RE: Price Contract for Polymer Flocculants #8-2013

DATE: February 19, 2014

This memo is requesting that Polydyne Inc. be added to the existing contract for Polymer Flocculants #8-2013 so that purchases for the Division of Water Quality can continue on an "as needed" basis.

Polydyne Inc. has agreed in writing to honor their price as quoted in Bid #123-2012 which is \$1.85 per pound. This chemical is needed for our Town Branch WWTP Facility.
