SUBJECT: Bid #107-2013 Extreme Slope Mower

Bids for an extreme slope mower price contract for the Division of Parks and Recreation were received in the Division of Central Purchasing on October 6, 2011.

Economic Engine notified one hundred and sixteen (116) vendors with twenty-two (22) vendors viewing the document. Two (2) bids were received. The low bid was submitted by Central Equipment Company for \$29,645.00 however, it was determined that this submitter was not authorized to sell this equipment for golf course applications.

The second low bid was submitted by Wolf Creek Company, Inc. for \$30,932.76 and they are an authorized dealer for this equipment. Their bid meets all the spec requirements, therefore, we recommend accepting their bid in establishing a price contract for extreme slope mowers.

The recommended bid meets specifications and is within budgetary constraints.
