Hi Kristy,

DAIL has approved your request to use \$7552.62 of Title IIIB ARPA funds to purchase the wifi and radio frequency listening devices.

After you have made that purchase, you will submit that on your monthly invoice to Jon, noting it as ARPA funds for Title IIIB. Please also include your receipt showing the purchase has been made. We will then submit that to DAIL for reimbursement to you.

Congratulations!!

Celeste Robinson, BSW
