENT.

Section 5. Allowable Costs. Funding may be used for restoration, repair, construction and other activities

LEXINGTON FAYETTE URBAN COUNTY GOVERNMENT
ITS-CMS TRAFFIC IMPROVMENTS
\$519,200 – SLX FEDERAL FUNDS

eligible under the Surface Transportation Block Grant Program (STBG) as defined within 23 USC 133(b). Funding may also be used for passenger and freight rail transportation and port infrastructure projects eligible for assistance under subsection 23 USC 601(a)(8). The PROJECT costs referred to in this AGREEMENT shall be those costs included in the Scope of Work (Attachment A) and submitted to the CABINET on the Reimbursement Request Form. The LFUCG shall follow 2. CFR 200.

The LFUCG is responsible for adhering to all Federal and State laws and regulations listed in this AGREEMENT and all documents referred to herein. Reimbursement by the CABINET shall not be provided to the LFUCG if any requirements listed within 23 CFR 123 are not met. The CABINET shall reimburse the LFUCG upon request by the LFUCG providing proof of payment through appropriate documentation, which includes but is not limited to the following: work progress completed to date, expenses, cancelled checks, bank statements, verified affidavits, and employment reports. The LFUCG shall also certify the work shown on the invoice has been performed in accordance with the terms of this AGREEMENT and approved plans and specifications, the cost(s) shown are verified and are true and correct, and the request for reimbursement in no way represents any degree of duplication of payments that have or will be received from other funding sources. This formal letter must be signed by the designated project manager for the LFUCG in responsible charge.

Reimbursement by the CABINET is also subject to the provisions of Sections 33 and 36 hereof. The CABINET or FHWA reserves the right to require additional documentation

Section 6. Reporting and Monitoring. This Federal-aid project is subject to the reporting requirements contained in the Federal Funding Accountability and Transparency Act (Transparency Act) of 2006 and its associated amendments. The Transparency Act requires entities receiving Federal awards such as Federal contracts, sub-contracts, grants and sub-grants, to disclose certain information. This Agreement is subject to 31 USC 6101, 2 CFR 170, and 2 CFR Subtitle A, Chapter I and Part 25.

The LFUCG shall maintain and comply with all reporting requirements outlined by the CABINET and FHWA, including the submittal of progress reports detailing the status of the PROJECT. The LFUCG shall provide invoices for expenses that match the approved Scope of Work and Budget Summary submitted to the CABINET. The making, recording and reporting of any purchases shall be undertaken in accordance with the requirements of KRS 45A. All checks, invoices, contract records, vouchers, orders, and purchasing documents pertaining in whole or in part to the PROJECT shall be clearly identified and readily accessible. The LFUCG shall permit the CABINET and/or FHWA to conduct periodic site visits to ascertain compliance with federal and state laws and regulations. The LFUCG shall maintain financial records for three years after project completion, Final Acceptance and final reimbursement.

Section 7. Environmental Requirements. The CABINET has reviewed the Scope of Work and the Division of Environmental Analysis has issued a Categorical Exclusion for Minor Projects (CEMP) for the following PROJECT

description: Upgrade and enhancement of hardware, software, training and development to improve traffic flow and reduce congestion.

Section 8. Permits and Licenses. The LFUCG is responsible for obtaining all permits and licenses required to initiate, perform and complete all phases of the PROJECT in an appropriate and timely manner. Concurrence must be obtained by the LFUCG through the CABINET's District 7 Chief District Engineer in Lexington prior to the awarding of any contract for work or materials to be used on this PROJECT. Per the CABINET/FHWA Stewardship Agreement, the PROJECT may require more involvement from the FHWA.

Section 9. Design and Construction Standards. All Federal and State design and construction criteria for the type of work shall be followed, including but not limited to 23 CFR 625, the CABINET's Highway Design Manual, the CABINET's Standard Drawings, the CABINET's Standard Specifications for Road and Bridge Construction, the CABINET's Drainage Manual, the CABINET's Structural Design Manual, the American Association of State Highway Transportation Officials' (AASHTO) "Policy on Geometric Design of Highways and Streets", and the FHWA Manual on Uniform Traffic Control Devices (MUTCD). All work performed shall be in accordance with the CABINET's Standard Specifications for Road and Bridge Construction, current edition, and as provided in Subsection 105.01 of said Specifications. All materials furnished shall be in accordance with Subsection 106 of said Specifications, including the CABINET's List of Approved Materials. These standards, specifications, and criteria are incorporated in this AGREEMENT by this reference.

Section 10. Engineering Services. The LFUCG shall be responsible for all PROJECT design activities, including to fully develop the PROJECT as defined within the body of this AGREEMENT, resulting in the preparation of all plans, specifications, notes, and a final estimate for concurrence by the CABINET, as applicable.

Section 11. Contractor Procurement. The LFUCG shall be responsible for all PROJECT construction activities as defined within the body of this AGREEMENT, which may be completed either by the LFUCG's staff or by a contractor. If the LFUCG intends to use contractor services, the LFUCG shall act in accordance with the Federal contract provisions listed in FHWA Form 1273 which take precedence over the Kentucky Model Procurement Code provisions KRS 45A.343 and KRS 45A.345-460, as well as KRS 424, 23 CFR 635, 23 USC 112. Contractors and subcontractors must be pre-qualified by the CABINET for the type of work prior to be awarded a contract. If no CABINET prequalification category exists, a contractor or subcontractor must receive the approval of the CABINET prior to working on the PROJECT. The contractor affirms that it is properly authorized under the laws of the Commonwealth of Kentucky to conduct business in this state and will remain in good standing to do business in the Commonwealth of Kentucky for the duration of any contract awarded. The contractor shall maintain certification of authority to conduct business in the Commonwealth of Kentucky during the term of this contract. Such registration is obtained from the Secretary of State, who will also provide the certification thereof.

If applicable, the LFUCG shall prepare an independent engineer's estimate in accordance with 23 CFR 630, Subpart B to compare against the contractors' bids for reasonableness. The LFUCG shall thoroughly review all bids and obtain concurrence from the CABINET prior to the award or the rejection of any contract of bids for work or materials to be used on this PROJECT. Factors that should be considered in reviewing submitted bids are: a comparison of the bids against the engineer's estimate, the number of bids submitted, the distribution or range of bids received, the geographic location of bidders, any potential savings from readvertising the PROJECT, a comparison of bids against other recent bids for the same item or service, the urgency of the PROJECT, the number of times previously advertised or contracted for, the current market conditions, a comparison of unit bids versus engineer's estimate unit bids, the funding available. Determining whether the bids received are adequate involves considering any critical safety improvements, emergency repair or replacement of damaged facilities, the opening of otherwise completed facilities to traffic, furthering a phased construction schedule, or any other factors deemed important by the CABINET or FHWA. Specific Federal requirements defined within 23 CFR 635 require that the award be made to the lowest responsive bidder meeting the criteria of responsibility established by the CABINET.

Section 12. Contract Administration and Inspection. The LFUCG shall be responsible for all aspects of administration, measuring, testing, and inspections to ensure the materials and construction work meets CABINET specifications and federal quality assurance specifications referenced in 23 CFR 637 and 23 CFR 635.105 (a) or (b). This includes providing daily, on-site inspection of the contractor's and subcontractor's work activities and processing all of the paper work associated with the construction contract, including any change orders. The LFUCG must receive prior written CABINET approval for all change orders, but such approval shall not increase the funding obligated to the LFUCG under this AGREEMENT or otherwise.

The LFUCG shall use the CABINET's current Regional Highway and Bridge Construction Inspection advertisement for construction inspectors, or must receive CABINET approval to submit an Alternative Construction Inspection Plan. If the LFUCG does not have adequate staff to perform this work, the LFUCG may hire a consultant or enter into an agreement with another governmental agency to provide these services. The CABINET must review and approve the Construction Engineering and Inspection agreement and the agreement with the service provider must be submitted to FHWA for concurrence. If the LFUCG elects to hire a consultant, the LFUCG must ensure that the consultant staff is competent in construction inspection and performs all work under the direct supervision of a registered professional engineer or architect licensed in the Commonwealth of Kentucky. The use of a consultant does not relieve the LFUCG of ultimate responsibility for the proper administration and inspection of the construction. If a consultant is used to provide inspection services, the LFUCG must also provide an appropriately certified and licensed LFUCG employee to be in responsible charge of the PROJECT oversee the inspections.

When an Alternative Construction Inspection Plan is submitted, the LFUCG must ensure sufficient quantity and quality are delivered and that proper inspection documentation is maintained. The Alternative Construction Inspection Plan must be performed under the supervision of a Professional Engineer licensed in the state of Kentucky, include credentials and experience of inspectors, indicate testing consistent with the CABINET's Sampling Manual, detail the frequency, who will be responsible, what will be included in reports, and coordinate with the CABINET's construction inspector.

The CABINET and/or the FHWA shall have access to the PROJECT area and may conduct an announced or unannounced field review of the PROJECT at any time. This field review is intended to verify status of the PROJECT, performance of the contractor, adequacy of the LFUCG oversight, conformance with all laws, regulations, and policies applicable to the Federal-aid Highway Program, and provide assistance to the LFUCG where necessary.

Section 13. Davis-Bacon and Related Acts. The 1931 Davis-Bacon Act (prevailing Federal wage) requires the recipients of all Federal-aid construction projects to comply with contractor and subcontractor payment rates and fringe benefits as determined by the Secretary of Labor for corresponding classes of laborers and mechanics engaged in similar construction activities. Specific wage rates shall be included in the construction contract between the LFUCG and the contractor, which must also include a contract provision that overrides the general applicability provisions in Form FHWA-1273, Sections IV and V.

Section 14. The Contract Work Hours and Safety Standards Act. During the construction of the PROJECT, the LFUCG shall comply with the Contract Work Hours and Safety Standards Act which contains weekly (after 40 hours) overtime pay requirements and applies to most Federal contracts which may require or involve the employment of laborers and mechanics, including watchmen and guards. Section 107 of the Act provides health and safety standards on covered construction work which are administered by the Occupational Safety and Health Administration (OSHA). The LFUCG shall refer to the Contract Work Hours and Safety Standards Act for the requirements under this provision.

Section 15. The Copeland "Anti-Kickback" Act. The LFUCG shall comply with the "Anti-Kickback" section of the Copeland Act, which makes it punishable to induce any person working on a Federally funded or assisted construction project to "give up any part of the compensation to which he is entitled under his contract of employment." The LFUCG shall refer to the Copeland Act for the requirements under this provision.

Section 16. Title VI - Civil Rights Act of 1964. The LFUCG shall comply with all requirements imposed by Title VI of the Civil Rights Act of 1964 (78 Stat. 252), and any applicable DOT Regulations (CFR Title 49, Subtitle A, Part 21). Title VI prohibits discrimination on the basis of race, color, national origin, disability, gender, and age in all programs or activities of any recipient of Federal assistance.

Section 17. Equal Employment Opportunity. In connection with the execution of this AGREEMENT, LFUCG shall take affirmative action and not discriminate against any employee or applicant for employment to ensure that applicants are employed, and that employees are fairly treated during their employment, without regard to their race, religion, color, sex, national origin, age, or disability. Such actions shall include, but not be limited to the following: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection of training including apprenticeship. The LFUCG shall incorporate the foregoing requirements of this paragraph in all subcontracts for services covered by this AGREEMENT.

Section 18. Non Discrimination. Discrimination (because of race, religion, color, national origin, sex, sexual orientation, gender identity, age, or disability) is prohibited. This section applies only to contracts utilizing federal funds, in whole or in part. During the performance of this contract, the LFUCG agrees as follows:

a. The LFUCG will not discriminate against any employee, applicant, contractor or consultant for employment because of race, religion, color, national origin, sex, sexual orientation, gender identity, or age. The LFUCG further agrees to comply with the provisions of the Americans with Disabilities Act (ADA), Public Law 101-336, and applicable federal regulations relating thereto prohibiting discrimination against otherwise qualified disabled individuals under any program or activity. The LFUCG agrees to provide, upon request, needed reasonable accommodations. The LFUCG will take affirmative action to ensure that applicants are employed and that employees are treated during employment without regard to their race, religion, color, national origin, sex, sexual orientation, gender identity, age or disability. Such action shall include, but not be limited to the following; employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensations; and selection for training, including apprenticeship. The LFUCG agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this non-discrimination clause.

b. The LFUCG will, in all solicitations or advertisements for work placed by or on behalf of the LFUCG; state that all qualified applicants will receive consideration for employment without regard to race, religion, color, national origin, sex, sexual orientation, gender identity, age or disability.

c. The LFUCG will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice advising the said labor union or workers' representative of the LFUCG 's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment. The LFUCG will take such action with respect to any contract, subcontract or purchase order as the CABINET or FHWA may direct as a means of enforcing such provisions, including sanctions for noncompliance.

Section 19. Disadvantaged Business Enterprise (DBE) Requirements. LFUCG agrees to comply with 49 CFR Part 26 as amended by the October 3, 2025, Interim Final Rule. During the UCP reevaluation period, as outlined in 49 CFR § 26.111, no DBE contract goals shall be set on any project. Any portion of a DBE program plan that relied on prior presumptions of disadvantage, DBE goals, or any aspect of the previous DBE goal is no longer valid. DBE participation may not be counted toward any project or overall goal until the UCP has completed the reevaluation process. All prior DBE goal-setting procedures are suspended until new procedures are approved after UCP reevaluation. Any participating DBE firm must be certified as a DBE firm. Certified DBEs may perform work, but their participation cannot be counted toward goals until reevaluation is complete. Any participating DBE firm must be prequalified with the CABINET. The LFUCG agrees to comply with the DBE Requirements contained within 23 CFR 635 Subpart A, Section 1101(b) of Public Law 109-59 and 49 CFR Part 26 to ensure equal opportunity to socially and economically disadvantaged small businesses, as defined in accordance with the regulations as amended by the Interim Final Rule.

Assurance. The contractor, LFUCG or subcontractor shall not discriminate in the performance of this AGREEMENT. The contractor shall carry out applicable requirements of 49 CFR Part, as amended by the Interim Final Rule effective October 3, 2025, in the award and administration of contracts assisted by the United States Department of Transportation. Failure by the contractor to carry out these requirements is a material breach of this contract, which may result in the termination of this contract or such other allowable remedy the CABINET deems appropriate. Each contract signed with a contractor (and each subcontract the prime contractor signs with a subcontractor) must include this provision.

DBE Prompt Payment Requirement. The contract between the LFUCG and the contractor shall include a contract provision that requires the contractor to comply with 49 CFR 26.29 and pay its subcontractors within ten (10) working days from receipt of each payment LFUCG makes to the contractor. The LFUCG shall prohibit the contractor from withholding retainage on any subcontract on this PROJECT to ensure prompt and full payment from the contractor to the subcontractor within 30 days after the subcontractor's work is satisfactorily completed.

Section 20. Prohibited Interest. No member, officer, or employee of the CABINET or the LFUCG during his tenure or for one (1) year thereafter shall have any financial interest, direct or indirect, in this AGREEMENT or the proceeds thereof as identified in KRS 45A.340. The CABINET and the LFUCG shall comply with the requirements of the Executive Branch Code of Ethics KRS Chapter 11A. No member, officer, or employee of the CABINET or LFUCG shall collude or lobby on behalf of this PROJECT without penalty, including but not limited to suspension or debarment.

The LFUCG further represents that, pursuant to KRS 45A.328, they have not procured an original, subsequent, or similar contract while employing an executive agency lobbyist who was convicted of a crime related to the original, subsequent, or similar contract within five (5) years of the conviction of the lobbyist.

LEXINGTON FAYETTE URBAN COUNTY GOVERNMENT
ITS-CMS TRAFFIC IMPROVMENTS
\$519,200 – SLX FEDERAL FUNDS

Section 21. Covenant Against Contingent Fees. The LFUCG warrants that no person, elected official, selling agency or other organization has been employed or retained to solicit or secure this AGREEMENT upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee. For breach or violation of this warranty, the CABINET shall have the right to annul this AGREEMENT without liability or, in its discretion, to deduct from the compensation, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

Section 22. Interest of Members of or Delegates to Congress. No funding has been or will be paid to a member or delegate to the Congress of the United States in connection with the awarding of this Federal contract. Nor shall any member of or delegate to the Congress of the United States receive any benefit arising out of this Federal contract.

Section 23. Maintenance as Public Facilities. As applicable, the LFUCG agrees to maintain the facilities, to include the installation of electronics, signals, etc., in an acceptable condition and for a public purpose in accordance with a maintenance plan. In addition, any applicable landscaping in any project shall be maintained in an acceptable condition to include mowing, trimming, or other maintenance in accordance with a maintenance plan. In the event that the property is not maintained as a public facility, the LFUCG shall reimburse the CABINET for all proceeds provided for in this PROJECT including any applicable interest, unless such change in use is approved in writing by the CABINET and FHWA, if applicable. The LFUCG shall obtain concurrence from the CABINET's District 7 Chief District Engineer in Lexington of a Maintenance Plan for any facilities to be constructed, prior to the awarding of any contract to construct such facilities.

Section 24. Americans with Disabilities Act. The LFUCG agrees to comply with the provisions of the Americans with Disabilities Act of 1990 (ADA) and Section 504 of the Rehabilitation Act of 1973, P.L. 93-112, and other applicable Federal regulations relating hereto, issued by the U.S. Department of Transportation. ADA prohibits discrimination against otherwise qualified individuals under any program or activity receiving Federal financial assistance covered by this AGREEMENT and imposes requirements that affect the design, construction, and maintenance of all transportation projects, to provide access to all facilities.

Section 25. Applicable Laws. This AGREEMENT shall be in accordance with all federal laws, and the laws of the Commonwealth of Kentucky.

Section 26. Hold Harmless Clause. To the extent permitted by law, the LFUCG shall indemnify and hold harmless the FHWA and the CABINET and all of its officers, agents, and employees from all suits, actions, or claims of any character arising from any injuries, payments or damages received or claimed by any person, persons, or property resulting from implementation of any phase of the PROJECT or occurring on or near any PROJECT site.

Section 27. Contract Completion. The LFUCG is responsible for ensuring that all PROJECT activities have been completed and is responsible for providing all of the necessary paperwork as required by the contract. This involves conducting a pre-audit of all contract items and associated paperwork. If construction is a part of this PROJECT, the additional requirements of this section apply.

When complete, the LFUCG's project engineer in responsible charge of the PROJECT shall notify the CABINET the PROJECT is ready for final inspection. The LFUCG will conduct a field inspection to verify completion of the work in substantial conformance with the AGREEMENT. When both the LFUCG and the CABINET accept the field work as complete, the LFUCG's project manager shall certify the PROJECT was constructed in accordance with the plans and specifications and that all funding authorized on this PROJECT has been used to reimburse for materials, equipment, or labor as intended and at the location agreed herein by both parties. The CABINET's Chief District Engineer in Lexington will complete a Final Acceptance Report.

Within thirty (30) days upon receipt of the CABINET's Final Acceptance Report, the LFUCG will issue the final payment to the contractor and proof of payment to the CABINET with an official Release of Contractor form for signature. Upon receipt of the contractor's agreement to the Release of Contractor paperwork, the LFUCG will transmit the Final Estimate and Release to the CABINET. The CABINET will then submit a Final Voucher request to the FHWA Financial Management Team with copies of the CABINET's Final Acceptance Report and signed Final Release of Contractor. Approval of the Final Voucher will constitute Final Acceptance by the FHWA. In accordance with 2 CFR 200, LFUCG shall maintain all PROJECT records for three (3) years after final payment.

Section 28. Audit and Inspection. The LFUCG, contractor and any subcontractors shall permit the CABINET, the Comptroller General of the United States and the Secretary of the United States Department of Transportation, or their authorized representatives, to inspect and approve all phases of the PROJECT and all relevant PROJECT data and records, including any audit(s) of the LFUCG pertaining to the PROJECT.

The LFUCG hereby acknowledges its duty to the CABINET to determine whether it is subject to the Single Audit Act of 1984, P.L. 98-502, and the Single Audit Act Amendments of 1996, P.L. 104-156. The LFUCG shall follow 2 CFR 200. In Accordance with 2 CFR 200 Subpart F, If the LFUCG has expended more than \$750,000 in Federal funding from all sources in the LFUCG's fiscal year, the LFUCG shall provide the CABINET copies of their 2 CFR 200 Subpart F audit reports within 9 months of their fiscal year end.

The LFUCG hereby acknowledges it is responsible to inform any entity it intends to hire or use as a contractor, as defined in KRS 45A.030(9), that the contracting agency, the Finance and Administration Cabinet, the Auditor of Public Accounts, and the Legislative Research Commission, or their duly authorized representatives, shall have access to any of the contractor's books, documents, papers, records, or other evidence, which are directly pertinent to this AGREEMENT for the purpose of financial audit or program review. Furthermore, any of the contractor's books, documents, papers, records or other evidence provided to the

contracting agency, the Finance and Administration Cabinet, the Auditor of Public Accounts, or the Legislative Research Commission which are directly pertinent to the AGREEMENT shall be subject to public disclosure regardless of the proprietary nature of the information, unless specific information is identified and exempted and agreed to by the Secretary of the Finance and Administration Cabinet as meeting the provisions of KRS 61.878(1)(c) prior to the execution of the AGREEMENT. The Secretary of the Finance and Administration Cabinet shall not restrict the public release of any information, which would otherwise be subject to public release if a State government agency were providing the service

Section 29. Campaign Finance. The LFUCG shall certify that the contractor swears under the penalty of perjury, as provided by KRS 523.020, that neither he/she nor the entity which he/she represents has knowingly violated any provisions of the campaign finance laws of the Commonwealth, and that the award of a contract to him/her or the entity which he/she represents will not violate any provisions of the campaign finance laws of the Commonwealth.

Section 30. Violations. Pursuant to KRS 45A.485, the LFUCG shall certify that all contractors shall reveal to the CABINET any final determination of a violation within the previous five (5) year period pursuant to KRS Chapter 139, 136, 141, 337, 338, 341 and 342. These statutes relate to the state sales and use tax, corporate and utility tax, income tax, wages and hours laws, occupational safety and health law, unemployment compensation law, and workers compensation insurance law, respectively.

The LFUCG shall certify that all contractors agree to be in continuous compliance with the provisions of KRS Chapters 136, 139, 141, 337, 338, 341 and 342 for the duration of this AGREEMENT. Failure to reveal a final determination of a violation of the referenced statutes or to comply with these statutes for the duration of this AGREEMENT shall be grounds for the cancellation of the contract or subcontract and disqualification of the contractor from eligibility for future state contracts for a period of two (2) years.

The LFUCG represents that pursuant to KRS 45A.607 they are not currently engaged in, and will not for the duration of the contract engage in, the boycott of a person or an entity based in or doing business with a jurisdiction with which Kentucky can enjoy open trade. Note: The term Boycott does not include actions taken for bona fide business or economic reasons, or actions specifically required by federal or state law.

Section 31. Personal Service Contracts and Memoranda of Agreement. If this AGREEMENT comes under the purview of KRS 45A.690 - 45A.725, payments on personal service contracts and memoranda of agreement shall not be authorized for services rendered after disapproval of the Government Contract Review Committee unless the decision of the committee is overridden by the Secretary of Finance and Administration Cabinet or agency head, if the agency has been granted delegation authority.

Section 32. Disputes. Any dispute concerning a question of fact in connection with the work, not disposed of by agreement between the LFUCG and the CABINET, shall be referred to the Secretary of the

LEXINGTON FAYETTE URBAN COUNTY GOVERNMENT
ITS-CMS TRAFFIC IMPROVMENTS
\$519,200 – SLX FEDERAL FUNDS

Transportation Cabinet of the Commonwealth of Kentucky, or his duly authorized representative, whose decision shall be final. Regulations concerning any claims to be filed by a contractor are referenced in 23 CFR 635.124.

Section 33. Agreement Change. Any proposed change to the Scope of Work or time extension to this AGREEMENT shall comply with 23 CFR 635.120 and 635.121 and shall be evidenced in writing at the mutual consent of the LFUCG and the CABINET.

Section 34. Termination. The CABINET reserves the right to cancel all reimbursements under this AGREEMENT at any time deemed to be in the best interest of the CABINET by giving thirty (30) days written notice of such cancellation to the LFUCG. If reimbursement under this AGREEMENT is canceled under this section by reason other than violation of this AGREEMENT or any applicable law by the LFUCG, its agents, employees and contractors, the CABINET shall reimburse the LFUCG according to the terms hereof for all expenses incurred under this AGREEMENT to the date of such cancellation of reimbursement. The LFUCG may seek to cancel its obligations under this AGREEMENT at any time deemed to be in the best interest of the LFUCG by giving thirty (30) days written notice of such request to the CABINET. If the CABINET agrees to allow the LFUCG to cancel the PROJECT or cancel its obligations under this AGREEMENT, the LFUCG shall reimburse the CABINET for all federal funding reimbursements made under this AGREEMENT.

Section 35. Resolution. The LFUCG shall pass a resolution authorizing the Mayor to sign this AGREEMENT on behalf of the LFUCG. An acceptable Resolution shall contain the project name, description, amount of funds being provided and an acknowledgement that the LFUCG agrees to ratify and adopt all statements, representations, warranties, covenants, and agreements contained in the AGREEMENT. Furthermore, by accepting the funds the LFUCG agrees to all terms and conditions stated in the AGREEMENT. A copy of the resolution shall be attached to the AGREEMENT (Attachment B) and returned to the CABINET prior to full execution of this PROJECT.

Section 36. Responsible Charge. The LFUCG shall designate a Person in Responsible Charge of this PROJECT according to the terms outlined in Attachment C. The LFUCG will provide the name and contact information for the Person in Responsible Charge prior to full execution of this PROJECT. The Attachment C information must be current for the LFUCG to be in compliance with the federal regulations and an eligible recipient of federal funds. Should a change occur, the LFUCG must submit a revised Attachment C within 7 days. Failure to comply can result in cancellation of the PROJECT

ATTACHMENT A – SCOPE OF WORK AND BUDGET SUMMARY

The Lexington – Fayette Urban County Government (LFUCG) Division of Traffic Engineering strives to improve traffic flow, reduce congestion and delay, and improve safety for all travelers within the county regardless of the travel mode. It is important to employ the most current technology and resources along with on-going training to make sure we provide the absolute best service to the traveling community.

This PROJECT will fund a non-construction program to complement and enhance on-going traffic management efforts in Fayette County for Fiscal Year 2027. It complies with the Regional Intelligent Transportation System (ITS) Architecture plan in accordance with the Congestion Management Process.

Project Listing:

1. Professional Services - Signal Timing & ATSPM data

High traffic volumes are routinely observed in Lexington as most arterials remain over-capacity during rush hour periods. Populations in both Lexington and surrounding areas also continue to grow and contribute to these already high volumes. There have been many changes and fluctuations in businesses which have responded with altered operations and work practices within the urban service area. Higher traffic volumes along with new and/or different urban development in the areas of education, business, and other land uses routinely result in changing traffic patterns. One cost-effective way to alleviate congestion from these changes is to reevaluate and optimize traffic signal timing along busy roads and arterials. This PROJECT will consist of LFUCG contracting with a consultant to use data available from various sources which may include our Streetlight Data subscription, existing traffic signal performance measures, detection data, camera observation system, and even crowdsourced travel data to develop traffic timing plans to help mitigate traffic delays, congestion, and pollution. LFUCG will explore which areas have the most need for signal timing adjustments and consider which of these areas stand to gain the most benefit before selecting a signal re-timing PROJECT. Congestion mitigation may not be achievable with signal timing alone at all locations, so consideration will be given to improvements that can be made within the current infrastructure where no near future improvement projects are planned in order to avoid only making minor or even no improvements at a significant cost. As PROJECT costs and anticipated traffic flow improvements may dictate, we will identify and select areas for retiming. Candidates may include Harrodsburg Road, Nicholasville Road, or another congested thoroughfare.

The PROJECT described above will fit within existing services described by the Lexington Area ITS Architectures; specifically TMS03, TM02, and DM01.

Project Cost Estimate - \$180,000

2. Traffic Corridor Management Upgrades

The goal of this PROJECT is to provide traffic detection, observation, monitoring, and network communication equipment to improve corridor management systems. LFUCG is charged with maintaining 390 signalized intersections with each one requiring detection devices for two to four approaches. As technology improves, Lexington desires to upgrade equipment to allow for more advanced traffic operations. This PROJECT includes the purchase of traffic detection equipment which operates using video, radar, or other advanced multi-modal detection technologies along with real-time monitoring of signal components, such as conflict monitors, while delivering actionable alerts to address potential or actual failures.

This PROJECT will also continue the efforts of upgrading and expanding the traffic camera network that began in Fiscal Year 2019. New cameras and features will be added to enhance coverage and capabilities to select areas. As part of this PROJECT, we may consider software that would give us analytical data and insight concerning our traffic and its patterns and incidents. Any software we invest in will integrate with our existing camera system and signal system. In addition to transportation and public safety entities, the visual camera feed is accessible to the public via the Lexingtonky.gov traffic website. This extended coverage allows the public to better determine their desired travel patterns, view the city during weather events, and provides valuable insights into traffic flow.

Lastly, this PROJECT will also include expanding and improving our network communication system that serves as the backbone to our traffic observation and traffic control systems. As data storage and bandwidth needs grow, improvements are necessary to continue to provide communication for day-to-day corridor management that can withstand fluctuating weather conditions, and provide automatic redundant failover in the case of communication interruptions along normal pathways. We currently own and maintain over 100 miles of fiber optic cable, over 135 wireless hardware devices linking nearly 100 remote, signalized intersections to the fiber optic network and central system. We currently average approximately 93% communications with our traffic signals. This PROJECT seeks to improve our network and wireless infrastructure with upgraded frequency bands and components to allow improve bandwidth, security, and connectivity. We will also continue to implement fixed wireless solutions in locations we can't currently reach with other devices or for situations when normal communication lines are severed due to construction or other disruptions and a temporary solution is needed to bridge the gap until equipment can be repaired or replaced.

The PROJECT above will fit within existing services described by the Lexington Area ITS Architectures; specifically TM01, TM03, TM09, TM08, TI01, TM08 and DM01.

Project Cost Estimate - \$298,000

LEXINGTON FAYETTE URBAN COUNTY GOVERNMENT
ITS-CMS TRAFFIC IMPROVMENTS
\$519,200 – SLX FEDERAL FUNDS

3. Training

This PROJECT will support needed training and professional conferences for personnel regarding ITS hardware, software, methods, and best practices.

Project Cost Estimate - \$10,000

4. Mileage

This PROJECT will provide for floating car studies, off-site meetings, and signal timing or ITS equipment troubleshooting and improvements.

Project Cost Estimate - \$1,000

5. Transportation Analytics Platform

The Lexington Area MPO (LAMPO) and other offices responsible for operation, modification and analysis of the existing and proposed transportation network has benefitted greatly by having convenient access to ‘big data.’ Anonymized data is collected from many of us via cell phones, GPS, and Bluetooth devices. This data is processed and made available for use for traffic studies, origin-destination studies, volume projections and has many other uses in determining the health of the transportation network or impacts a proposed change might have on it. This PROJECT will seek to continue supporting a data services software platform to assist with determining flexible corridor/area speeds, volumes, origin-destination, routing, and vehicle classification along arterial and collector routes within the LAMPO area. Information obtained assists in verifying timing changes, lane closure impacts and helps gauge capacity improvements due to geometric changes.

The PROJECT above will fit within existing services described by the Lexington Area ITS Architecture; specifically, TM02, TM06, DM01 and DM02.

Project Cost Estimate - \$160,000

Funding details:

Item	Title	Cost	Description
1.	Traffic Signal Timing & ATSPM	\$180,000	Evaluate needs and benefits, improve signal timing and traffic flow in selected areas and corridors
2.	Traffic Corridor Management Upgrades	\$298,000	Upgrade or add multimodal detection equipment, equipment monitoring, traffic surveillance camera equipment and analytics, and network communication components
3.	Training	\$10,000	Training and conferences for personnel regarding ITS hardware, software, and best practices
4.	Mileage	\$1,000	Floating car studies, off-site meetings, and signal timing troubleshooting and improvements
5.	Transportation Analytics Platform	\$160,000	Monitor the transportation network and provide data, metrics, and performance standards
	Total	\$649,000	

It is anticipated that activities included in this proposal will be completed by June 30, 2028 (a 2-year window).

ATTACHMENT B – RESOLUTION

**ATTACHMENT C
PERSON IN RESPONSIBLE CHARGE**

Upon federal-aid project delegation to the LFUCG by the CABINET, the undersigned hereby certifies the following, to the best of his or her knowledge and belief, on behalf of the LFUCG:

1. Pursuant to 23 CFR 635.105(c) (4), the LFUCG acting as a subrecipient of federal transportation funds must provide an employee of that agency, who is available full time, to be in responsible charge of the PROJECT. The individual in responsible charge of the PROJECT is held accountable for ensuring that all applicable Federal and State regulations are followed on the PROJECT. This person will have the authority and resources to manage the PROJECT and will be the primary point of contact with the CABINET. This person may be the project engineer provided that the project engineer is a full-time employee of the LFUCG. If the project engineer is a consultant, the person in responsible charge must be a full-time employee of the LFUCG.
2. The undersigned and the designated LFUCG's person in responsible charge of this PROJECT has read and understands the contract administration and inspection responsibilities described in the CABINET's *Federal-Aid Highway Program Project Development Guide for Local Public Agencies* (LPA Guide).
3. The undersigned will carry out this PROJECT in accordance with the applicable Federal and State laws and associated regulations identified in the LPA Guide.
4. The undersigned will enforce compliance with the above-mentioned laws, regulations, policies, and guidelines by its consultants, contractors, and subcontractors.
5. The undersigned certifies the designated person in responsible charge will:
 - Have the ability to visit the PROJECT or attend meetings related to the PROJECT as needed.
 - Be responsible for ensuring that the PROJECT is delivered on time in accordance with established milestones and the terms of the contract between the SUBRECIPIENT and the CABINET.
6. In accordance with the requirements outlined above, LFUCG has selected the following individual as the person in responsible charge for the PROJECT:

Name:	Position with LFUCG:
E-mail:	Phone:
Signature:	

7. Should the LFUCG require a change to the Person in Responsible Charge, they will notify the CABINET, designate a new Person in Responsible Charge, and resubmit the Attachment C within 7 days of the change. The new Attachment C will be incorporated into this Agreement upon approval by the CABINET.

Linda Gorton, Mayor
