Re: NASPO ValuePoint #1907

Request council approval to enter into a Participating Addendum to Contract #1907 with Verizon in order to become an authorized user. The NASPO/WSCA contract would be an alternative option to the GSA contract currently in place for the purchase of wireless equipment and services from Verizon. WSCA provides more flexible pricing and will allow Verizon to create new accounts for LFUCG without the PO signature requirement.

Budget impact is zero.
