SUBJECT: Donation of Fire Engine to Fayette County Schools

---

The Division of Fire and Emergency Services request authorization to donate a 1986 Pierce Arrow fire engine, VIN# 1P9CA02B7HA040032, to the Fayette County Public Schools.

Why are you requesting? This vehicle is no longer serviceable as a Fire Department unit. It was removed from service in 2014 and has been on loan to the Fayette Co. Public Schools Fire/EMS Career Pathway program at East Side Technical School since 2016. This donation to FCPS will solidify the availability of an apparatus for this much needed educational program.

Department needs this action completed because: The vehicle's continued use in educating and inspiring youth interested in the fire service will potentially aid in recruiting future members of the LFD. Transferring ownership will also remove potential liability for the LFUCG.
