Re: Award of Engineering Services Agreement  
Coldstream Park Stream Corridor Restoration and Preservation  
Consent Decree Supplemental Environmental Project

The purpose of this memorandum is to request a resolution authorizing the award of an engineering services contract to CDP Engineers, Inc. to provide engineering services for the Coldstream Park Stream Corridor Restoration and Preservation project. This project is a Supplemental Environmental Project mandated by the Consent Decree. Work associated with this contract, not to exceed \$250,000, will be allocated via a series of written task orders.

Lump sum or time and materials fees will be assigned to each task order. Funding for this work is fully budgeted in **4051 303204 3373 71205**.

The purpose of this engineering services agreement is to perform survey, design, bid, and construction related services for restoration of 4,415 linear feet of Cane Run within the LFUCG-owned Coldstream Park. EPA mandated features of this project include natural stream design, habitat restoration, vernal pools, and infiltration and pollutant removal features. Outcome of this work includes:

- Project management to meet the deadlines associated with deliverables contained in Appendix J-1 of the Consent Decree;
- Preparation and implementation of a Risk Mitigation Plan related to karst features within the project area;
- Preparation of submittals to EPA and permitting agencies;
- Survey and pre-project monitoring and assessments;
- Preparation of design plans and bid documents;
- Assistance with bid and construction and post-project reporting through final acceptance by the EPA and all permitting agencies;
- Coordination with all stakeholders, including the Lexington Fayette Urban County Greenspace Trust, Inc. which has been established as the authority to oversee future maintenance and preservation of the area;

Questions regarding this agreement should be directed to Charles Martin 859-425-2455 or Susan Plueger 859-425-2482.
