

Dear Customer,

Eutek Systems, Inc. dba Hydro International Ltd. was recently acquired by Oldcastle Infrastructure, Inc., a CRH Company. As part of the integration process, Eutek Systems will be merged into Oldcastle Infrastructure, Inc.'s business entity as of Jan 1, 2025.

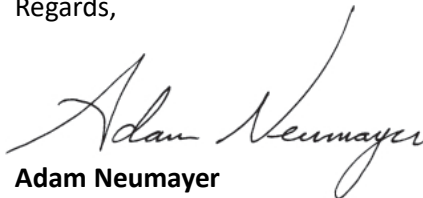

As a result of this merge, payments will now need to be made out to Oldcastle infrastructure inc. and will not be accepted if made out to Eutek Systems. Additionally, the updated W-9 is attached for your records. Note that our legal entity address will change in-line with this, but our business and remittance address will remain the same.

Our Hydro International website remains active and there are no changes to your current contacts or ways of conducting business with Hydro International, including existing terms and conditions.

To avoid delays or errors in posting your payments, please be sure to update our new name in your systems as soon as possible.

If you have any questions regarding this change, please email the Hydro / Oldcastle accounts receivable team at **AR-AWW@oldcastle.com**

Regards,

A handwritten signature in black ink that reads "Adam Neumayer".

Adam Neumayer

Managing Director, Americas Wastewater Operations
