**RE: Paradise Lane Pump Station and Force Main
Change Order Proposal #1
8" Gravity Abandonment**

Dear Mr. Day:

The following proposal is for excavating the existing line at Manhole A-2 and capping the existing 8" line. The cap is necessary to abandon a portion of the existing line. The item on the bid to abandon the line could not be done because the existing manhole had been backfilled over on adjacent property. We propose to do this work for Two Thousand Dollars (\$2,000.00).

Sincerely,

CUMBERLAND PIPELINE, LLC
