Overview of streets impacted

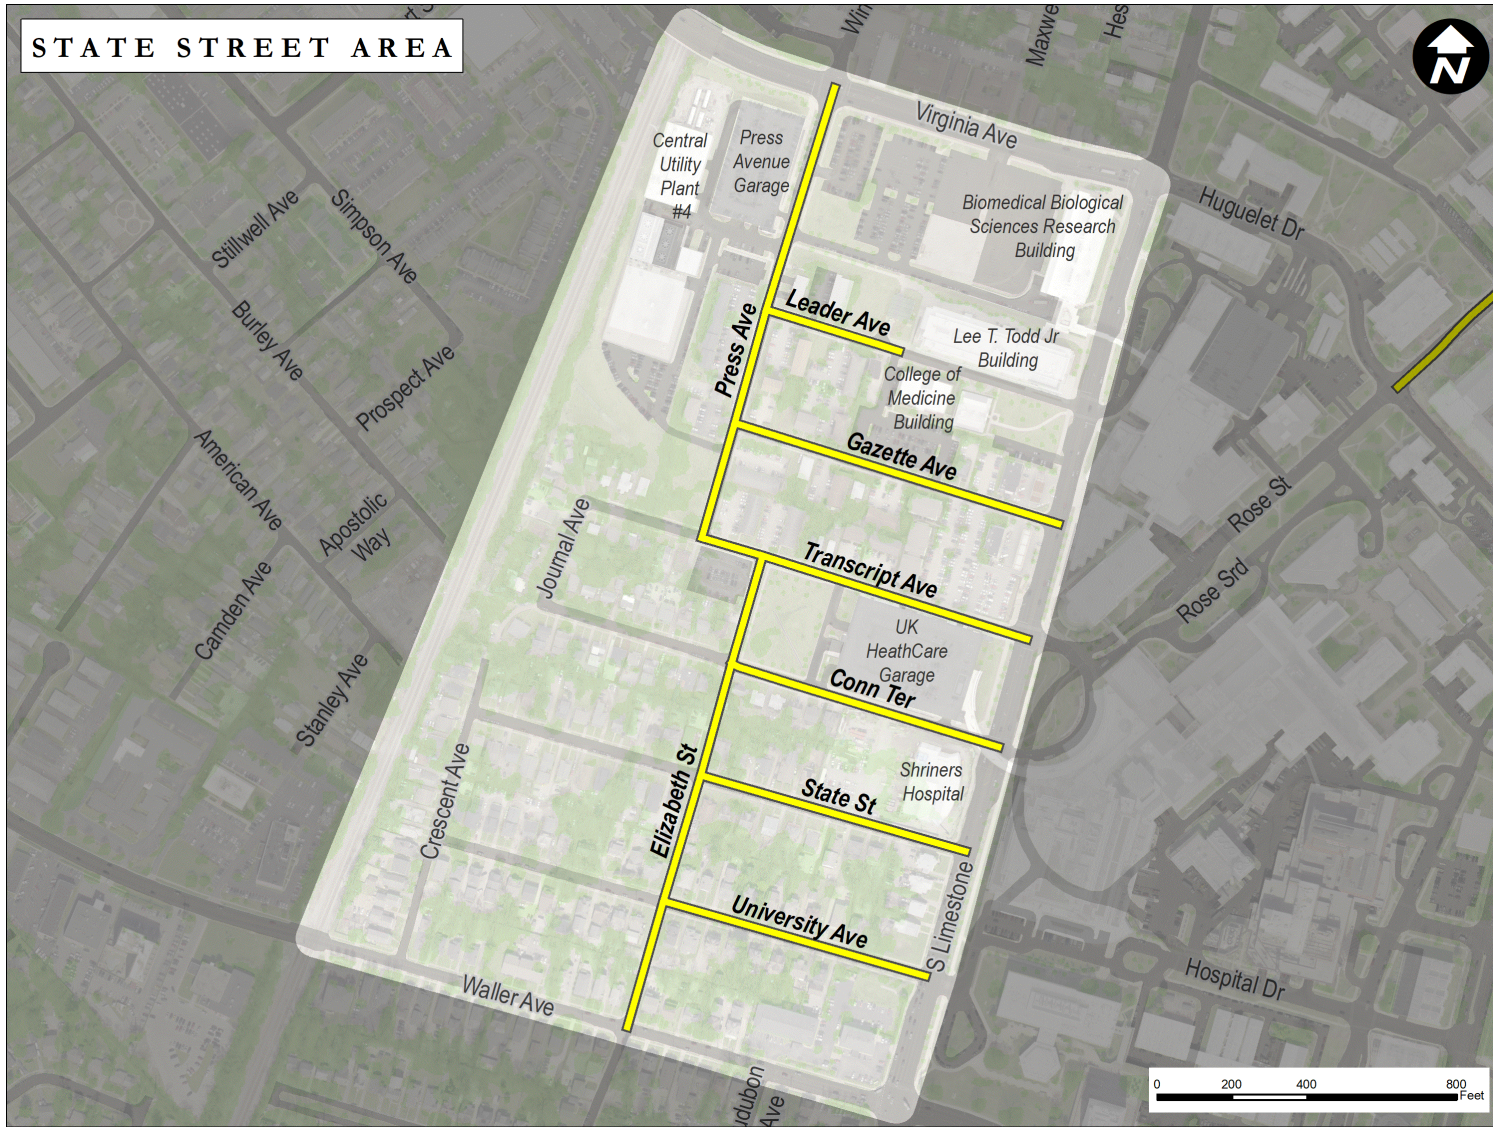

Rose Street Area

North Campus Area

State Street Area

Remaining Street Closures

- Under no circumstances will the University substantially restrict vehicular access or close any of the other streets unless it owns all the real property adjacent to that particular street.
- UK must provide LFUCG written notice at least 90 days before they plan to permanently close any roads.
- The impact of any such closing must be adequately provided for in the transportation plan.

Transportation Safety Improvement Plan

- Joint effort between UK, LFUCG, and Neighborhoods related to pedestrian, bike, and vehicular safety in and around campus.
- The plan will include but is not limited to:
 - Safety and infrastructure improvements
 - Enhanced wayfinding
 - Traffic mitigation and calming devices
- Emphasis of the plan is enhancing the safety of:
 - Neighborhoods surrounding campus
 - South Limestone/Nicholasville Road
 - Avenue of Champions

Transportation Safety Improvement Plan

- Commitment by UK and LFUCG to fund a University City transportation plan
- UK is committing \$3m over 10 years for improvements
- LFUCG is committing \$1m over 10 years for improvements.
 - Subject to appropriation of sufficient funding in future fiscal years.
