

TO: Mayor Linda Gorton
Urban County Council

FROM: 
Charles H. Martin, P.E., Director
Division of Water Quality

DATE: April 15, 2019

SUBJECT: Requesting authorization for Right of Way and Easement Acquisition
For Bahama Rd. Stormwater Improvements.

Request

The purpose of this memorandum is to request a resolution authorizing the acceptance of deeds of permanent right of way and acquisition of temporary easements from the owners of record on properties for the Bahama Rd. Stormwater Improvement Project.

Purpose of Request

The purpose of the deed for permanent right of way and temporary easements to allow for construction of stormwater improvements on Bahama Rd. Agreement has been reached with all affected property owners.

Project Cost in FY19 and in Future Budget Years

The property owner has agreed to provide the easement at no cost to the LFUCG.
