To the extent there is conflict among their provisions, the provisions of this Agreement shall take precedence, followed by the provisions of Request for Proposal No. 44-2017 (Exhibit "A").

After written authorization to proceed with the Project, **CONSULTANT** shall:

1. Notify the **OWNER** in writing of its authorized representative who shall act as Project Manager and liaison representative between the **CONSULTANT** and the **OWNER**.

The General Condition provisions of RFP No. 44-2017 are incorporated herein by reference as if fully stated.

## **SECTION 2 - ADDITIONAL SERVICES BY CONSULTANT**

Such work shall be considered as "Additional Services", subject to a change order, supplemental to this Agreement, setting forth the character and scope thereof and the compensation therefore. Work under such change order shall not proceed until the **OWNER** gives written authorization. Should the **OWNER** find it desirable to have previously satisfactorily completed and accepted plans or parts thereof revised, the **CONSULTANT** shall make such revisions as directed, in writing, by the **OWNER**. This work shall be considered as "Additional Services" and shall be paid as such.
- 2.2. All "Additional Services" are subject to prior written authorization of **OWNER** and necessary appropriations made by the Urban County Council. Additional services provided without prior written authorization will not be paid.

## **SECTION 3 - OWNER'S RESPONSIBILITIES**

### **OWNER shall:**

- 3.1. Provide criteria and information as to **OWNER'S** requirements for the Project, including design objectives and constraints, space, capacity and performance requirements, flexibility and expandability, and any budgetary limitations.
- 3.2. Assist **CONSULTANT** by placing at his disposal available information pertinent to the Project.
- 3.3. Examine all studies, reports, sketches, drawings, specifications, proposals and other documents presented by **CONSULTANT**, and render in writing decisions pertaining thereto within a reasonable time so as not to delay the services of **CONSULTANT**.

authority to transmit instructions, receive information, interpret and define **OWNER'S** policies and decisions with respect to materials, equipment, elements and systems pertinent to **CONSULTANT'S** services.

- 4.2. The provisions of this Section Four (4) and the various rates of compensation for **CONSULTANT'S** services provided for elsewhere in this Agreement have been agreed to in anticipation of the orderly and continuous progress of the Project through completion.

If delays result by reason of acts of the **OWNER** or approving agencies or other causes, which are beyond the control of the **CONSULTANT**, an extension of time for such delay will be considered. If delays occur, the **CONSULTANT** shall within 30 days from the date of the delay apply in writing to the **OWNER** for an extension of time for such reasonable period as may be mutually agreed upon between the parties, and if approved, the Project schedule shall be revised to reflect the extension. Such extension of time to the completion date shall in no way be construed to operate as a waiver on the part of the **OWNER** of any of its rights in the Agreement. Section 6.5, under DISPUTES, of this Agreement, shall apply in the event the parties cannot mutually agree upon an extension of time.

In the event that the overall delay resulting from the above described causes is sufficient to prevent complete performance of the Agreement within six (6) months of the time specified therein, the Agreement fee or fees shall be subject to reconsideration and possible adjustment. ### **Equal Employment Opportunity**

The Entity (regardless of whether construction contractor, non-construction contractor or supplier) agrees to provide equal opportunity in employment for all qualified persons, to prohibit discrimination in employment because of race, color, creed, national origin, sex or age, and to promote equal employment through a positive, continuing program from itself and each of its subcontracting agents. This program of equal employment opportunity shall apply to every aspect of its employment policies and practices.

### **Kentucky Equal Employment Opportunity Act**

The Kentucky Equal Employment Opportunity Act of 1978 (KRS 45.560-45.640) requires that any "county, city, town, school district, water district, hospital district, or other political subdivision of the state shall include in directly or indirectly publicly funded contracts for supplies, materials, services, or equipment hereinafter entered into the following provisions:

(4) The contractor will send a notice to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding advising the labor union or workers' representative of the contractor's commitments under the nondiscrimination clauses."

The Act further provides:

"KRS 45.610. Hiring minorities -- Information required

The Lexington-Fayette Urban County Government practices Equal Opportunity in recruiting, hiring and promoting. It is the Government's intent to affirmatively provide employment opportunities for those individuals who have previously not been allowed to enter into the mainstream of society. Because of its importance to the local Government, this policy carries the full endorsement of the Mayor, Commissioners, Directors and all supervisory personnel. In following this commitment to Equal Employment Opportunity and because the Government is the benefactor of the Federal funds, it is both against the Urban County Government policy and illegal for the Government to let contracts to companies which knowingly or unknowingly practice discrimination in their employment practices. Violation of the above mentioned ordinances may cause a contract to be canceled and the contractors may be declared ineligible for future consideration.

November 6, 2017

Greetings All:

Individually, we were both approached to present ideas for a Diversity and Inclusion Training Program for the Lexington Fire Department (LFD). We see this engagement as a prime opportunity to come together in and for our own city of Lexington. We offer the sum of our experience, ideas, time and diversity in identity and perspectives to this effort. The combination of our years of experience in the D&I space brings thousands of hours creating and facilitating D&I content and train-the-trainer programs, experience with large-scale, concentrated rollouts, consulting around best practices, and delivery specific to emergency services professionals.

We envision an Inclusion and Diversity Training Program implemented across the LFD to demonstrate its commitment to the whole of its workforce and citizenry; both in membership now, and the future. Our work for LFD would begin by listening, as outlined in the "Training Program Development Process" below. Program development for LFD would begin with an awareness of the following potential factors:

- Unique schedule; involving cohabitation
- Hierarchical membership structure
- Emphasis on tradition
- High-risk profession; constant evaluation of life and death
- Training for split-second decisions and reaction

We are here to partner with you to create an Inclusion & Diversity Training Program which speaks to the realities of your people and the integrity and advancement of the LFD. MLC will deliver a custom, multi-year training program with a job-embedded focus across all roles of the LFD, while also preparing internal LFD facilitators to build capacity for years to come.

This document represents a collaboration; both between Dr. Cleveland and Emily Duncan and your committee. We welcome questions and new ideas around this proposal.

Our best,

Dr. Roger Cleveland &  
Emily Duncan

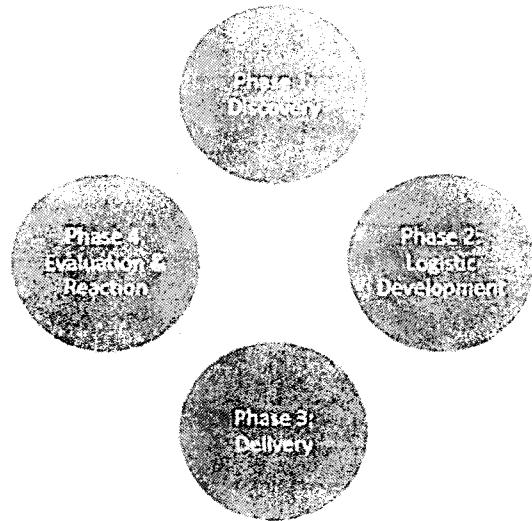

Note: Both Millennium Learning Concepts and Emily Duncan Training & Facilitation are seeking certification as minority and woman-owned business enterprises respectively. Should certification be awarded, contact will be made with the Central Purchasing Office.

## Train-the-Trainer Program Development Framework

### Phase 1: Discovery

*This work is about listening.* Meaningful programs start by asking the right questions. Discovery work will inform Module learning objectives, content, format, work-embedded scenarios, and other customizations.

Discovery can occur as formal surveys, focus groups, and/or in-person or remote planning sessions with cross-sectional representation. At minimum, MLC recommends phone or in-person interviews with stakeholders at multiple levels of the organization. MLC will make final recommendations of data-gathering methods upon internal LFD input.

### Phase 2: Logistic Development

*This work is about being responsive.* Thoughtful planning is essential for a successful program rollout. With thoughtful consideration, plans are put into place for scheduling, registration, tracking, equipment and supplies for both the Train-the-Trainer Program and Module delivery.

### Phase 3: Delivery

*This work is about exposure to other perspectives.* Engaging is at the core of what we do. The opportunity for transformation begins with informed material. Curricula is timely, rooted in evidence, and job-embedded.

Dr. Roger Cleveland and Emily Duncan each bring hundreds of hours of experience facilitating Diversity and Inclusion programming to thousands of participants, including emergency service professionals.

See the “Introductory Session & Sample Three-Module Program” section below for information about the program framework.

### Phase 4: Evaluation & Reaction

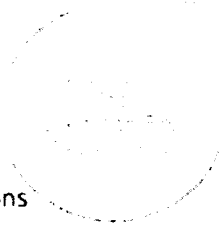

*This work is about finding your place in it.* How do we continue the impact beyond the classroom?

Evaluation and Reaction work involves MLC and LFD Executive Staff marking program progress to date and identifying themes found in the classroom and beyond to inform recommended next steps for the LFD and the Discovery phase for the following year’s MLC content.

**Introductory Leadership Session:**

- 30-60 minutes in length
- Attended by LFD leadership
- Establish the "why" around diversity and inclusion at LFD
- Can incorporate key leadership; demonstrating support, expectations
- Content can be recorded to share with off-shift leaders

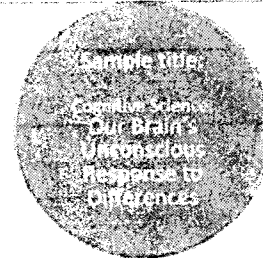

**All Modules:**

- 3-4 hours in length
- Develop a familiarity with diversity concepts and topics
- Impart inclusive tools and strategies
- In-person delivery
- Class size 20-30

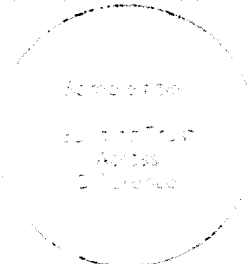

**Year 1; Module 1 on Unconscious Bias:**

- Prerequisites for other modules
- Attended by all employees
- Based on the background already provided, MLC recommends focusing on Unconscious Bias (UB) for Module 1

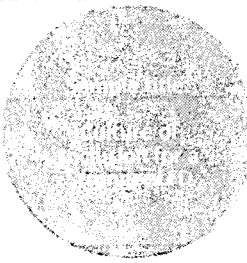

**Year 2, Module 2:**

- Attended by all employees
- Taken following Foundational Module
- Content driven by Year 1 input and discoveries
- Expanded job-embedded skill building

**Year 3, Module 3:**

- Attended by all employees
- Taken following Foundational Module and Year 2 Module
- Content driven by Year 1 and 2 input and discoveries
- Expanded job-embedded skill building

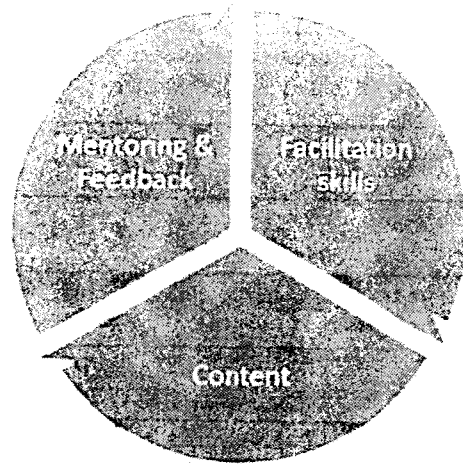

### Program Objectives

MLC welcomes the opportunity to engage internal LFD personnel in the program delivery.

Each year MLC will develop and deliver a two-day Train-the-Trainer (TTT) program retreat on the current year's module for a predetermined number of LFUCG employees.

Beyond the TTT retreat, trainees will co-facilitate with MLC in regular sessions. Trainees will receive and implement mentor feedback, readying them for certification to deliver the module solo to LFD audiences in following years.

- Identify and select internal LFD personnel to participate
- Module 1: Introduction to MLC Training and Labeling of LFD themes and topics

- Develop and deliver a two-day TTT module to train with internal personnel
- Module 2: Introduction to LFD themes and topics
- Module 2: Introduction to LFD themes and topics

- Verify and certify internal LFD personnel to deliver the module solo to LFD audiences

## EQUAL OPPORTUNITY AGREEMENT

### Standard Title VI Assurance

The Lexington Fayette-Urban County Government, (hereinafter referred to as the "Recipient") hereby agrees that as a condition to receiving any Federal financial assistance from the U.S. Department of Transportation, it will comply with Title VI of the Civil Rights Act of 1964, 78Stat.252, 42 U.S.C. 2000d-4 (hereinafter referred to as the "Act"), and all requirements imposed by or pursuant to Title 49, Code of Federal Regulations, U.S. Department of Transportation, Subtitle A, Office of the Secretary, (49 CFR, Part 21) Nondiscrimination in Federally Assisted Program of the Department of Transportation – Effectuation of Title VI of the Civil Rights Act of 1964 (hereinafter referred to as the "Regulations") and other pertinent directives, no person in the United States shall, on the grounds of race, color, national origin, sex, age (over 40), religion, sexual orientation, gender identity, veteran status, or disability be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity for which the Recipient receives Federal financial assistance from the U.S. Department of Transportation, including the Federal Highway Administration, and hereby gives assurance that will promptly take any necessary measures to effectuate this agreement. This assurance is required by subsection 21.7(a) (1) of the Regulations.

### The Law

- Title VII of the Civil Rights Act of 1964 (amended 1972) states that it is unlawful for an employer to discriminate in employment because of race, color, religion, sex, age (40-70 years) or national origin.
- Executive Order No. 11246 on Nondiscrimination under Federal contract prohibits employment discrimination by contractor and sub-contractor doing business with the Federal Government or recipients of Federal funds. This order was later amended by Executive Order No. 11375 to prohibit discrimination on the basis of sex.
- Section 503 of the Rehabilitation Act of 1973 states:

*The Contractor will not discriminate against any employee or applicant for employment because of physical or mental handicap.*

- Section 2012 of the Vietnam Era Veterans Readjustment Act of 1973 requires Affirmative Action on behalf of disabled veterans and veterans of the Vietnam Era by contractors having Federal contracts.
- Section 206(A) of Executive Order 12086, Consolidation of Contract Compliance Functions for Equal Employment Opportunity, states:

*The Secretary of Labor may investigate the employment practices of any Government contractor or sub-contractor to determine whether or not the contractual provisions specified in Section 202 of this order have been violated.*

\*\*\*\*\*

The Lexington-Fayette Urban County Government practices Equal Opportunity in recruiting, hiring and promoting. It is the Government's intent to affirmatively provide employment opportunities for those individuals who have previously not been allowed to enter into the mainstream of society. Because of its importance to the local Government, this policy carries the full endorsement of the Mayor, Commissioners, Directors and all supervisory personnel. In following this commitment to Equal Employment Opportunity and because the Government is the benefactor of the Federal funds, it is both against the Urban County Government policy and illegal for the Government to let contracts to companies which knowingly or unknowingly practice discrimination in their employment practices. Violation of the above mentioned ordinances may cause a contract to be canceled and the contractors may be declared ineligible for future consideration.

Please sign this statement in the appropriate space acknowledging that you have read and understand the provisions contained herein. Return this document as part of your application packet.
