SUBJECT: BID #61-2012 Web-Based Quartermaster Program – Public Safety Uniforms

Mr. Slatin-

The bid has been reviewed and we are recommending that Galls, be awarded the Web-Based Quartermaster Program bid 61-2012. Galls was the only responsive bidder, both Kentucky Uniforms and Maryland Small Arms Range were non responsive in their bids for items requested by the Division of Community Corrections.

Thank you for your assistance in this matter.
