

MAYOR LINDA GORTON

LEXINGTON

ROBERT LARKIN
DIRECTOR
EMERGENCY MANAGEMENT

Jerrold Dean, Local Program Manager
Kentucky Division Of Emergency Management
100 Minuteman Parkway
Frankfort, KY 40601

Dear Jerrod,

Please accept this letter as Lexington-Fayette Urban Government (LFUCG) acceptance to transfer the attached list of chemical detectors, message boards and light towers, purchased by Kentucky Emergency Management's Chemical Stockpile Emergency Preparedness Program, using FY13 and FY18 funds for ongoing use through and following closeout of CSEPP.

In accordance with 2CFR 200.313, the equipment will be used in other activities supported by Dept of Homeland Security and Emergency Management Preparedness grants. At the time of the equipment transfer, the equipment will be retained and maintained by Lexington Fire for the duration of its life. Lexington Fire will assume full and complete responsibility for costs of the equipment's operation and maintenance, as well as all liability.

Please contact Lanni Griffin, LFUCG CSEPP Manager, if you have questions or need additional information.

Sincerely,

 7/24/2024

Erin Hensley, LFUCG, Commissioner of Finance

This form is used to collect information on new inventory acquired through CSEPP which a) exceeds \$5,000 in value or b) is deemed otherwise programatically important for complete protection. Information should migrate from this form to the county inventory form maintained by the state as soon as possible once the responsible officer returns to the CSEPP offices at the CEOC. If this form is not filled by the logistics officer a copy should be provided to the logistics officer.

Field 1 will not always be completed but will be used in such cases that KYEM approval preceeds subgrantee procurement (e.g. stateline expenditures).

Field 2 will be signed by the responsible officer following a site vist to confirm the delivery and condition of new inventory.

Field 3 is to be signed upon the return to CSEPP offices.

Fields 4-11 are found on the county inventory sheets maintained by the logistics officer.
