- Executive Order No. 11246 on Nondiscrimination under Federal contract prohibits employment discrimination by contractor and sub-contractor doing business with the Federal Government or recipients of Federal funds. Because of its importance to the local Government, this policy carries the full endorsement of the Mayor, Commissioners, Directors and all supervisory personnel. In following this commitment to Equal Employment Opportunity and because the Government is the benefactor of the Federal funds, it is both against the Urban County Government policy and illegal for the Government to let contracts to companies which knowingly or unknowingly practice discrimination in their employment practices. Violation of the above mentioned ordinances may cause a contract to be canceled and the contractors may be declared ineligible for future consideration.

Advance Auto Parts Limited Warranty Policy

General Limited Warranty Period and Applicability

The warranty period is 90 days from your date of purchase or any longer warranty period that may be printed on your original sales receipt. During the warranty period, we will replace or refund, at our option, any new part that fails due to a defect in materials or workmanship under normal use and service after proper installation. Simply return the part along with your original sales receipt to any Advance Auto Parts store. You must be the original purchaser of the part and still own the vehicle on which it was installed. This warranty is not transferrable. Replacement parts are warranted for 90 days from the date of exchange or the remainder of the warranty period on the original part, whichever is longer.

Refunds will only be considered if you bring the defective part to an Advance Auto Parts store along with your original sales receipt within 90 days from the original date of purchase. Refunds will be issued in accordance with our Refund Policy.

Battery Limited Warranty

The battery Free Replacement Period begins the day of purchase and expires at the end of the Free Replacement Period that is printed on your original sales receipt. This period does not renew when the battery is replaced during the Free Replacement Period. There is no other warranty outside of the Free Replacement Period that began when the battery was purchased. Installation or use of an automotive battery in any other type of vehicle or equipment voids your warranty.

What is Not Covered

- Failure due to: accident or collision; misuse, abuse or modification; chemical fallout; salt, hail, or other environmental conditions including natural disasters; marine use; improper installation; installation of an incorrect part; and damages caused by other faulty parts.
- Parts under manufacturer's recall for a related problem.
- Parts installed on vehicles used off-road or for racing purposes.
- Parts installed on a commercial-use vehicle after 90 days (see below).
- Normal wear and tear.
- Used or salvage parts.

Commercial Use Vehicles

Parts installed on commercial-use vehicles are warranted for 90 days from the date of purchase only, regardless of any longer warranty period that may be printed on your sales receipt.

Part-Specific Requirements

Certain parts must meet specific installation requirements. Failure to provide proof that these requirements have been met will void your warranty.

- **A/C Compressors.** Flushing is required. Must also install a new receiver dryer/accumulator, orifice tube or expansion valve (as applicable).
- **Clutch/Clutch Kits.** The clutch/clutch kit must be installed according to the manufacturer's instructions, including installation of a new pilot bearing and resurfacing of the flywheel. Clutches contaminated by oil and grease are not eligible for warranty replacement/refund.
- **Crankshafts.** The installer must validate that the crankshaft OE number matches and there is no visible damage to the unit prior to installation. Warranty is limited to replacement of the crankshaft and bearings prior to installation. Warranted crankshafts that are returned must include the bearings supplied with the unit.
- **Fuel Pumps.** Replacement of pump strainer (for in-tank electric pumps) and inline fuel filter at time of repair is required. Must also drain and clean fuel tanks.

Remanufactured Engines Limited Warranty

What is Covered Under This Warranty?

This limited warranty covers the failure of this remanufactured long block, (engine), due to defects in materials or workmanship on the part of the remanufacturer for a period of time based on the usage and application listed below. Your warranty begins on the original purchase date and does not renew if replaced during the warranty period.

What is NOT Covered Under This Warranty?

This warranty does not cover damage or loss due to the following:

- Damage caused by installation or related vehicle problems is not covered, as well as installation in a vehicle for which it was not designed or purchased for. (Example: the engine must be ordered for the exact vehicle in which it is installed). Only Marine engines can be installed in Marine applications or the warranty is void. Also, you must replace the engine with the same displacement as the original engine (VIN specific).
- Misuse, maintenance neglect, abuse, vandalism, abnormal operation, environmental conditions, or accidents. Internal modification with aftermarket performance parts or the use of Nitrous (NOS).
- Overheating of this engine voids any warranty for labor or replacement. All vehicles are equipped with warning devices (gauges and lights), please be sure they are operational.
- Damage caused by lack of lubricants or fluids that lead to engine failure will void the warranty. You are asked to maintain your vehicle at regular intervals and be able to provide us with those service records. Fuel washing, or any other dilution of the engine lubricant can void warranty. Damage from electrolysis or where periodic maintenance services required by the manufacturer have not been performed can also void warranty.
- Failure caused by components or parts not furnished by the remanufacturer.
- Damage to the engine caused by detonation or pre-ignition.
- Damage caused to engine thrust bearing from defective torque converters, clutch assemblies, engine or transmission mounts.
- Applications using turbochargers must be special ordered and do not qualify under this warranty. Vehicles used for racing purposes are not covered.
- Any repairs not authorized or approved by the remanufacturer will void the warranty. Engines removed without approval will be subject to core credit only.

How Long Does the Coverage Last?

Your warranty begins on the original date of purchase. The length of the term is based on usage and application as listed below. Your warranty does not renew if the engine is replaced during the warranty period.

- Gasoline engines for personal use passenger vehicles and light trucks up to but not including one ton vehicles are warranted for 36 months.
- Performance Engines are warranted for 24 months.
- Commercial Vehicles (vehicles used in a business) and 1 Ton vehicles are warranted for 12 months.
- Diesel Engines are warranted for 12 months / 12,000 miles against defects in materials or workmanship.
- Farm Use, Industrial, Heavy Duty, are also warranted for 6 months.
- Cataloged Marine Engines are warranted for 12 months. Only Marine engines can be used in Marine applications.
- This warranty excludes motor homes and emergency vehicles (ambulance, fire trucks, police vehicles).

Who Gets the Benefits of this Warranty?

This warranty is extended only to the original purchaser and cannot be transferred to anyone at any time. Engines purchased by the installer are warranted to the installer only. You must be able to provide a register receipt in your name for any warranty consideration. Without this receipt, no warranty will be offered.

What Will the Remanufacturer Do?

If this engine should fail due to a defect in materials or workmanship on their part, the remanufacturer will, at their discretion, either replace the engine, or supply parts necessary to make the repairs. Only those parts furnished by the remanufacturer will be replaced or repaired. Any refund on this engine must be approved by Advance Auto Parts. NO REFUNDS WILL BE APPROVED AFTER 90 DAYS. After the initial 90-day period, the warranty covers replacement or repairs only. Refunds after

that time period will be limited to core value only. In order to qualify for labor reimbursement, a licensed, "tax-exempt" garage or repair facility must originally install the engine. Engines installed by individuals or non-licensed garages will be considered "self-installed" and paid at a lower rate. For garage installed engines only, if approved, the remanufacturer will authorize labor to be paid at the "Warranty Rate" of \$50.00 per hour, "Mitchell Flat Rate Time" with a maximum payment amount of \$500.00 per claim. Repairs that do not correct the problem will not be reimbursed. For "self-installed" engines, the rate will be \$25.00 per hour "flat rate", with a maximum of \$250.00. Claims will be approved only after the examination of the returned part or parts. The decision of the manufacturer will be final. An engine will only be replaced one time. If the second engine should fail during the warranty period, it must be returned to the store where you will receive core credit only. At that time, it will be shipped, at our expense, to the remanufacturer for a failure analysis. If a factory defect is found, the engine will be replaced and labor approved. If not, then you can have the engine returned at your expense.

What Must I Do to Protect My Warranty?

You must pay all outstanding invoices for the purchase of the engine. No benefits, payments, repairs, replacements, or remedies are available under the warranty while any invoices for the purchase of the engine remain outstanding. Immediately after discovery of any problem, and prior to the expiration of the warranty period, you must follow the procedures listed below. Failure to do so will void your warranty!

- Discontinue use of the vehicle if necessary and BEFORE the engine overheats!
- Contact YOUR INSTALLER and ask him to diagnose the problem. If he determines that the problem may be factory related, call the Advance Auto Parts Warranty Department at (888) 286-6772. The Advance Auto Parts Warranty Department, not the store, will administer the warranty. The Warranty Department operates from 8:00 am to 5:30 pm Eastern Time, Monday through Friday with the exception of holidays.
- Please have your engine serial number and purchase information available at the time of the call. This will be necessary to process your claim.
- At the time of your call, we will connect you with the technical experts at the manufacturer to assist you and your mechanic in getting the problem resolved quickly. Your mechanic may be asked to conduct a test to determine the exact problem thereby simplifying the repair process. The cost of this test will be at your expense until the problem is determined to be factory related.
- If repairs are approved, all removed parts must be retained and returned to your local store for shipment to the manufacturer. No claims can be paid or replacement parts supplied unless these parts are returned.
- If you are missing any parts when the engine is delivered, please contact us immediately so we can provide them for you. Also, all engines come equipped with a metal tag stamped with the engine serial number. If this tag is removed or tampered with, the warranty is void!

Limit on Remedies

The warranty does not cover or provide payment or reimbursement for the following or any other incidental or consequential loss or damage.

Initial start up: Valves must be readjusted to manufacture's specifications. Due to various component designs, cylinder head re-torque may or may not be required in your particular application. Refer to factory shop manual for the proper procedure for your engine type.

- Replacement of any fluids or other substances, tune-ups or replacement of belts, hoses or maintenance items, towing charges, vehicle rental, substitute transportation, lodging, or communication expenses.
- Diagnostic time, service calls, or labor (except as set forth above).
- Loss of time, income, sales or profits, loss of use of the vehicle, lift, dock, or storage fees.
- Gaskets or other parts or items associated with, but not included with the engine.
- Any action for bringing suit must be commenced within 12 months following the time the breach is discovered or should have been discovered.

How Long Does State Law Relate to this Warranty

This warranty gives you specific rights and you may have other rights, which vary from state to state. Neither Advance Auto Parts nor the remanufacturer make any other warranty beyond that provided in this limited warranty. It supersedes all prior agreements or representations whether oral or written. Neither Advance Auto Parts nor the remanufacturer authorizes any person to vary in any way, the terms, conditions, or exclusions of this warranty. Should any disclaimer or remedy limit in this warranty be declared or become invalid or unenforceable because of any laws, the remaining terms and conditions shall remain in full force and effect.

Remanufactured Transmissions Limited Warranty

General

- All warranties set forth herein are those of the manufacturer. The warranty belongs to the person or business whose name is printed on the purchase receipt or Order Confirmation email and cannot be transferred to anyone at any time.
- Advance Auto Parts hereby disclaims all warranties, expressed or implied, relating to your transmission, including, but not limited to the warranties of merchantability and fitness for particular purpose.

What is Covered?

- Your automatic transmission, is warranted against defects in materials or workmanship for a period of 36 months or 75,000 miles, whichever comes first. Manual transmissions & transfer cases are warranted for 12 months against defect in materials or workmanship from date of purchase. Commercial applications are warranted for 12 months or 12,000 miles whichever comes first. There will be no refunds issued after 90 days from original purchase date.
- If your transmission fails during the warranty period, please notify the Advance Auto Parts warranty department at (888) 286-6772 between the hours of 8:00 am to 5:30 pm Monday through Friday Eastern time. The warranty department, not the store, will help to administer the warranty with the manufacturer. Should the manufacturer determine that the transmission requires replacement, you must return the alleged defect before you can receive the replacement. There can be no exceptions.
- This limited warranty also provides partial reimbursement for labor cost in the event the transmission is found to be defective in materials or workmanship under examination by the manufacturer. Labor will be paid only if the transmission is originally installed by a licensed repair facility. Customer will be asked to submit a printed work order for the original installation. No labor is paid for self-installed units.
- Labor reimbursement is limited to \$50.00 per hour based on time allowed by the Mitchell labor guide. All labor payments must be approved by the manufacturer before being paid. \$350.00 is the maximum amount paid for replacement or repair, and includes any diagnostic charges to determine the cause of failure.

What is NOT Covered?

- This limited warranty does not cover towing charges, rental vehicles, fluids, inconvenience, loss of time, commercial loss, property damage, personal injury, or any other incidental or consequential loss or damage.
- This limited warranty does not apply if the transmission has been abused, neglected, improperly maintained, damaged in an accident, modified, improperly installed, or damaged due to the operation of parts or items not furnished with the transmission.
- Any unauthorized removal or repairs will void the warranty. Before doing anything, please call (888) 286-6772 for warranty assistance.
- Some units are shipped with auxiliary coolers designed to replace the OE cooler. Failure to install and use this cooler will void warranty for replacement or labor.
- This limited warranty does not apply to vehicles used commercially for snow removal, or for off road vehicles. This usage will void any warranty.

Note: Please check the transmission before installing. Is this the correct transmission? We try very hard to supply you with the correct transmission, but mistakes can and will happen. The final check is for you to compare the transmission removed from the car with the replacement and make sure everything is correct before installing it. Now is the time to be sure, not after it is installed.

There will be no labor reimbursement for the installation and removal of the wrong transmission.

Some states do not allow limitations on how long an implied warranty lasts, so the above information may not apply to you. This warranty gives you specific rights, and you may have other rights, which vary from state to state. Advance auto parts does not authorize any person to vary in any way, the terms, conditions, or exclusions of this warranty.

E. This contract may be canceled by the Lexington-Fayette Urban County Government if it is determined that the Bidder has **materially** failed to perform under the terms of this agreement, such cancellation to be effective upon receipt of written notice of cancellation by the Bidder.

1. Bidder shall comply with all Federal, State & Local regulations concerning this type of service or good. All applicable state laws, ordinances and resolutions (including but not limited to Section 2-33 (Discrimination due to sexual orientation or gender identity) and Chapter 13 (Licenses and Regulations) of the Lexington-Fayette Urban County Government Code of Ordinances, ~~and Resolution No. 484-47 (Minority, Women, and Veteran Owned Businesses)~~ **except to the extent not applicable to this Contract**) and the regulations of all authorities having jurisdiction over the project shall apply to the contract, and shall be deemed to be incorporated herein by reference.

13. Assignment of Contract: The selected bidder(s) shall not assign or subcontract any portion of the bid contract with LFUCG without the express written consent of LFUCG **except to the extent such assignment is to an affiliate or successor in interest by merger or sale of substantially all of bidders assets.** Any purported assignment or subcontract in violation hereof shall be void. It is expressly acknowledged that LFUCG shall never be required or obligated to consent to any request for assignment or subcontract; and further that such refusal to consent can be for any or no reason, fully within the sole discretion of LFUCG.

14. No Waiver: No failure or delay by ~~LFUCG~~ **either party** in exercising any right, remedy, power or privilege hereunder, nor any single or partial exercise thereof, nor the exercise of any other right, remedy, power or privilege shall operate as a waiver hereof or thereof. No failure or delay by ~~LFUCG~~ **either party** in exercising any right, remedy, power or privilege under or in respect of this bid proposal or bid contract shall affect the rights, remedies, powers or privileges of ~~LFUCG~~ **either party** hereunder or shall operate as a waiver thereof.

Notwithstanding the foregoing, Contractor is excepted from each and every requirement under the Kentucky Equal Employment Opportunity Act of 1978 pursuant to KRS 45.590, including all MWDBE requirements and goals.
