SUBJECT: Authorization to accept federal funds for the School Zone Enhancements Project

Request: Council authorization to accept federal funding in the amount of \$275,000 for a elementary school zone enhancement project. Matching funds of \$68,000 are required.

Purpose of the Request: The Division of Traffic Engineering has been awarded federal transportation funds of \$275,000 to ensure all Fayette County elementary school zones have consistent signage and markings in a manner that adheres to the 2009 Manual on Uniform Traffic Control Devices (MUTCD). The result will provide clear messaging to drivers when entering school zones and provide safer accommodations for pedestrians and bicycle riders. Matching funds of \$68,000 are required.

The cost in this budget year and future budget years: Federal funds of \$275,000 have been awarded with required matching funds of \$68,000. Total project cost is \$343,000.

Are the funds budgeted? Budget Amendment 10428 is in process.
