

Oxford Circle Sidewalk Connection

Oxford Circle serves as a connector between established neighborhoods in the Cardinal Valley Area of Lexington and the Versailles Rd (US 60) commercial corridor and transit line. Currently, a gap exists in the last section of Oxford Circle leading to Versailles Rd creating an unsafe pedestrian experience.

Proposed Connections:

Cambridge to Versailles Rd (410 Linear Feet)

Project Address: 1935 Oxford Circle, Lexington, KY 40504

Project Location: 38.048162, -84.542854

Project Cost Estimate: \$79,200

Estimated Construction Start: Summer 2017

Proposed Match Source: \$15,840 - LFUCG General Fund
