To Whom It May Concern:

I'm Debbie Kiser, the Media Specialist and STLP Coordinator at Julius Marks Elementary in Lexington. One of our Student Technology Leadership Program Showcases this year is "K-9 Kevlar." We have raised \$1300 for the Lexington Police Department so that a ballistic vest (and other K-9 equipment with any leftover funds) can be purchased for a Lexington Police dog! We love and respect our police officers and we love and respect their canine partners!

Our Showcase students sold Candy-grams, dog related items and some non-related items for \$1 each and raised the \$1300 in 3 weeks! We respectfully request that the LFUCG Council allow us to donate this money to the Lexington Police Department so the K-9 ballistic vest and any other appropriate K-9 equipment can be purchased using the full amount we raised.

Thank you SO much for helping us complete this project!

Sincerely,

Debbie Kiser, Media Specialist/STLP Coordinator
