This memorandum of agreement (hereinafter, "the Agreement") is made and entered into by and between the Commonwealth of Kentucky Transportation Cabinet, Department of Highways, 200 Mero Street, Frankfort, Kentucky, 40622 (hereinafter, "the Cabinet") and the Lexington-Fayette Urban County Government, an urban county government of the Commonwealth of Kentucky pursuant to Chapter 67A of the Kentucky Revised Statutes, 200 East Main Street, Lexington, Kentucky, 40507 (hereinafter "LFUCG")

This Agreement supersedes item number six in the Maintenance and Traffic Contract between the City of Lexington and the Department of Highways dated October 12, 1972. All other portions of the October 12, 1972 contract remain in place and are not impacted by this Agreement.

WHEREAS, LFUCG, in the interest of public safety and traffic flow efficiency, has requested authority to assume certain obligations and responsibilities with regard to the Department of Highways State Primary Road System located within the boundaries of Fayette County, and

WHEREAS, the Cabinet, in the interest of public safety and traffic flow efficiency, has agreed to assign certain responsibilities with regard to traffic signalization, operations and maintenance in Fayette County to LFUCG; and

WHEREAS, the Cabinet has the authority to enter into any and all agreements inclusive of agreements with local government entities pursuant to KRS 177.043; and

WHEREAS, LFUCG has authority to elect to maintain and operate traffic signalization on roadways, located on the Department of Highways State Primary Road System within Fayette County pursuant to KRS 177.055; and

WHEREAS, the purpose of this Agreement is to set forth the duties and obligations of the parties with regard to the maintenance and operation of traffic signals and electrical traffic control devices on the State Primary Road System within Fayette County; and

WHEREAS, the Cabinet, and the LFUCG desire to enter into this agreement to enhance traffic management in Fayette County;

NOW, THEREFORE, in consideration of the mutual covenants expressed herein, the Cabinet and LFUCG, (collectively hereinafter "the Parties") agree as follows:

Effective Date - This Agreement shall become effective on July 1, 2018.

Scope - The terms of this Agreement shall apply to all state maintained routes in Fayette County.

Authorization of LFUCG - LFUCG agrees to seek approval and authorization from its Urban County Council and shall obtain and incorporate herein a resolution or other written authorization. This

	Document Description	Page 2

Agreement and all terms herein are therefore contingent upon obtaining any and all appropriate and necessary authorization from the Urban County Council.

Authority to Enter into Agreement - The parties represent and warrant, by the signatures of their duly appointed representatives, that they are legally entitled to enter into this Agreement, and will not be violating, directly or indirectly, any conflict of interest statute of the Commonwealth of Kentucky by performance of the obligation imposed on them by this Agreement. The parties further represent and warrant that they have no conflict of interest, in any manner or degree, with the performance duties of this Agreement.

Cost Recovery - The Cabinet hereby delegates to LFUCG the authority to file insurance claims and take other necessary collection actions against the driver or registered owner of a motor vehicle which LFUCG has reason to believe has caused or contributed to a collision resulting in damage to traffic signalization and other electrical traffic control devices belonging to the Cabinet, but subject to the operation and maintenance responsibility of LFUCG pursuant to this agreement.

Denial or Suspension - Pursuant to KRS 186.570, the Cabinet hereby designates LFUCG as an agent with authority to recommend the denial or suspension of the operator's license of any person, or, in the case of a nonresident, withdraw the privilege of operating a motor vehicle in this state, if LFUCG has reason to believe that the person has, by reckless or unlawful operation of a motor vehicle, caused, or contributed to, a collision resulting in serious property damage, including damage to traffic signalization and other electrical traffic control devices on the State Primary Road System within Fayette County.

Obligations of the Cabinet - The Cabinet covenants and agrees to undertake the following obligations:

The Cabinet agrees to provide funding, not to exceed \$330,000 for a fiscal year, to the Lexington Fayette Urban County Government, Division of Traffic Engineering, for the purpose of operating and maintaining traffic signals and electrical traffic control devices on the State Primary Road System in Fayette County.

The Cabinet agrees to install new traffic signals and electrical traffic control devices, approved by the Cabinet, on the State Primary Road System in Fayette County, in accordance with the standards, specifications, and policies of the Cabinet. All new installations made under this agreement shall be property of the Cabinet.

The Cabinet, after the initial turn on of a new traffic signal or electrical traffic control device installed by the Cabinet, or by a contractor through the encroachment permit process, agrees to delegate the operation and maintenance to LFUCG.

The Cabinet agrees to provide materials as necessary to repair and maintain traffic signals and electrical traffic control devices on the State Primary Road System in Fayette County from the Cabinet's warehouse stock. The Cabinet will not provide specialized equipment or materials that exceed the Cabinet's specifications. The Cabinet has first right of refusal for State owned equipment removed as a result of work accomplished under this agreement.

At the discretion of the Cabinet, and upon the written request of LFUCG, specialized materials and major projects, beyond the capabilities of LFUCG, and beyond the scope of the agreement, may be approved and completed by the Cabinet, or as mutually agreed upon by both parties.

Obligations of LFUCG - LFUCG covenants and agrees to undertake the following obligations:

	Document Description	Page 3
1800004342	LFUCG Signal Maintenance	of 14

LFUCG agrees to maintain and operate the traffic signals and electrical traffic control devices on roadways located on the Department of Highways State Primary Road System within Fayette County.

LFUCG shall comply with all applicable federal and state statutes, executive orders, regulatory requirements, and policies, including, but not limited to, 23 CFR Part 655, the Manual on Uniform Traffic Control Devices and amendments thereto, and the Division of Traffic Operations Guidance Manual.

LFUCG agrees to accept the maintenance and operations of new traffic signals and electrical traffic control devices installed by the Cabinet, or by a contractor through the encroachment permit process, under the terms of the Agreement.

LFUCG shall be responsible for all media and citizen inquiries and all public relations regarding the traffic signals and electrical traffic control devices for which they are responsible. This provision shall not prohibit or otherwise interfere with any state-wide or county-wide public relations efforts undertaken by the Cabinet that may have some impact on aforementioned traffic signal locations.

LFUCG shall be responsible for employing adequate staffing to provide the labor and services related to the safe and efficient operation of the computerized traffic signal control system and the timely and necessary maintenance of the Fayette County traffic signals and electrical traffic control devices.

LFUCG shall take no action which impedes or negatively impacts the Lexington Area Metropolitan Planning Organization Long Range Plan, Transportation Improvement Plan or Six Year Highway Plan or the process related thereto.

LFUCG shall make reasonable efforts to match damage to traffic signalization and other electrical traffic control devices belonging to the Cabinet, but subject to the operation and maintenance responsibility of LFUCG, to a collision identified in a corresponding Kentucky Uniform Police Traffic Collision Report and to the driver or registered owner of a motor vehicle which caused, or contributed to, the collision resulting in the property damage.

LFUCG shall make reasonable efforts to collect reimbursement for damage to traffic signalization and other electrical traffic control devices belonging to the Cabinet which can be matched to a reported collision and shall apply any proceeds to the installation, repair, or replacement of traffic signalization, operations, and maintenance property belonging to the Cabinet, but subject to the operation and maintenance responsibility of LFUCG.

LFUCG shall request any write-off of uncollectable property damage cost recovery amounts associated with a collision identified in a Kentucky Uniform Police Traffic Collision Report to the Transportation Cabinet, Office of Legal Services.

Mutuality of Obligations - The Parties agree that the obligations imposed upon them are for the benefits of the parties. Timely fulfillment of each and every obligation in accordance with this memorandum is necessary. The failure of any party to fulfill any of its obligations under this memorandum or the failure of any event to occur by a date established by this memorandum shall constitute a breach of the Agreement unless the fulfillment of such obligation is waived or modified by written Agreement of the parties.

Assurances - Where required by law, the parties to this memorandum shall comply with the Executive Branch Code of Ethics and all applicable state and federal statutes relating to non-discrimination. LFUCG shall not discriminate against any employee or applicant for employment because of race,

LFUCG further agrees to applicable federal regulations relating thereto prohibiting discrimination against otherwise qualified disabled individuals under any program or activity. Such action shall include, but not be limited to the following: employment, upgrading demotion, or transfer recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. LFUCG agrees to post in conspicuous places available to employees and applicants for employment, notices setting forth the provisions of this non-discrimination clause.

Term - This agreement shall be in effect from the effective date, as set forth in paragraph 1 of this Agreement, to June 30, 2019.

Termination - Any party shall have the right to terminate and cancel this Agreement at any time by giving thirty (30) days written notice served on the other parties by registered or certified mail. This termination clause, if executed, shall be effective on the first day of a calendar month.

Payment - The Cabinet shall pay LFUCG, within 30 working days, all approved billings for labor including engineering costs, material, and equipment in the performance of the work as outlined in the Agreement. LFUCG shall submit these billings on a monthly invoice equal to 1/12 of the annual contract amount. Total payments under the Agreement shall not exceed \$330,000 for a fiscal year. If the contract begins or terminates on a date other than the beginning or end of the fiscal year, only billing increments of 1/12 of the total annual contract amount will be considered for payment. No payment will be made for work occurring outside the effective dates of the agreement.

Audits and Inspections - LFUCG agrees that the Cabinet, the Finance Cabinet, the Auditor of Public Accounts, and the Legislative Research Commission, or their duly authorized representatives, shall have access to any books, documents, papers, records, or other evidence, which are directly pertinent to the Agreement for the purpose of financial audit or program review.

Modifications - No modification or change of any provision in this Agreement shall be made, or construed to have been made, unless such modification is mutually agreed to in writing by the parties hereto.

Hold Harmless - LFUCG shall hold harmless the Cabinet, the Commonwealth, its officers, employees, agents and contractors, from any action or claim against those parties resulting from or based upon this Agreement, including but not limited to any liability resulting from discretionary decisions made by LFUCG with regard to traffic signalization, pursuant to the authority transferred to LFUCG by this Agreement.

Disputes - Any dispute concerning a question of fact in connection with work performed pursuant to this Agreement that cannot be disposed of by agreement between the parties shall be referred to the Secretary of the Transportation Cabinet of the Commonwealth of Kentucky, or his duly authorized representative, whose decision shall be final. Any dispute concerning a question of law shall be governed by the laws of the Commonwealth of Kentucky. Access to Records:

The state agency certifies that it is in compliance with the provisions of KRS 45A.695, "Access to contractor's books, documents, papers, records, or other evidence directly pertinent to the contract." However, in accordance with KRS 45A.700, memoranda of agreement in aggregate amounts of \$50,000 or less are exempt from review by the committee and need only be filed with the committee within 30 days of their effective date for informational purposes.

KRS 45A.695(7) provides that payments on personal service contracts and memoranda of agreement shall not be authorized for services rendered after government contract review committee disapproval, unless the decision of the committee is overridden by the Secretary of the Finance and Administration Cabinet or agency head, if the agency has been granted delegation authority by the Secretary.

Violation of tax and employment laws:

KRS 45A.485 requires the Contractor and all subcontractors performing work under the agreement to reveal to the Commonwealth, prior to the award of a contract, any final determination of a violation by the Contractor within the previous five (5) year period of the provisions of KRS chapters 136, 139, 141, 337, 338, 341, and 342. These statutes relate to corporate and utility tax, sales and use tax, income tax, wages and hours laws, occupational safety and health laws, unemployment insurance laws, and workers compensation insurance laws, respectively.

To comply with the provisions of KRS 45A.485, the Contractor and all subcontractors performing work under the agreement shall report any such final determination(s) of violation(s) to the Commonwealth by providing the following information regarding the final determination(s): the KRS violated, the date of the final determination, and the state agency which issued the final determination.

	Document Description	Page 7

The Contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions including sanctions for noncompliance; provided, however, that in the event a Contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States.
