May 7, 2018

Lawrence Weathers  
Chief of Police  
150 E. Main Street  
Lexington, KY 40507

Chief Weathers:

I am writing this letter on behalf of the Owensboro Police Department to express our interest in acquiring the 1996 International HDRO Bomb Truck from the Lexington Police Department.

Our Hazardous Device Unit has provided support to KSP and other law enforcement agencies in Western Kentucky. The Commander of the Owensboro Police Department's HDU has assured me the HDRO Bomb Truck would be an asset to our department because it would afford us the ability to store necessary items, i.e. robots, bomb suits, diagnostic tools and other potentially lifesaving equipment inside of the vehicle; thus, reducing response times during callouts. In our profession, a second or two could mean the difference between life and death.

Should you have any questions regarding this request, please give me a call. Likewise, if there is anything we can do for you or your agency; please do not hesitate to call on us.

Regards,

  
Colonel Art Ealum  
Chief of Police
