Todd Slatin, Director
Division of Central Purchasing

DATE: July 1, 2021

SUBJECT: Bid #29-2021 Augmented Reality Mapping System

Bids for Augmented Reality Mapping System for the Lexington Police Department were received in the Division of Central Purchasing on May 20, 2021.

Lonwave notified one thousand one hundred and ninety-three (1193) vendors with forty-four (44) vendors viewing the document. Purchasing received one (1) bid from Thoroughbred Aviation Maintenance.

The bid amount from Thoroughbred Aviation Maintenance was \$206,585.50. Lexington Police Department negotiated pricing for the system down to \$201,485.50. Since Thoroughbred Aviation Maintenance is the only bidder for this system, the lower bid price is acceptable. Please see attachments from Thoroughbred Aviation Maintenance concerning the revised bid.

The bid submitted by Thoroughbred Aviation Maintenance meets bid specifications and is within budgetary constraints; therefore, I recommend the bid of Thoroughbred Aviation Maintenance be accepted.
