RE: Bid #73-2012

Bids for the High Pressure Air Lifting Bag System for the Division of Fire & Emergency Services were opened by the Division of Central Purchasing on June 7, 2012. Notifications were sent to 291 vendors on economic engine. Out of the 291 notified, there were 23 viewers. Out of 23 viewers, one submitted a will bid, zero submitted might bid, and seven submitted a no bid.

Emergency Equipment submitted the only bid. Emergency Equipment was a responsive bidder and their bid met specifications and is within budgetary constraints. I recommend accepting the bid submitted by Emergency Equipment which currently holds the contract and has provided satisfactory service.
