

**TO: LINDA GORTON, MAYOR
URBAN COUNTY COUNCIL**

**FROM: THERESA REYNOLDS, DIRECTOR
DIVISION OF GRANTS AND SPECIAL PROGRAMS**

DATE: SEPTEMBER 14, 2023

**SUBJECT: Hazard Mitigation Grant Modification No. 1 for Emergency Generator
Project at the Division of Streets and Roads**

Request: Council authorization to execute Modification No. 1 to agreement with the Commonwealth of Kentucky, Department of Military Affairs, Division of Emergency Management to include “if applicable” Agency Terms and Conditions for the Emergency Generator Project at the Division of Streets and Roads.

Purpose of Request: On September 30, 2021 (Resolution 544-2021), Council authorized the submission of an application to the Kentucky Emergency Management Agency requesting federal funding from FEMA’s (Federal Emergency Management Agency) Hazard Mitigation Grant Program for the Mitigation Grant Emergency Generator project. On December 21, 2022 (Resolution 652-2022), Council approved to accept an award in the amount of \$215,304 in federal funds from FEMA, \$34,448 in state funds, and requiring a local match of \$37,320 to overhaul the electrical infrastructure at the Division of Streets and Roads maintenance and dispatch facilities, which will include installation of new electrical panels and backup generator systems. Total cost of the project is \$287,072.

The Kentucky Emergency Management Agency has modified agreement to add “if applicable” Agency Terms and Conditions.

What is the cost in this budget year and future budget years? No additional cost in this budget year. Future years \$3,000 to \$5,000 for fuel and maintenance.

Are the funds budgeted? All grant funds are budgeted.
