DATE: APRIL 18, 2022

SUBJECT: Submission of 2022 Consolidated Plan, including Community Development Block Grant Program, HOME Investment Partnerships Program, and Emergency Solutions Grants Program

Request: Council authorization to submit the 2022 Consolidated Plan, accepting awards of federal funds for Community Development Block Grant Program in the amount of \$2,440,132, HOME Investment Partnerships Program in the amount of \$1,342,387, and Emergency Solutions Grants Program in the amount of \$207,017, from the U.S. Department of Housing and Urban Development for FY 2023, and to authorize execution of agreements with subrecipients in accordance with approved plan subject to final Federal allocation amounts for Fiscal Year 2023.

Purpose of Request: The U.S. Department of Housing and Urban Development (HUD) requires a consolidated application for jurisdictions receiving funds through HUD's Community Planning and Development programs. The purpose of the Consolidated Plan is to serve as the planning document for the Lexington-Fayette Urban County Government's participation in these programs. The overall goal of the programs is to develop viable urban communities by providing decent housing, a suitable living environment, and expanding economic opportunities for low and moderate-income persons. The proposed 2022 Consolidated Plan consists of a one-year action plan providing for the expenditure of Community Development Block Grant (CDBG) funds, HOME Investment Partnerships funds, and Emergency Solutions Grants (ESG) funds for Fiscal Year 2023 (the period of July 1, 2022 through June 30, 2023) to address some of the identified needs.

Federal regulations require that an active citizens' participation process be used to identify needs and to recommend the allocation of these federal resources. Two required public hearings have been conducted to solicit citizen comment on the housing and non-housing needs of the low-income population and on the budgeting of these federal funds to address identified needs. Applications for ESG, HOME, and CDBG funds were accepted through a uniform application process. Applications were available through the LFUCG web page for the convenience of agencies having an interest in Consolidated Plan funding. The applications received were reviewed by the staff of the Division of Grants and Special Programs. Their recommendations for funding were reviewed by staff of the Chief Administrative Officer. The proposed plan was made available for public comment as provided by the approved Citizens Participation Plan on April 11, 2022. The 30-day comment period will expire on May 11, 2022.

What is the cost in this budget year and future budget years? The Action Plan describes how funds available through the three program areas will be allocated and spent during Fiscal Year 2023. Future budget years are dependent upon federal allocations of these funds, which has not yet been finalized.
