FROM: Robert Stack, Director
Lexington Enhanced 911

DATE: May 24, 2018

SUBJECT: Amended Agreement with jurisdictions in the Central Kentucky 911 Network

Request:

A resolution authorizing the Mayor to execute an Amended Agreement for the Central Kentucky 911 Network, which is attached, with existing members of the network and a revised agreement with any additional jurisdictions approved by the Lexington-Fayette County Government's E-911 Board, to adjust rates by 2% starting in FY19 and permitting future annual rate increases, as necessary.

Why are you requesting?

The original agreement allowing 911 centers in other counties to join Lexington's network does not contain a clause authorizing rate increases. This amendment permits Lexington to pass along increases to the network's expenses by raising rates.

What are the costs in this budget year and future budget years? None.

Are the funds budgeted? N/A
