Chief Lawrence Weathers, Div. of Police, presented a disciplinary matter regarding Lieutenant Jesse Palmer. An allegation has been made that Lt. Palmer has committed the offense of Body Worn Camera Procedures which constitutes misconduct under the provisions of KRS 95.450 and/or KRS 15.520 and General Order 1973-02L Disciplinary Procedures of Sworn Officers, Appendix B, Operational Rule 1.04 Body-Worn Camera Procedures in that on the Various day(s) of Various Months in 2023/2024, he/she allegedly:

- (1) On or about July 25th, 2024 Lieutenant Jessee Palmer failed to activate his Body Worn Camera (BWC) per policy on a Traffic Stop. Between the dates of November 25th, 2023 and July 25th, 2024 Lieutenant Palmer had six incidents involving BWC errors or issues. Of the six incidents, four were failure to activate and two were attempt to activate. The listed incidents where Lieutenant Palmer's failed to activate his BWC did not involve a critical incident or arise from a complaint filed by a citizen. At the conclusion of the investigation it was determined Lieutenant Palmer violated the above policy which states: "Officers issued body-worn cameras shall wear and use them, as outlined in department policies, to record contacts and interactions that occur between officers and

members of the public, suspects, and others in a wide variety of situations to promote transparency in accordance with state law and accountability for officers and the community through objective evidence." This is Lieutenant Palmer's first sustained formal complaint since his employment date of December 10th, 2007.
