Equal Employment Opportunity

The Entity (regardless of whether construction contractor, non-construction contractor or supplier) agrees to provide equal opportunity in employment for all qualified persons, to prohibit discrimination in employment because of race, color, religion, sex (including pregnancy, sexual orientation or gender identity), national origin, disability, age, genetic information, political affiliation, or veteran status, and to promote equal employment through a positive, continuing program from itself and each of its sub-contracting agents. This program of equal employment opportunity shall apply to every aspect of its employment policies and practices.

Kentucky Equal Employment Opportunity Act

The Kentucky Equal Employment Opportunity Act of 1978 (KRS 45.560-45.640) requires that any "county, city, town, school district, water district, hospital district, or other political subdivision of the state shall include in directly or indirectly publicly funded contracts for supplies, materials, services, or equipment hereinafter entered into the following provisions:

"During the performance of this contract, the contractor agrees as follows:

- (1) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, age, or national origin;

(2) The contractor will state in all solicitations or advertisements for employees placed by or on behalf of the contractors that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, age, or national origin;

(3) The contractor will post notices in conspicuous places, available to employees and applicants for employment, setting forth the provision of the nondiscrimination clauses required by this section; and

(4) The contractor will send a notice to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding advising the labor union or workers' representative of the contractor's commitments under the nondiscrimination clauses."

The Act further provides:

"KRS 45.610. Hiring minorities -- Information required

(1) For the length of the contract, each contractor shall hire minorities from other sources within the drawing area, should the union with which he has collective bargaining agreements be unwilling to supply sufficient minorities to satisfy the agreed upon goals and timetables.

(2) Each contractor shall, for the length of the contract, furnish such information as required by KRS 45.560 to KRS 45.640 and by such rules, regulations and orders issued pursuant thereto and will permit access to all books and records pertaining to his employment practices and work sites by the contracting agency and the department for purposes of investigation to ascertain compliance with KRS 45.560 to 45.640 and such rules, regulations and orders issued pursuant thereto.

KRS 45.620. Action against contractor -- Hiring of minority contractor or subcontractor

(1) If any contractor is found by the department to have engaged in an unlawful practice under this chapter during the course of performing under a contract or subcontract covered under KRS 45.560 to 45.640, the department shall so certify to the contracting agency and such certification shall be binding upon the contracting agency unless it is reversed in the course of judicial review.

(2) If the contractor is found to have committed an unlawful practice under KRS 45.560 to 45.640, the contracting agency may cancel or terminate the contract, conditioned upon a program for future compliance approved by the contracting agency and the department. The contracting agency may declare such a contractor ineligible to bid on further contracts with that agency until such time as the contractor complies in full with the requirements of KRS 45.560 to 45.640.

(3) The equal employment provisions of KRS 45.560 to 45.640 may be met in part by a contractor by subcontracting to a minority contractor or subcontractor. For the provisions of KRS 45.560 to 45.640, a minority contractor or subcontractor shall mean a business that is owned and controlled by one or more persons disadvantaged by racial or ethnic circumstances.

KRS 45.630 Termination of existing employee not required, when

Any provision of KRS 45.560 to 45.640 notwithstanding, no contractor shall be required to terminate an existing employee upon proof that employee was employed prior to the date of the contract.

KRS 45.640 Minimum skills

Nothing in KRS 45.560 to 45.640 shall require a contractor to hire anyone who fails to demonstrate the minimum skills required to perform a particular job."

It is recommended that all of the provisions above quoted be included as special conditions in each contract. In the case of a contract exceeding \$250,000, the contractor is required to furnish evidence that his workforce in Kentucky is representative of the available work-force in the area from which he draws employees, or to supply an Affirmative Action plan which will achieve such representation during the life of the contract.

LFUCG Non-Appropriation Clause

Contractor acknowledges that the LFUCG is a governmental entity, and the contract validity is based upon the availability of public funding under the authority of its statutory mandate.

In the event that public funds are unavailable and not appropriated for the performance of the LFUCG's obligations under this contract, then this contract shall automatically expire without penalty to the LFUCG thirty (30) days after written notice to Contractor of the unavailability and non-appropriation of public funds. It is expressly agreed that the LFUCG shall not activate this non-appropriation provision for its convenience or to circumvent the requirements of this contract, but only as an emergency fiscal measure during a substantial fiscal crisis, which affects generally its governmental operations.

In the event of a change in the LFUCG's statutory authority, mandate and mandated functions, by state and federal legislative or regulatory action, which adversely affects the LFUCG's authority to continue its obligations under this contract, then this contract shall automatically terminate without penalty to the LFUCG upon written notice to Contractor of such limitation or change in the LFUCG's legal authority.

EQUAL OPPORTUNITY AGREEMENT

Standard Title VI Assurance

The Lexington Fayette-Urban County Government, (hereinafter referred to as the "Recipient") hereby agrees that as a condition to receiving any Federal financial assistance from the U.S. Department of Transportation, it will comply with Title VI of the Civil Rights Act of 1964, 78Stat.252, 42 U.S.C. 2000d-4 (hereinafter referred to as the "Act"), and all requirements imposed by or pursuant to Title 49, Code of Federal Regulations, U.S. Department of Transportation, Subtitle A, Office of the Secretary, (49 CFR, Part 21) Nondiscrimination in Federally Assisted Program of the Department of Transportation – Effectuation of Title VI of the Civil Rights Act of 1964 (hereinafter referred to as the "Regulations") and other pertinent directives, no person in the United States shall, on the grounds of race, color, national origin, sex, age (over 40), religion, sexual orientation, gender identity, veteran status, or disability be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity for which the Recipient receives Federal financial assistance from the U.S. Department of Transportation, including the Federal Highway Administration, and hereby gives assurance that will promptly take any necessary measures to effectuate this agreement. This assurance is required by subsection 21.7(a) (1) of the Regulations.

The Law

- Title VII of the Civil Rights Act of 1964 (amended 1972) states that it is unlawful for an employer to discriminate in employment because of race, color, religion, sex, age (40-70 years) or national origin.
- Executive Order No. 11246 on Nondiscrimination under Federal contract prohibits employment discrimination by contractor and sub-contractor doing business with the Federal Government or recipients of Federal funds. This order was later amended by Executive Order No. 11375 to prohibit discrimination on the basis of sex.
- Section 503 of the Rehabilitation Act of 1973 states:

The Contractor will not discriminate against any employee or applicant for employment because of physical or mental handicap.

- Section 2012 of the Vietnam Era Veterans Readjustment Act of 1973 requires Affirmative Action on behalf of disabled veterans and veterans of the Vietnam Era by contractors having Federal contracts.
- Section 206(A) of Executive Order 12086, Consolidation of Contract Compliance Functions for Equal Employment Opportunity, states:

The Secretary of Labor may investigate the employment practices of any Government contractor or sub-contractor to determine whether or not the contractual provisions specified in Section 202 of this order have been violated.

The Lexington-Fayette Urban County Government practices Equal Opportunity in recruiting, hiring and promoting. It is the Government's intent to affirmatively provide employment opportunities for those individuals who have previously not been allowed to enter into the mainstream of society. Because of its importance to the local Government, this policy carries the full endorsement of the Mayor, Commissioners, Directors and all supervisory personnel. In following this commitment to Equal Employment Opportunity and because the Government is the benefactor of the Federal funds, it is both against the Urban County Government policy and illegal for the Government to let contracts to companies which knowingly or unknowingly practice discrimination in their employment practices. Violation of the above mentioned ordinances may cause a contract to be canceled and the contractors may be declared ineligible for future consideration.

Please sign this statement in the appropriate space acknowledging that you have read and understand the provisions contained herein. Return this document as part of your application packet.

Municipal Separate Storm Sewer System (MS4) Annual Program Management Services

Scope of Engineering Services

The Lexington-Fayette Urban County Government (LFUCG) is accepting proposals from interested consulting engineering firms to assist LFUCG in the implementation of portions of the Consent Decree related to the Stormwater Quality Management Program (SWQMP) and the Municipal Separate Storm Sewer System (MS4) Permit KYS000002 issued to LFUCG. Information about and copies of the Federal Consent Decree, its appendices / attachments, and the MS4 Permit are available on Lexington's website (<http://www.lexingtonky.gov>).

General Project Description

The successful firm or team (*i.e.*, Consultant) shall perform professional services as hereinafter stated which include technical writing; reporting; program development/management; assisting, if requested, with public strategy, training, presentations, and partnering workshops; and water quality monitoring and analysis services as related to implementing LFUCG's Consent Decree and MS4 Permit. The primary goal of the MS4 Program Manager is to provide LFUCG with the technical support necessary to successfully meet the obligations of the stormwater provisions contained in the Consent Decree and MS4 Permit.

Contract Term

The Consultant will be awarded a 365-day contract for work associated with the implementation of the stormwater provisions contained in the Consent Decree, the MS4 Permit, and other compliance-related activities. Annual renewal, up to four (4) additional 365-day periods, may occur upon mutual agreement by all parties.

Scope of Services

The primary program management services to be provided are:

1. Civil engineering, program management, and scheduling necessary to meet the obligations and deadlines associated with the Consent Decree (CD) and its attachments / appendices related to obligations of the SWQMP and Kentucky Pollutant Discharge Elimination System (KDPES) MS4 Permit. A reassessment and refinement of the critical path SWQMP implementation schedule in the context of the Consent Decree and the pending reissuance of the LFUCG MS4 Permit will likely be one of the first deliverables associated with this scope of services.
2. Assistance with updating the SWQMP document (dated June 1, 2016) once the next permit cycle begins to better reflect the goals and objectives of LFUCG's MS4 program.
3. Critical review and modification, if necessary, of LFUCG ordinances, guidance documents, policies, and procedures related to LFUCG's MS4 program.
4. Oversight and implementation of the water quality monitoring and assessment program required by the MS4 Permit consistent with the Consent Decree. Services may include sampling site selection, field services, laboratory analyses, data evaluations, etc. for the Water Quality Monitoring Program Elements. Monitoring

- requirements include dry weather, wet weather, BMPs, outfalls, streams, macroinvertebrates, fish, and habitat.
5. Preparation / completion of required stormwater compliance input / submittals for quarterly, annual, or any other reports requested as required by the CD and/or MS4 Permit provided in a Word or Excel format to allow modification by LFUCG.
 6. Preparation for and attendance at inspections of the MS4 program by KDOW and/or EPA.
 7. Assistance with the KPDES permit reapplication and negotiation, as well as general coordination which may be necessary with KDOW.
 8. Assistance with preparing the request for termination from the Compliance Measures Relating to Storm Sewer System section of the Consent Decree, if and when deemed appropriate.
 9. Hands-on technical assistance for implementing obligations of LFUCG's KPDES MS4 Permit and the associated SWQMP per the Consent Decree.
 10. Establishment and maintenance of a shared project documentation database, if requested.
 11. Coordination with other staff and firms engaged in other elements or programs of the CD.
 12. Attendance at pre-bid and pre-construction meetings for Remedial Measures Program (RMP) projects, Sanitary Sewer Non-RMP projects, and Stormwater Capital Construction projects. At each meeting, the Consultant will provide an overview of LFUCG's expectations and procedures for Permitting, Inspecting, and Enforcement of construction sites as it pertains to Erosion and Sediment Control (ESC), including ESC Plans, Stormwater Pollution Prevention Plans, Land Disturbance Permits, and the Kentucky Pollutant Discharge Elimination System (KPDES) General Permit for Discharges Associated with Construction Activities (KYR10 Permit).
 13. Other, as needed, civil, sanitary, electrical, mechanical, water quality, and geotechnical engineering services necessary for compliance-driven activities.

Due to the uncertainty associated with implementing a comprehensive program containing the complexity of the stormwater provisions of the Consent Decree, all work associated with this RFP will be assigned via written Task Order. The Consultant will be required to submit task-specific draft Task Orders and an estimated fee for each Task Order to LFUCG's MS4 Coordinator, who will direct the Consultant in completing any edits necessary to obtain final approval. Written approval from the Division of Water Quality Director must be received prior to initiating work associated with a Task Order. Written Task Order approval will include the assignment of a specific LFUCG Project Manager who will act as the primary LFUCG contact for completing the Task Order. Under no circumstances should changes in Task Order scope or estimated fee occur without prior, written approval from the Director of the Division of Water Quality.

In the past, typical task orders have covered: 1. General Program Management and Meetings, 2. MS4 Permit Technical Support, 3. MS4 Permit Monitoring, 4. Watershed-Focused Monitoring Implementation, and 5. Technical Assistance with Unique and/or Environmentally Sensitive Issues.

The Consultant may incur financial penalty in the event that deliverable deadlines contained in a written Task Order are missed as outlined in the attached Consent Decree Engineering Services Agreement. The Consent Decree Engineering Services Agreement will be used to contract with the successful consultant.

NOTE: Proposers should review LFUCG's Federal Consent Decree and its associated attachments / appendices, as well as Lexington's current MS4 Permit dated May 1, 2015, and SWQMP dated June 1, 2016, to fully understand the significance of deliverable deadlines contained in the Consent Decree and the MS4 Permit. The Consent Decree and associated documents may be found at <https://www.lexingtonky.gov/public-document-repository>; the MS4 Permit and SWQMP may be found at <https://www.lexingtonky.gov/stormwater>.
